MARTIN RHODES

Southern European Welfare States Between Crisis And Reform

JR Anderson

Southern European Welfare States Between Crisis And Reform:

Southern European Welfare States Martin Rhodes,1997 The collection provides a series of both comparative and specific country analyses furnishing new empirical detail and more general reflections on the character of social policy and welfare in Greece Italy Portugal and Spain *Southern European Welfare States* Martin Rhodes,2014-02-04 Southern European welfare states in common with their northern counterparts are under stress They have become the object of studies exploring the southern type or model of welfare This collection provides a series of both comparative and specific country analyses

Social Welfare Issues in Southern Europe Maria Brown,Michael Briguglio,2022-03-10 This volume is the first of its kind to discuss social welfare issues using case studies from a broad range of Southern European countries both large and small a decade after the financial crisis It identifies similarities and differences in the ways in which Southern European countries engage with specific welfare issues and examines whether Southern European welfare is distinct from that of the rest of the continent The book also engages with the impact of COVID 19 on the social welfare issues under investigation The volume is divided into four sections each examining in detail issues including employment education health sexuality globalization social movements and migration With its contributions from experts in the field the volume is recommended for academics researchers and students of sociology social policy economics education politics and social movements Chapters 1 and 5 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Globalization and European Welfare States Robert Sykes,D. Bouget,Pauline M. Prior,Jo Campling,2001-06-07 This book seeks to counter the recent trend of speculation about the impact of globalization upon welfare states It begins by asking two related questions What exactly is globalization How if at all has globalization been implicated in recent changes to European welfare states The book combines both theoretical and empirical analysis to provide a critical account of the relationship between globalization and change in European welfare states Firstly the key theoretical and conceptual debates are reviewed and the existing perspectives on globalization and welfare policy change are assessed The text moves on to explore and challenge the more apocalyptic economic perspectives on globalization and welfare that suggest permanent retrenchment The discussion includes an outline and assessment of the role of international organisations such as the World Bank and the EU All the major types of European national welfare system are considered Bismarkian Southern Central and Eastern European Nordic and Liberal Individual chapters outline recent welfare policy changes in the European countries of each system and the role of globalization in such changes This ground breaking text provides new empirical and theoretical perspectives on links between globalization and European welfare state change It will be important reading for students and academics in the fields of social policy politics international relations European studies and related fields

The Oxford Handbook of the Welfare State Daniel Béland,Kimberly J. Morgan,Herbert Obinger,Christopher Pierson,2021 This second edition is an

extensive revision of the first re written to reflect the change over the past ten years A comprehensive comparative introduction to everything that is important in the contemporary developed welfare state focusing on Western welfare states

