The Haven Carol Lynch Williams,2014-03-04 For the teens at The Haven the outside world just beyond the towering stone wall that surrounds the premises is a dangerous unknown It has always been this way ever since the hospital was established in the year 2020 But The Haven is more than just a hospital it is their home It is all they know Everything is strictly monitored education exercise food and rest The rules must be followed to keep the children healthy to help control the Disease that has cast them as Terminals the Disease that claims limbs and lungs and memories But Shiloh is different she remembers everything Gideon is different too He dreams of a cure of rebellion against the status quo What if everything they ve been told is a lie What if The Haven is not the safe place it claims to be And what will happen if Shiloh starts asking dangerous questions Powerful and emotional The Haven takes us inside a treacherous world in which nothing is as it seems Imagine Anna Quindlen or Sue Miller turning her attention to writing a young adult novel and you have an idea of what Carol Lynch Williams has done for early teen readers Audrey Coulombis author of the Newbery Honor Book *Getting Near to Baby*
