The Hart Of Texas:

The Hart of Texas Naomi E. Giroux, 2000-03-20 The Hart of Texas brings Katie and her daughter Sarah to Texas from New York State Katie's husband was killed the previous Christmas by a drunk driver Sarah's grandparents are smothering and manipulating Katie and Sarah Distance from the controlling relatives is needed The small western town they chose to settle in is very different from the green hilly East Ben Hart and his extended family have owned the large ranch for generations Ben's past experiences with love and marriage have left deep pain and fear of commitment His sister in law Elizabeth realizes that Ben and Katie need each other and members of her family need the love Sarah and Katie can bring The story follows these ordinary people as they develop an extraordinary love in *The Hart of Texas* *At the Heart of Texas* Richard B. McCaslin, 2014-04-01 History like that of Texas is rare Is it not discreditable to the people of Texas that they should leave the collection of material for the history of the State to the great endowed Northern libraries Let Texas arouse herself for very shame and begin at once the discharge of her filial duty So wrote George Pierce Garrison in the first issue of the Quarterly of the Texas State Historical Association published in July 1897 just months after the establishment of the organization on March 2 The state of Texas was just half a century old the city of Austin going back to the days of the Republic was a little older a few years past its half century and the University of Texas where Garrison was the history professor was not yet fourteen Earlier attempts to organize historical societies in Texas traced in the opening chapter illuminate the factors that came ultimately to be decisive in the success of the Association the wisdom in linking the organization with the University of Texas the inclusion of lay historians and the continued insistence on high academic standards And from the beginning the Association has established a tradition for publishing in the Quarterly in addition to the Anglo story the stories of the Indians the Spanish and the French According to author Richard B McCaslin It may be that the Association survived where its predecessors had not because Garrison who was as much a Progressive historian as any of his contemporaries understood the value of inclusiveness The text is organized in chronological chapters by the tenures of the seven directors George Garrison to Ron Tyler all of whom were professors in the UT history department Within the larger framework of the directors the programs and the publications McCaslin gives shape to the unique interaction of forces university political and the academic lay membership that has accorded the Association a character and suppleness that continues to ensure its long endurance The book is profusely illustrated and sidebars culled from past issues of the Quarterly complement the text Winner of the Award of Merit from the Philosophical Society of Texas *Battle for the Heart of Texas* Mark Owens, Ken Wink, Kenneth Bryant, 2022-08-11 Texas is a solid red state Or trending purple Or soon to be blue One thing is certain as Texas looms ever larger in national politics the makeup of its electorate increasingly matters At a critical moment as migration immigration and a maturing populace alter the state's political landscape this book presents a deeply researched data rich look at who Texas voters are what they want and what it might mean for the future of the Republican

and Democratic parties the state and the nation Battle for the Heart of Texas goes beyond the pronouncements of leaders and pundits to reveal voters nuanced opinions about the 2020 Democratic primary candidates state and national Republicans responses to the Covid 19 pandemic and issues such as immigration and gun policy Working with an unprecedented cache of polling figures and qualitative data from surveys and focus groups the product of a cooperative effort between the Dallas Morning News and The University of Texas at Tyler Mark Owens Kenneth A Wink and Kenneth Bryant Jr provide an in depth examination of what is reshaping voter preferences across Texas including the partisan impact of the urbanization and nationalization of state politics Their analyses pinpoint the influence of race media exposure ideological diversity within the parties and geographic variation across the state detailing how Texas politics has changed over time Race may not have typically defined Texas politics for instance but the authors find that rhetoric on policies related to race are now shaping the electorate The diversity in civic engagement among the Latino community also emerges from the data compounded and complicated by the growth of the Latino population of voting age The largest red state in the country with the second largest population Texas is crucial to the way we think about political change in America and this book amply and precisely equips us to understand the bellwether state s changing politics

