Schiff,Leon Klenicki,2003 This source for everything Jewish provides a quick reference in text and images for everything from the biblical Adam to how many Jews there are in Zanesville Ohio The main emphasis is on Jewish life in the United States and Israel and the rest of the world 2008, 000 00 0000 **The Passover Haggadah** Vanessa L. Ochs,2020-03-17 This telling of the life of the Haggadah probably the most beloved of books that Jews own chronicles its recalibrations over time It moves from its early sources in the Bible and rabbinic literature to the years it was a handwritten manuscript to its life as an illuminated book in the middle ages to its emergence as mass produced printed book and later as an artist s book to its iterations in the twentieth century in America and Israel including those using emerging technologies of our day It is the story of a liturgical text came about to fulfill a biblical injunction to fathers to tell the story of the Exodus from Egypt to their children literally to their sons And you shall tell your son on that day It is because of what the Lord did for me when I went free from Egypt Exodus 13 8 Despite significant flaws in the text that have occasioned thousands of revisions it remains well and alive

because it allows its users to transmit the story of Exodus as if it happened to them With a Haggadah in hand at a Passover seder meal the text kindles the memory of belonging to a people who knew slavery and then liberation and enlivens empathy An engagement with the Haggadah inevitable leaves one feeling responsible for helping others to achieve their own liberation

Communication in the Jewish Diaspora Menahem Blondheim, Hananel Rosenberg, 2020-09-16 The Jewish diasporic experience stands out in its remarkable scope duration and cohesiveness Communication is the dynamic mechanism that negotiates the interplay of these factors hence this volume on Jewish Diasporic Communications The Jewish Diaspora is unique in another way too through most of their exilic experience Jews did not have a geographical center to which they could orient themselves The perspective guiding this volume is that the center of the Jewish Diaspora has been the communicative network linking its scattered communities in space and the media serving its continuity through historical time This Diasporic network has sustained a common flow of shared content between Jews and Jewish communities let alone the imagination of connectedness Thus Diaspora Jews as Jews and the People they comprise existed to invoke John Dewey in communication The studies in this volume spanning antiquity and modernity and crossing disciplinary boundaries provide together a broad ranging and in depth account of how a People can survive for millennia without a homeland but in communication

Rain and Resurrection How the Talmud and Science Read the World

Irvin Cohen, 2010-02-12 This book presents a set of essays interpreting excerpts from the Talmud that illustrate values essential to Western science. It includes another set of essays interpreting the function of interpretation in the method of science to associate Talmudic and post modern concepts. *Remembering the Future* Emma O'Donnell, 2015 Common to both Judaism and Christianity is a heightened engagement with time within liturgical practice in which collective religious memory and anticipation come together to create a unique sense of time. Exploring the nebulous realms of religious experience and the sense of time *Remembering the Future* charts the ways that the experience of time is shaped by the traditions of Judaism and Christianity and experienced within their ritual practices. Through comparative explorations of traditional Jewish and Christian understandings of time, contemporary oral testimonies and discussions of the work of select twentieth century Jewish and Christian thinkers, this book maps the temporal landscapes of the religious imagination. Maintaining that the sense of time is integral to Jewish and Christian religious experience, *Remembering the Future* makes a notable contribution to interreligious studies and liturgical studies. It sheds light on essential aspects of religious experience and finds that the intimacy of the experience of time grants it the capacity to communicate across religious boundaries subtly transgressing obstacles to interreligious understanding.
