Southern Local Color Stories Of Region Race And Gender:

Southern Local Color Barbara C. Ewell, Pamela Glenn Menke, Andrea Humphrey, 2002 Conflict exoticism sensuality eccentricity and the sheer differences of the American South pervade this anthology which focuses on the 19th century tradition of southern local color It contains 31 stories spanning the 1870s through the early 1900s *Southern Local Color* Barbara C. Ewell, Pamela Glenn Menke, 2017-04 Conflict exoticism sensuality eccentricity and the sheer differences of the American South pervade this lively anthology the first in fifty years to focus exclusively on the nineteenth century tradition of southern local color Its thirty one stories spanning the 1870s through the early 1900s represent some of the best southern fiction to appear during the great flowering of American local color writing The fifteen authors included here are those most admired by their contemporaries Modern readers may recognize Kate Chopin author of *The Awakening* Charles Chesnutt the courageous and gifted African American writer or Joel Chandler Harris whose *Uncle Remus* and *Br'er Rabbit* tales have remained continually in print However some authors like suffragist Sarah Barnwell Elliott are virtually unknown today while others like African Americans Paul Laurence Dunbar and Alice Dunbar Nelson are known primarily as poets or diarists The editors extensive introduction locates the stories in the context of contemporary and current history and culture and each selection of tales begins with detailed information on the author Also included are bibliographies and extensive notes Showcasing the many styles topics and settings of southern local color the anthology reconnects us to an unjustly neglected literary tradition As the editors make clear such tales of the South were essential to post Civil War America's struggle to address yet contain cultural and geographic variety racial mixtures and the just clamor of women and African Americans for equality From George Washington Cable's *New Orleans* to Thomas Nelson Page's *Tidewater Virginia* to the Appalachians imagined by Sherwood Bonner these stories engage nation shaping themes war segregation immigration depression and suffrage at the personal and community levels In *Southern Local Color* we have a unique forum for pondering a timeless American question how to reconcile our diversities with a unified national identity *European Local-Color Literature* Josephine Donovan, 2010-09-30 **A Companion to American Literature** Susan Belasco, Theresa Strouth Gaul, Linck Johnson, Michael Soto, 2020-04-02 A comprehensive chronological overview of American literature in three scholarly and authoritative volumes *A Companion to American Literature* traces the history and development of American literature from its early origins in Native American oral tradition to 21st century digital literature This comprehensive three volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field Contributors explore a broad range of topics in historical cultural political geographic and technological contexts engaging the work of both well known and non canonical writers of every period Volume One is an inclusive and geographically expansive examination of early American literature applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts Volume Two covers American literature between 1820 and 1914

focusing on the development of print culture and the literary marketplace the emergence of various literary movements and the impact of social and historical events on writers and writings of the period Spanning the 20th and early 21st centuries Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars This inclusive and comprehensive study of American literature Examines the influences of race ethnicity gender class and disability on American literature Discusses the role of technology in book production and circulation the rise of literacy and changing reading practices and literary forms Explores a wide range of writings in multiple genres including novels short stories dramas and a variety of poetic forms as well as autobiographies essays lectures diaries journals letters sermons histories and graphic narratives Provides a thematic index that groups chapters by contexts and illustrates their links across different traditional chronological boundaries A Companion to American Literature is a valuable resource for students coming to the subject for the first time or preparing for field examinations instructors in American literature courses and scholars with more specialized interests in specific authors genres movements or periods

Encyclopedia of American Literature Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Brucoli George Parker Anderson Judith S **Secret Histories** Kathleen Diffley, Caroline Gebhard, Cheryl Torsney,2025-03-15 The eighteen essays in this volume explore Constance Fenimore Woolson s prodigious range of place from the Great Lakes to the defeated South and across storied Europe to the Mediterranean Her achievements come alive in this enlightening collection shedding light on the full scope of her professional writing career The first section A Writer s Experiments reveals that Woolson s play with familiar genres and unfamiliar characters began during the 1870s and extended until she died in 1894 Consistently she tested the limits of representing women s labor and their erotic desires The second section Postbellum Souths follows Woolson s travels through a land ravaged by war and injustice Drawing on theories of travel collective memory the Lost Cause religious controversy and a race bound region these essays expose both the smugness of visitors and the agendas of residents that Woolson was among the first postwar writers to portray The third section Through an International Lens considers expatriate perceptions of European and Mediterranean cultures as well as misconceptions about the Gilded Age United States Here and throughout this volume accounts of Woolson s travel sketches mingle with those of her fiction and poetry while her encounters with the writing of other Americans demonstrate how regularly Woolson made her century s literary terrain more subtle and complex

