The Haunted Piano Steve Taylor, 2005-07 The Haunted Piano A piano with strange powers comes between two lovers whose sex life is waning and relationship is falling apart The Nature of Fire A young man communicates with a restless spirit and discovers the secret of the specter's violent death and what happens when the living and dead try to touch The Devil Knows His Own Mysterious rites of a backwaters Fundamentalist Baptist Church haunt a young man as he experiences love for the first time Losing My Religion The discovery of an early Christian painting in Rome and a meeting with a vampire provoke a crisis of faith for a young seminarian Grope The erotic exploits of an S M back room hold a dark spell over a young doctor by night affecting his personal life and profession by day Last Date A broken hearted young man decides to give himself over to suicide by being a serial killer s final victim The Tales of Haunted Nights (Gothic Horror: Bulwer-Lytton-Series) Edward Bulwer-Lytton, 2023-12-15 In The Tales of Haunted Nights Edward Bulwer Lytton masterfully weaves a collection of Gothic horror stories that delve into the macabre and the supernatural His literary style is characterized by lush evocative language and intricate narrative structures capturing the eerie atmospheres of Victorian England The tales explore existential themes the darker aspects of human nature and the psychological underpinnings of fear positioning them within the broader context of 19th century Gothic literature Bulwer Lytton's ability to blend romance with horror creates a rich tapestry of emotions and tension inviting readers into a world where the uncanny becomes intimately familiar Edward Bulwer Lytton a prominent Victorian novelist and playwright was deeply influenced by the literary currents of his time including Romanticism and the rise of the Gothic genre His early works reflected an engagement with metaphysical questions and societal norms which likely informed his fascination with the supernatural and its implications on the human psyche A politician and social thinker Bulwer Lytton was also driven by an interest in spiritualism making his exploration of themes like the afterlife and moral ambiguity particularly resonant The Tales of Haunted Nights is highly recommended for enthusiasts of Gothic literature and those intrigued by the complexities of fear and the supernatural Bulwer Lytton's nuanced storytelling offers not just chilling thrills but a deep exploration of what haunts the human condition This collection will undoubtedly captivate readers who seek both suspense and intellectual engagement within the eerie shadows of the night The Encyclopedia of the Gothic, 2 Volume Set William Hughes, David Punter, Andrew Smith, 2015-12-21 THE ENCYCLOPEDIA OF THE GOTHIC Well written and interesting it is a testament to the breadth and depth of knowledge about its central subject among the more than 130 contributing writers and also among the three editors each of whom is a significant figure in the field of gothic studies A reference work that s firmly rooted in and actively devoted to expressing the current state of academic scholarship about its area New York Journal of Books A substantial achievement Reference Reviews Comprehensive and wide ranging The Encyclopedia of the Gothic brings together over 200 newly commissioned essays by leading scholars writing on all aspects of the Gothic as it is currently taught and researched along

with challenging insights into the development of the genre and its impact on contemporary culture The A Z entries provide comprehensive coverage of relevant authors national traditions critical developments and notable texts that continue to define shape and inform the genre The volume's approach is truly interdisciplinary with essays by specialist international contributors whose expertise extends beyond Gothic literature to film music drama art and architecture From Angels and American Gothic to Wilde and Witchcraft The Encyclopedia of the Gothic is the definitive reference guide to all aspects of this strange and wondrous genre The Wiley Blackwell Encyclopedia of Literature is a comprehensive scholarly authoritative and critical overview of literature and theory comprising individual titles covering key literary genres periods and subdisciplines Available both in print and online this groundbreaking resource provides students teachers and researchers with cutting edge scholarship in literature and literary studies The Woman's Film of the 1940s Alison L. McKee,2014-04-03 This book explores the relationship among gender desire and narrative in 1940s woman's films which negotiate the terrain between public history and private experience The woman's film and other form of cinematic melodrama have often been understood as positioning themselves outside history and this book challenges and modifies that understanding contextualizing the films it considers against the backdrop of World War II In addition in paying tribute to and departing from earlier feminist formulations about gendered spectatorship in cinema McKee argues that such models emphasized a masculine centered gaze at the inadvertent expense of understanding other possible modes of identification and gender expression in classical narrative cinema She proposes ways of understanding gender and narrative based in part on literary narrative theory and ultimately works toward a notion of an androgynous spectatorship and mode of interpretation in the 1940s woman s film Copper Coleson's Ghost Edward P. Hendrick, 2023-10-26 In Copper Coleson's Ghost Edward P Hendrick weaves a rich tapestry of historical fiction steeped in the intricate connections between memory loss and the quest for redemption Set against the backdrop of a small mining town the narrative is marked by Hendrick's lyrical prose and poignant imagery capturing the dualities of hope and despair The book explores the complexities of familial relationships and the spectral influence of the past drawing on themes relevant to the psychological landscape of contemporary society Edward P Hendrick a seasoned writer and scholar with a deep understanding of American folklore and history crafted this narrative as a reflection of his own encounters with the haunting legacies of those who came before us His extensive research into the socio economic conditions of mining communities allowed him to infuse the novel with authenticity and depth rooting the fictional struggles of his characters in real world issues Copper Coleson's Ghost is a compelling read for anyone intrigued by the interplay between history and personal identity Hendrick's masterful storytelling invites readers to reflect on the ghosts that linger in their own lives making this book a profound exploration of what it means to confront one s past New York Magazine, 1991-05-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and
