Readying her Norwegian sail training ship Sorlandet for a fresh voyage through the Shetland Islands Cass Lynch has the shock of her life when the new third officer is a ghost from her past the man she thought she'd left to drown in the Atlantic eleven years before Cass has an odd feeling about some of the new trainees a slick city boy and a brother and sister As her distrust of the newcomers deepens two people go missing and a third is found dead Struggling to confront the ghosts of her past the deceased of her present and the man of her future Cass must out manoeuvre the killer before she too becomes one of the victims Scottish Libraries ,1994 Whitaker's Books in Print ,1998 *The Household Journal* ,1910 **Scotland's Islands** Richard Clubley,2014-05-12

This is not a guide to the islands of Scotland This is not a tour to be followed nor is it travel advice This is a richly anecdotal and personal exploration Richard Clubley shares the sense of freedom he finds in the Scottish islands as he discovers their individual character beauty and diversity He meets locals and learns a few realities of island life He almost perished on Ailsa Craig before finding fresh water dripping from the roof of a cave but spends two idyllic nights alone on Mingulay with a fabulous coal fire in a bothy His passion for Scottish islands shines through every chapter Curl up by the fire pull the blanket close and sip on your dram You're about to escape to the islands Prepare for addiction A book for islanders to savour in sips Night caps are suggested that way the addiction can be controlled MAIRI HEDDERWICK *The Art Record* ,1901 The British National Bibliography Arthur James Wells,1993
