The Handbook Of Survival At Sea

Frank Golden, Michael J. Tipton

The Handbook Of Survival At Sea:

The Handbook of Survival at Sea Chris Beeson, 2003 How would you cope if you found yourself isolated miles from civilization Would you have the necessary tools to survive Unless they had received some level of military training most people would struggle badly if faced with such a scenario but imagine if the terrain was water and you were stranded in the middle of one of the world's oceans The Handbook of Survival at Sea confronts this daunting scenario head on and offers the reader a variety of solutions to overcome the hardships that any survivor would inevitably face This book is packed with practical information and insight tips such as how to avoid burning oil on the surface of the water how to construct your own raft how to minimize the risks of shark attacks and how to make unpalatable seawater safe for drinking Being stranded at sea is a terrifying experience but one that everyone should be prepared for Whether you are an unfortunate victim of a shipwreck or have merely become disorientated during an afternoon's sailing this book crammed with essential tips will be your best chance of survival

Handbook of Survival at Sea Chris Beeson, 2007-12-01 Would you have the necessary skills to survive if you found yourself stranded in the middle of the ocean This guide offers the sailor a variety of solutions to overcome the hardships that any survivor would inevitably face It is packed with practical info emergencies in coastal waters raising the alarm abandoning a damaged ship navigation obtaining safe food attracting rescue making a safe landfall 120 illus

Sea Survival Handbook Keith Colwell, 2009-06-23 A full scale reference book for everyone boarding a seafaring vessel The information is accessible concise up to date and potentially lifesaving This is a weapon against ignorance at sea and a no brainer buy for all those who are interested in the safety of their passengers their boats and themselves The book covers everything from emergency radio operation proper employment of safety equipment to survival and first aid in the water It also includes a full glossary and index It was originally published in the UK this year by the Royal Yachting Association RYA

Essentials of Sea Survival Frank Golden, Michael J. Tipton, 2002-06-13 Essentials of Sea Survival contains original scientific research and investigations from two internationally recognized experts on cold water survival In addition to having practical personal experience with cold water immersion Frank Golden and Michael Tipton regularly lecture at various international conferences about water survival and they are frequently called on for expert commentary on television and radio The majority of books on this subject are personal survival accounts few relate to scientific studies This book is different Using reader friendly language two leading environmental physiologists present the facts and dispel the myths of surviving a sea accident The book thanks to the real life stories and easy to read format will appeal primarily to the layperson who works or plays on or near the water The text will also be of interest to an academic audience who will appreciate the original research and up to date physiological and medical information Essentials of Sea Survival is a compelling informative and comprehensive guide to open water survival Drawing from classic maritime disasters and personal accounts of near miraculous survival as well as carefully controlled laboratory experiments it offers practical advice

for avoiding as well as surviving a cold water accident It s an important reference for anyone associated with open air aquatic activities such as members of the Coast Guard Navy and Marines offshore oil rig employees fishermen divers amateur and professional sailors water safety instructors and life guards water rescue personnel boaters water skiers outdoor survival course instructors and other recreational water sports enthusiasts **Handbook of Personal Equipment** United States.