Southern History Remixed Michael T. Bertrand,2024-01-30 How popular music reveals deep histories of racial tensions in southern culture Southern History Remixed spotlights the key role of popular music in the shaping of the United States South from the late nineteenth century to the era of rock n roll in the 1940s 50s and 60s While musical activities are often sidelined in historical narratives of the region Michael Bertrand shows that they can reveal much about social history and culture change as he connects the rise of rock n roll to the civil rights movement for racial equality In this book Bertrand traces a

long term culture war in which white southerners struggled over the region's cultural complexion with music serving as an engine that both sustained and challenged white supremacy He shows how rock n roll emerged as a working class genre with biracial sources that stoked white racial anxieties and engaged the region's color and culture lines This book discusses the conflict over southern identity that played out in responses to jazz barn dance radio Pentecostal and gospel music Black radio programming and rhythm and blues concluding with a close look at the popularity of Elvis Presley within a racially segregated society Southern History Remixed suggests that both Black and white southerners have used music as a tool to resist or negotiate a rigid regional hierarchy Urging readers and scholars to take the study of popular music seriously Bertrand argues that what occurs in the music world affects and reflects what happens in politics and history A volume in the series Southern Dissent edited by Stanley Harrold and Randall M Miller [Dear Appalachia](#) Emily Satterwhite, 2011-10-01 Much criticism has been directed at negative stereotypes of Appalachia perpetuated by movies television shows and news media Books on the other hand often draw enthusiastic praise for their celebration of the simplicity and authenticity of the Appalachian region Dear Appalachia Readers Identity and Popular Fiction since 1878 employs the innovative new strategy of examining fan mail reviews and readers geographic affiliations to understand how readers have imagined the region and what purposes these imagined geographies have served for them As Emily Satterwhite traces the changing visions of Appalachia across the decades from the Gilded Age 1865 1895 to the present she finds that every generation has produced an audience hungry for a romantic version of Appalachia According to Satterwhite best selling fiction has portrayed Appalachia as a distinctive place apart from the mainstream United States has offered cosmopolitan white readers a sense of identity and community and has engendered feelings of national and cultural pride Thanks in part to readers faith in authors as authentic representatives of the regions they write about Satterwhite argues regional fiction often plays a role in creating and affirming regional identity By mapping the geographic locations of fans Dear Appalachia demonstrates that mobile white readers in particular including regional elites have idealized Appalachia as rooted static and protected from commercial society in order to reassure themselves that there remains an authentic America untouched by global currents Investigating texts such as John Fox Jr's The Trail of the Lonesome Pine 1908 Harriette Arnow's The Dollmaker 1954 James Dickey's Deliverance 1970 and Charles Frazier's Cold Mountain 1997 Dear Appalachia moves beyond traditional studies of regional fiction to document the functions of these narratives in the lives of readers revealing not only what people have thought about Appalachia but why **American Women's Regionalist Fiction** Monika Elbert, Rita Bode, 2021-01-04 American Women's Regionalist Fiction Mapping the Gothic seeks to redress the monolithic vision of American Gothic by analyzing the various sectional or regional attempts to Gothicize what is most claustrophobic or peculiar about local history Since women writers were often relegated to inferior status it is especially compelling to look at women from the Gothic perspective The regionalist Gothic develops along the line of difference and not unity thus emphasizing regional peculiarities or a sense of

superiority in terms of regional history natural landscapes immigrant customs folk tales or idiosyncratic ways The essays study the uncanny or the haunting quality of the commonplace as Hawthorne would have it in his introduction to *The House of the Seven Gables* in regionalist Gothic fiction by a wide range of women writers between ca 1850 and 1930 This collection seeks to examine how if the regionalist perspective is small limited and stultifying and leads to Gothic moments or whether the intersection between local and national leads to a clash that is jarring and Gothic in nature *Charles Testut's Le Vieux Salomon* Sheri Lyn Abel, 2009-01-01 Through the study of Charles Testut's *Le Vieux Salomon* a nineteenth century southern Francophone antislavery novel this book encourages a reassessment of the southern experience and of the canon of southern literature Abel argues that Testut's distinctiveness lies in his French intellectual heritage and in his awareness of the rich historical and cultural links between the ethnic legacies of Louisiana and the French Caribbean *Le Vieux Salomon* is marked by a sense of place through the author's identification with two regions colonized by the French and which are symbolically represented in the bodies of his black protagonists In this mulatto couple converge the history and memory of French colonization in the Antilles and Louisiana Exploring Testut's influences from Masonic symbolism and principles through nineteenth century French socialist thought the book shows how Testut endeavors through his construction of raced and gendered identity in his protagonists to eradicate the association of blackness with inferiority It finishes with a comparative study between *Le Vieux Salomon* and Harriett Beecher Stowe's *Uncle Tom's Cabin* to demonstrate how Testut's perspective as a French southern local writer sets him apart from Stowe's Northern view further emphasizing Testut's contribution to the formulation of a southern cultural and literary identity