Norsemen Deep in the Heart of Texas Gunnar

Nerheim,2024-06-18 As historian Gunnar Nerheim states in his introduction Norway is a foreign country to Texans and Texas is a foreign country to Norwegians Neither in Norway nor Texas has there been any awareness that so many Norwegians settled in antebellum Texas Norsemen Deep in the Heart of Texas brings Norwegian settlement in Texas to light and in doing so offers the first ever comprehensive history of Norwegians in Texas Fluent in both English and Norwegian Nerheim has done what no other historian has done by combining primary and secondary sources from both languages and both countries A well established European scholar Nerheim examines these never before referenced sources telling the story of Norwegian immigration to Texas explaining the contexts of Norwegian immigration to Texas in the nineteenth and early twentieth centuries and uncovering its significance to the histories of both countries The larger historical context reveals that immigration to Texas operated as part of dynamic circumstances on both sides of the Atlantic including slavery and the Civil War Drawn from the perspectives of both regions the history of Norwegian settlement in Texas provide new insights into European immigration Readers interested in Texas Norwegian and trans Atlantic history as well as nineteenth century immigration will find new horizons in Norsemen Deep in the Heart of Texas

Brush Men and Vigilantes David

Pickering,Judy Falls,2000 As Charles Frazier s novel Cold Mountain dramatized dissenters from the Confederacy lived in mortal danger across the South In scattered pockets from the Carolinas to the frontier in Texas some men clung to a belief in the Union or an unwillingness to preserve the slaveholding Confederacy and they died at the hands of their own neighbors Brush Men and Vigilantes tells the story of how dissent fear and economics developed into mob violence in a corner of Texas the Sulphur Forks river valley northeast of Dallas Authors David Pickering and Judy Falls have combed through court records

newspapers letters and other primary sources and collected extended family lore to relate the details of how vigilantes captured and killed more than a dozen men The authors story begins before the Civil War as they describe the particular social and economic conditions that gave rise to tension and violence during the war Unlike most other parts of Texas the Sulphur Forks river valley had a significant population of Upper Southerners some of whom spoke out against secession objected to enlisting in the Confederate army or associated with Union men For some of them safety meant disappearing into the tangled brush thickets of the region Routed from the thicket or gone to ground there dissenters faced death Betrayed by links to a well known Union guerrilla from the Sulphur Forks area more men of the area were captured tried in mock courts and hanged Other men met their death by sniper fire or private execution as in the case of brush man Frank Chamblee who for years eluded his enemies by clever tricks but was finally gunned down after the war reportedly by one of the area s most prominent men Anyone with an interest in the new history of the Civil War or Texas should find much to digest in this compelling book whose authors Richard B McCaslin congratulates for taking their place in the ranks of Texas literary reconstructionists

Murder and Mayhem James Smallwood, Barry A. Crouch, Larry Peacock, 2003 In the states of the former Confederacy Reconstruction amounted to a second Civil War one that white southerners were determined to win An important chapter in that undeclared conflict played out in northeast Texas in the Corners region where Grayson Fannin Hunt and Collin Counties converged Part of that violence came to be called the Lee Peacock Feud a struggle in which Unionists led by Lewis Peacock and former Confederates led by Bob Lee sought to even old scores as well as to set the terms of the new South especially regarding the status of freed slaves Until recently the Lee Peacock violence has been placed squarely within the Lost Cause mythology This account sets the record straight For Bob Lee a Confederate veteran the new phase of the war began when he refused to release his slaves When Federal officials came to his farm in July to enforce emancipation he fought back and finally fled as a fugitive In the relatively short time left to his life he claimed personally to have killed at least forty people civilian and military Unionists and freedmen Peacock a dedicated leader of the Unionist efforts became his primary target and chief foe Both men eventually died at the hands of each other s supporters From previously untapped sources in the National Archives and other records the authors have tracked down the details of the Corners violence and the larger issues it reflected adding to the reinterpretation of Reconstruction history and rescuing from myth events that shaped the following century of Southern politics

The Texas Court Reporter, 1902

Lost And Found (A Dog Lover's Texas K-9 Medical Suspense Thriller): September Day & Shadow Thriller Series #1 Amy Shojai, 2017-11-11 Riveting heart wrenching and brilliant James Rollins New York Times bestseller She doesn t trust people But can she team up with a service puppy to catch a murderer Read the explosive first in series Fall in love with heart pumping fast paced action brimming with amateur sleuthing and loyal dogs THE DOG NEVER DIES BUT THE BAD GUYS GET JUSTICE With plenty of thrills you ll cheer for the service dog story and get hooked on the crazy suspenseful secrets in
