Asia's Maritime History and Identity at Cultural Crossroads

Sreedevi Santhosh,Sanjaila T. H.,Preethi S.,Steffi Santhana Mary S,Uma Maheswary,L. Santhosh Kumar,2025-12-23

Maritime Asia collectively bordered by the Pacific Indian and Arctic Ocean sources Asia s food reserve goods and ideas yet figures relatively lesser in global cultural production Asia s great highways and wide common of the sea function as routes for trade and commerce that underpins globalization Due to unprecedented human trafficking at sea the ocean has largely become a repository for plastic pollution waste and effluents Complex oceanic ecosystems make it inconceivable for human beings to take stock of the interdependence of seas earth and atmosphere missing in context for redressal

Area Studies, Business and Culture Horst Kopp,2003 As the level of globalization in business relationships rises the importance of questions and problems pertaining to intercultural communication increases more and more This gives rise to new tasks for the social sciences which can only be successfully performed through interdisciplinary cooperation in the sense of area studies Between 1995 and 2002 for area the Bavarian research network for area studies drew together numerous members of the scientific community who are specialized in the social sciences to pursue previously unresearched topics in areas of overlap of business and culture as exemplified in non European regions The most important results are collated here

The Political Economy of Indonesia's Economic Development, Volume I Sangaralingam Ramesh,2025-09-26 Spanning over four millennia this sweeping historical analysis traces Indonesia s economic journey from prehistoric agrarian societies to the democratic challenges of the 21st century Integrating political economy history and development studies the book offers a rich multi layered account of how geography empire trade colonialism revolution and reform have shaped the world s largest archipelagic nation The first volume charts Indonesia s transformation from early maritime kingdoms and colonial exploitation to the rise of the New Order and its dramatic collapse in the wake of the Asian Financial Crisis It interrogates the interplay between power and production foreign influence and domestic agency and growth and inequality laying bare

Proceedings of The 5th International Conference on Linguistics and Cultural Studies 5 (ICLC-5 2024) Muhammad Hasyim, Mardi Adi Armin, Yusuf Yusuf, 2025-05-19 This is an open access book Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home During the Covid 19 period which started in early 2020 practically more activities were done at home Likewise institutions during the Covid 19 era were carried out online For example the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online Various events are packaged creatively and innovatively to produce a new spirit in speaking Research and teaching of language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments Covid 19 has inspired many in research on language literature and culture In the field of language you can see research on the language used in Covid 19 such as said cases of

suspected respiratory tract infection ODP People Under Monitoring confirmed cases a person who is late known to be infected with Covid 19 etc That s the content Content on YouTube about the use of language is a hot object of research to research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government s role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar

Cultural Policy and East Asian Rivalry Anthony Y. H. Fung, 2018-05-01 Hong Kong was once an established hub of creativity in Asia recognized internationally for its cinema Bruce Lee and Kung Fu Cantopop its particular form of pop music was popular throughout China and East Asia from the 1970s So why is Hong Kong s creative industry today in a state of stagnation Cultural Policy and East Asian Rivalry unravels the challenges faced by the creative industries in Hong Kong in relation to the wider East Asian context in countries including Singapore Japan Korea Vietnam Malaysia and China Based on a four year study of the gaming industry in Hong Kong this book explores the barriers that creative industries face in the region Fung argues that a lack of cultural policy in Hong Kong has damaged the gaming industry and by extension all creative industries in the region by rendering them uncompetitive Conversely the growing strength of cultural policy in other countries across the region has created further barriers for the industry **The Oxford Handbook of Comparative**

Political Theory Leigh K. Jenko, Murad Idris, Megan Christine Thomas, 2020 Chapters emphasize exploration of substantive questions about political life in a range of global contexts with attention to whether and how those questions may be shared contested or reformulated across differences of time space and experience An interdisciplinary volume that bridges the gaps between various traditions regions and concerns regarding political theory Provides tags and keywords to aid navigation of the handbook and help readers trace disruptions thematic connections and conceptual contrasts across entries **Asianism and the Politics of Regional Consciousness in Singapore** Leong Yew, 2013-11-20 Over the last two decades Singapore has undergone a substantial degree of Asianization Apart from participating in the Asian values debate of the 1990s re

visioning itself as New Asia and a global Asian hub and establishing Asian identities for the commodities it consumes and produces Singapore has also repurposed its modernity cultures and ethos along similar regionalist precepts However even in recent times Singapore continues to vacillate ambivalently between identifying with and differentiating itself from Asia Responding to the challenges Singapore faces in coming to terms with its Asian identity this book examines the complex cultural social and political underpinnings that have shaped Singapore's mainstream discourse on Asia Indeed it argues that its legacy as a colonial port city the exigencies of managing the post independence nation state and the larger forces of imperialism and capitalism all contribute to its politics of Asianism Taking a thoroughly interdisciplinary approach that spans history cultural studies postcolonialism and cultural geography Leong Yew reveals how Asia has been used to narrate Singapore's beginnings revalidate Singaporean ethnic culture and to consolidate its practices of consumption and commodification This book will be welcomed by students and scholars working across a range of fields including Asian culture and society Asian politics cultural theory and postcolonial studies
