DAVID M. GLANTZ**

Soviet Documents On The Use Of War Experience Vol 1 The Initial Period Of War 1941

Paul Wanke

Soviet Documents On The Use Of War Experience Vol 1 The Initial Period Of War 1941:

Military Operations 1941 and 1942 Harold Steven Orenstein,1991 The Soviet Study of War series examines the lessons Soviet military theorists and commanders learned from the study of their own military experience These are translations of Soviet documents **The Initial Period of War on the Eastern Front, 22 June - August 1941** David M. Glantz,2012-11-12 Beginning with Operation Barbarossa the German invasion of the Soviet Union in June 1941 this volume draws upon eye witness German accounts supplemented with German archival and detailed Soviet materials Formerly classified Soviet archival materials has been incorporated The Evolution of Soviet Operational Art, 1927-1991 David M. Glantz,Harold S. Orenstein,2013-04-03 This collection of texts has been taken from formerly classified material in the official Red Army General Staff journal Military Thought The results are two volumes of great scope based on archival evidence They stand as a compulsory reference point for anyone with an interest in the operational endeavours of the Soviet Army from the 1920 s onward *Russian/Soviet Military Psychiatry 1904-1945* Paul Wanke,2005-07-08 Psychiatry like most professional fields in Russia gained its legitimacy from its ability to serve the Tsar and later the Bolshevik party The militarised nature of these governments meant that psychiatry would have to prove its worth to the military This study will cover Russian Soviet military psychiatry from its first practical experience during the Russo Japanese war to its greatest test during the Great Patriotic War 1941 45 Throughout this study the continuity between Russian and Soviet military psychiatry will be emphasised For example psychiatry s materialist school dominated throughout this period and that Russia s acceptance that psychiatric casualties will occur allowed them to focus their resources on treatment rather than prevention **The Soviet Invasion of Finland, 1939-40** Carl Van Dyke,2013-01-11 Western accounts of the Soviet Finnish war have been reliant on Western sources Using Russian archival and previously classified secondary sources to document the experience of the Red Army in conflict with Finland Carl Van Dyke offers a reassessment of the conflict *The Bear Went Over the Mountain* Lester W. Grau,2012-07-26 This collection of vignettes was written by Soviet junior officers describing their experiences fighting the Mujahideen guerillas It is not a history of the Soviet Afghan war but snapshots of combat as seen by young platoon leaders company commanders battalion commanders and military advisers *Battle for the Ukraine* David M. Glantz,Harold S. Orenstein,2004-11-23 A comprehensive guide to the battle for the Ukraine from the Soviet perspective during the winter of 1943 1944 This volume is an unexpurgated translation of the originally classified Soviet General Staff Study No 14 *Fallen Soviet Generals* Aleksander A. Maslov,2016-01-20 No war has caused greater human suffering than the Second World War on Germany s Eastern Front Victory in the war cost the Red Army over 29 million casualties whose collective fate is only now being properly documented Among the many millions of soldiers who made up that gruesome toll were an unprecedented number of Red Army general officers Many of these perished on the battlefield or in prison camps at the hands of their German tormentors Others fell victim to equally terrifying Stalinist repression Together these generals

personify the faceless nature of the war of the Eastern Front the legions of forgotten souls who perished in the war Covered up for decades the saga of these victims of war can now be told and in this volume A A Maslov begins the difficult process of memorializing these warrior casualties Using formerly secret Soviet archival materials and personal interviews with the families of the officers he painstakingly documents the fate of Red Army generals who fell victim to wartime enemy action

The Evolution of Soviet Operational Art, 1927-1991: Operational art, 1927-1964 David M. Glantz, 1995 Soviet military theoretical theories are revealed in the words of those who created them in peacetime and applied them in war This collection of texts has been taken from formerly classified material in the official Red Army General staff journal **The Evolution of Soviet Operational Art, 1927-1991: Operational art, 1965-1991** , 1995 Soviet military theoretical theories are revealed in the words of those who created them in peacetime and applied them in war This collection of texts has been taken from formerly classified material in the official Red Army General staff journal

Reviewing **Soviet Documents On The Use Of War Experience Vol 1 The Initial Period Of War 1941**: Unlocking the Spellbinding Force of Linguistics
