Southern Sampler Women Of Courage:

Southern Sampler Peggy Barrow Culbertson, 2005 Within the pages of this book readers will be introduced to a sampling of 14 Southern women from all walks of life who have overcome significant obstacles and have subsequently made important contributions to the South and to society These women stalwartly refused to be victims and took a stand against injustices They didn't let race gender poverty or physical handicaps prevent them from achieving their goals As in a sampler quilt each square is different from the others but when put together they form a whole that's greater than any one of its pieces The uniting theme of this sampler is the women who lived in the South and dared to make a change for themselves and for others

Keep Your Courage Carter Heyward, 2011 Carter Heyward is one of the most influential and controversial theologians of our time Under headings Speaking Truth to Power Remembering Who We Are and Celebrating Our Friends she reflects on how movements for gender and sexual justice reverberate globally In this volume of occasional pieces the lesbian feminist theologian bears witness to the sacred struggles to topple oppressive power These pieces illustrate feminist theology's bold and transformative engagement of its cultural political social and theological contexts Now forty years later while not as naive and utopian in my politics I am still enthusiastically committed as a Christian to struggles dedicated to building a world in which every person is entitled by law to basic human rights I have come to realize as I move along into my mid sixties that what justice loving people most need in these times and in all times is courage to speak and act on behalf of this world My desire in this book is to spark such courage and stir imagination from the Foreword *Kate* Kate Cumming, 1998-04-01
