**II The Prophets; Book III The New Covenant** J. K. Alexander,2019-11-27 With facts and information insightful commentary and even a few flights of fantasy The Story Behind the Bible trilogy weaves a magnetic journey through the ancient texts of the Bible for believers and non believers alike It s a journey that can draw readers into a universe that is larger and more incredible than they ever thought possible A highly comprehensive overview of the entire Bible the trilogy also proves that the prophets of scripture made impossible and miraculous predictions and prophecies concerning future events including our current era and virtually proves that God s hand steers the broad stream of world history Now over two thousand years hence much of scripture has been misinterpreted misapplied or simply lost to traditions and folklore The books address those issues with commentary and doctrine and through the elegant story and amazing people of the New Testament bring the biblical story to a triumphant end **Warriors in High Heels** Zaidie Crowe Carnegie,2007-06