Book jacket **Southern Europe?** Martin Baumeister,Roberto Sala,2015-10-08 Gegenw rtig erlebt der S den Europas in der ffentlichen Debatte eine neue Konjunktur Mit Vorliebe wird dabei ein europ ischer Nord S d Gegensatz heraufbeschworen ohne jedoch auf seine lange Geschichte zu blicken Wirtschaftlich und politisch unterentwickelt unterschieden sich Italien Spanien Portugal und Griechenland nach dem Zweiten Weltkrieg von den sogenannten westeurop ischen Gesellschaften Zu Beginn des 21 Jahrhunderts schien diese Ungleichheit überwunden Nun droht die Schuldenkrise den Kontinent erneut zu spalten Die Beitr ge hinterfragen g ngige Annahmen und Bilder von S deuropa und ergr nden inwiefern der S den einen homogenen Raum mit strukturellen Gemeinsamkeiten darstellt **Welfare State Transformation in the Yugoslav Successor States** Marija Stambolieva,2016-04-28 Welfare states are the product of economic political and social interactions and undergo changes as these interactions transform Existing welfare state theories mainly tend to explain the emergence and development of the welfare state in the western industrialized and capitalist world While the states of Central and Eastern Europe have recently been integrated in the academic discourse the countries of the former Yugoslavia have been predominantly excluded from comparative analysis Issues of nationalism and ethnic polarization have been prevalent there while socio economic issues have been put on the back burner This book explores what happened to the strong social states and relatively equal societies which existed in Slovenia Croatia Serbia and Macedonia and looks into what accounts for these diverse outcomes By investigating the applicability of the theories on welfare state development and typologization it fills in the gap in the welfare state literature It offers an original typology of social citizenship that takes into account the diversity of welfare policy formations across the region The aim of this typology is not to compete with existing ones but rather to offer a framework for better understanding of states that do not necessarily fit into known explanatory categories In a global context of changing economic circumstances and contending political responses macroeconomic policy and welfare state reform become order of the day By featuring the ways that states adjust to new pressures this book s arguments may come in handy to those trying to make sense of the crisis and the powers that drive the policy solutions **Unemployment in Southern Europe** Nancy G. Bermeo,2014-02-04 Unemployment is one of Southern Europe s most serious political problems Though much has been written about unemployment s causes and cures systematic attention to its consequences is lacking This collection of original essays deals with the effects of unemployment on regimes parties immigrants economies and families highlighting the differences and the similarities among Southern European states and offering lessons about the profound human consequences of unemployment in general Modern Spain Pamela Beth Radcliff,2017-03-07 Modern Spain 1808 to the Present is a comprehensive overview of Spanish history from the Napoleonic era to the present day Places a large emphasis on Spain s place within broader European and global history The chronological political narrative is

enriched by separate chapters on long term economic social and cultural developments This presentation of modern Spanish history incorporates the latest thinking on key issues of modernity social movements nationalism democratization and democracy

Recent Social Trends in Greece, 1960-2000 Dimitris Charalambis, Laura Maratou-Alipranti, Andromachi Hadjiyanni, 2004-02-25 The newest volume in the Comparative Charting of Social Change series highlights the main elements of demographic social political and economic development in Greece during the period 1960 2000 Based on a systematic analysis of available information and data this volume provides an overview of Greece s socio economic profile which changed significantly during the studied period The collapse of the dictatorship in 1974 and Greece s entry into the European Union EU in 1980 have led to a consolidation of democratic institutions and the improvement of living standards During the 1960s and 1970s the country experienced high rates of economic development and relatively low unemployment rates However this increase in economic development has slowed since the early 1980s and the unemployment rate has risen particularly among young people Consistent with recent social trends in other Western societies Greek society has become more tolerant and permissive with more diverse and flexible moral norms However the prevailing family model remains traditional and the Greek Orthodox Church continues to have a strong influence on many aspects of Greek society including social political and cultural life The organization of work also follows traditional patterns despite the introduction of new and flexible forms of employment Female participation in the labour market remains relatively low despite legislation and regulations that promote equality of opportunities between the sexes Consistent with recent social trends in other Western societies Greece s population is aging and the birth rate has stabilized at a relatively low level Contributors include Ioannis Antonopoulos Dimitri Economou University of Thessalia Evi Fagadaki Thomas Maloutas University of Thessalia Alberto Martinelli Ioannis Myrizakis Theodore Papadogonas Apostolos g Papadopoulos University of Ioannina Roy Panagiotopoulou Apostolis Rafailidis economist Paris Tsartas University of Aegean Kostas Yannakopoulos Elisabeth Allison Dionisis Balourdos Nikos Bouzas Kaliroi Daskalaki Amalia Frangiskou Emmy Fronimou Panayiotis Kafetzis Roxanne Kaftantzoglou John Kallas Chrysa Kappi Maria Ketsetzopoulou Helene Kovani Evdokia Manologlou Joannis Micheloyiannakis Aliki Mouriki Panagiota Papadopoulou Ioanna Papathanassiou Christos Papatheodorou Marina Petronoti Nikos Sarris Theoni Stathopoulou Hara Stratoudaki Haris Symeonidou Maria Thanopoulou Olga Tsakirides Joanna Tsiganou Christina Varouxu Efi Venizelou and Ersi Zacopoulou are all researchers at the National Centre for Social Research EKKE
