The Second World War and the 'Other

British Isles' Daniel Travers,2018-06-28 What is often held to be Britain's finest hour the Second World War was not experienced so uniformly across the British Isles On the margins the war was endured in profoundly different ways While D Day or Dunkirk is embedded in British collective memory how many Britons can recall that Finns were interned on the Isle of Man that enemy soldiers developed British infrastructure in Orkney or that British subjects were sent to concentration camps from Guernsey Such experiences tangential to the dominant British war narrative are commemorated elsewhere in the other British Isles In this remarkable contribution to British Island Studies Daniel Travers pursues these histories and their commemoration across numerous local sites of memory museums heritage sites and public spaces He examines the way these island identities assert their own distinctiveness over the British wartime story and ultimately the way they fit into the ongoing discourse about how the memory of the Second World War has been constructed since 1945 *Royal Fever* Cele C. Otnes,Pauline Maclaran,2015-10-19 No monarchy has proved more captivating than that of the British Royal Family Across the globe an estimated 2.4 billion people watched the wedding of Prince William and Catherine Middleton on television In contemporary global consumer culture why is the British monarchy still so compelling Rooted in fieldwork conducted from 2005 to 2014 this book explores how and why consumers around the world leverage a wide range of products services and experiences to satisfy their fascination with the British Royal Family brand It demonstrates the monarchy's power as a brand whose narrative has existed for more than a thousand years one that shapes consumer behavior and that retains its economic and cultural significance in the twenty first century The authors explore the myriad ways consumer culture and the Royal Family intersect across collectors commemorative objects fashion historic sites media products Royal brands and tourist experiences Taking a case study approach the book examines both producer and consumer perspectives Specific chapters illustrate how those responsible for orchestrating experiences related to the British monarchy engage the public by creating compelling consumer experiences Others reveal how and why people devote their time effort and money to Royal consumption from a woman who boasts a collection of over 10 000 pieces of British Royal Family trinkets to a retired American stockbroker who spends three months each year in England hunting for rare and expensive memorabilia *Royal Fever* highlights the important role the Royal Family continues to play in many people's lives and its ongoing contribution as a pillar of iconic British culture **Australian national bibliography**,1961 The History Highway Dennis A. Trinkle,Scott A. Merriman,2006 Guide to history sites on the web for students teachers and researchers Offers the most current coverage of historical information available on the Internet All sites have been thoroughly checked by specialists in the relevant field of history Covers U S and World history Journal of the Royal Asiatic Society of Great Britain & Ireland,1919 Has appendices Royal London Karen Pierce Goulding,2012-04-18 Where is the only tube station where a crown prince has died Where is the oak tree where Good Queen Bess took her rest Which Queen befriended the Elephant Man and played a part in the development of the modern Olympic Games Where are the favourite shopping haunts of today's young

royals From Westminster to Greenwich Kensington to the Tower of London no other city in the world is steeped in quite as much royal history as London Overflowing with royal boroughs royal palaces royal parks and gardens London has played host to key historical events for over a thousand years Royal London brings together the best of the drama and intrigue of royal history and guides readers to the very spot where the events happened Topics covered also include Royals round the monopoly board Royals sporting London Royal stops on the underground Royal food and drink Areas named after royals Royal monuments statues plaques Royals and the military Royal plots and conspiracies A unique and indispensable guide for Londoners and visitors alike with an interest in all things royal
