## **The Gunfighters:**

The Gunfighters Bryan Burrough,2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of *The Big Rich* and *Forget the Alamo* comes an epic reconsideration of the time and place that spawned America's most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there's much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It's never stopped *The Gunfighters* brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story Gunfighter Nation Richard Slotkin,1998 Examines the ways in which the frontier myth influences American culture and politics drawing on fiction western films and political writing

*Gunfighters, Highwaymen, and Vigilantes* Roger D. McGrath,2023-11-15 From the Preface On the frontier says conventional wisdom a structured society did not exist and social control was largely absent law enforcement and the criminal justice system had limited if any influence and danger both from man and from the elements was ever present This view of the frontier is projected by motion pictures television popular literature and most scholarly histories But was the frontier really all that violent What was the nature of the violence that did occur Were frontier towns more violent than cities in the East Has America inherited a violent way of life from the frontier Was the frontier more violent than the United States is today This book attempts to answer these questions and others about violence and lawlessness on the frontier and do so in

a new way Whereas most authors have drawn their conclusions about frontier violence from the exploits of a few notorious badmen and outlaws and from some of the more famous incidents and conflicts I have chosen to focus on two towns that I think were typical of the frontier the mining frontier specifically and to investigate all forms of violence and lawlessness that occurred in and around those towns From the Preface On the frontier says conventional wisdom a structured society did not exist and social control was largely absent law enforcement and the criminal justice system had limited if any influence and danger both from man and from the e [Gunfighters](#) Al Cimino,2016-08-24 Delve into the world of the Wild West and the gunslingers that populated its dusty towns and saloons [Encyclopedia of Western Gunfighters](#) Bill O'Neal,1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who s who of the violent West *The Gunfighters* Dale T. Rosa,1979-10-01 Introduces some of the gunfighting legends of the West both criminals and law officials and attempts to explore the realism of accounts of their feats **Age of the Gunfighter** Joseph G. Rosa,1995 Joseph G Rosa s vivid and expertly written tale of this violent time combines contemporary accounts with meticulous historical research and an unjaundiced appraisal of the facts Telling the story of every major gunfighter peace officer and outlaw of the West Rosa places them within the context of a violent frontier and the coming of law and order Complementing the text are twenty seven outstanding color spreads featuring firearms from the Gene Autry Western Heritage Museum Los Angeles and the Buffalo Bill Historical Center Cody Many of the spreads contain guns owned and used by such well known individuals as Pat Garrett Billy the Kid Doc Holliday Wyatt Earp Wild Bill Hickok John Wesley Hardin Frank James and Harvey Logan [The Gunfighter of Cibola](#) Pasquale De Marco,2025-04-18 Embark on a thrilling journey to the untamed West with *The Gunfighter of Cibola* a captivating exploration of life on the American frontier Step into the town of Cibola a melting pot of pioneers outlaws and dreamers where the harsh realities of the untamed West test the mettle of its inhabitants Meet the enigmatic gunfighters guided by an unwritten code of honor and loyalty who played a pivotal role in shaping Cibola s destiny Their actions both noble and ruthless left an indelible mark on the town and its people Beyond the tales of gunfights and outlaws Cibola grapples with its own internal struggles Greed corruption and power struggles threaten to tear the town apart while the battle for justice rages against the forces of darkness Yet amidst the chaos and despair the bonds of family and community endure as a beacon of hope *The Gunfighter of Cibola* delves into the complexities of life on the untamed frontier exploring themes of justice redemption loyalty and the indomitable spirit that shaped the American West Through the intertwining stories of its inhabitants the book paints a vivid portrait of a community struggling to forge a new destiny in a land of both promise and peril As the town of Cibola evolves so too do its people leaving behind a legacy that continues to inspire generations to come *The Gunfighter of Cibola* is a testament to the resilience and adaptability of the human spirit a timeless tale that captures the essence of the American frontier experience If you like this book write a review on google
