## **The Hanged Man A Joshua Croft Mystery:**

**The Hanged Man** Walter Satterthwait, 2012-04-10 When a gathering of psychics astrologers and New Age practitioners turns deadly a Santa Fe PI must find a killer in this entertaining adventure Publishers Weekly Thirteen prominent members of Santa Fe s New Age spiritualism community attended a meeting at the home of a couple of enthusiastic devotees Only twelve of them survived it Private investigator Joshua Croft prides himself on his even handed eminently rational approach to crime solving So he feels like a fish out of water surrounded by a motley group of true believers in the wacky and weird But someone in this bizarre crowd murdered self styled magic doer Quentin Bouvier hanging him from the ceiling rafters with a scarf belonging to Tarot card reader Giacamo Bernardi And Bernardi s attorney wants Croft to bring the real killer to justice Perhaps Bouvier s slaying had something to do with a very rare and expensive antique Tarot card that the hanged man recently purchased which is now unsurprisingly missing However getting down to earth answers from people who occupy a different reality won t be easy But when more New Agers suddenly depart this mortal plane Croft needs to up the ante to catch a killer who s not playing with a full deck

**Miss Lizzie** Walter Satterthwait, 2012-04-10 The notorious Lizzie Borden investigates a brutal axe murder that s strangely reminiscent of her own alleged crimes in this entertaining historical novel The New York Times It has been thirty years since a Massachusetts jury acquitted Lizzie Borden of brutally murdering her father and stepmother Now at the start of the 1920s she s an aging spinster living a quiet secluded life by the New England seashore Young Amanda Burton has heard all the stories but nothing can dissuade her from spending time with the lonely old woman next door who shows her card tricks and smells of cigars At age thirteen Amanda s been left to her own devices during a rather dull and swelteringly summer long family vacation and Miss Lizzie is the perfect distraction But when Amanda stumbles upon her own despised stepmother s corpse the brutal crime seems eerily similar to a certain double axe slaying in Fall River three decades earlier Naturally the whole town immediately suspects Lizzie The local police though are open minded enough to consider Amanda s brother and father to be viable suspects as well To help her young friend and clear her own name again Lizzie must sharpen her sleuthing skills to find a fiendish killer with an axe to grind *New York Nocturne* Walter Satterthwait, 2016-06-07 Lizzie Borden and Amanda Burton join forces with Dorothy Parker to solve a grisly murder in Prohibition era New York in this assured and witty mystery Publishers Weekly Sixteen year old Amanda Burton is thrilled to be spending the summer in New York City at her glamorous uncle John s apartment in the Dakota while her parents are off visiting Tibet It s 1924 the decade is roaring and she s out on the town every night with her father s flamboyant younger brother seeing Broadway shows going to fancy restaurants and speakeasies meeting John s rich and famous friends and even an occasional gangster It s all great fun until the morning she stumbles upon her uncle dead on the floor with a hatchet blade buried in his skull And with Amanda as the prime murder suspect the New York City cops consider the case as good as closed Luckily the hapless teen has an old ally in town the infamous albeit acquitted alleged axe

murderess Lizzie Borden Miss Lizzie and her new pal the renowned acerbic wit Dorothy Parker are on the job faster than you can say Forty whacks But trolling the glittering New York night scene and underworld for a killer can be a dangerous occupation for an old lady with a shady past a sharp witted literary icon and a teenager with a history of violently losing relatives especially when they keep turning up dead bodies

**Wilde West** Walter Satterthwait, 2012-04-10 A ruthless killer shadows Oscar Wilde across the frontier in this perfect blend of mystery satire and travelogue by the author of Miss Lizzie Publishers Weekly An outrageously controversial literary icon in Great Britain Irish poet novelist and playwright Oscar Wilde has taken his act to America in 1882 The renowned wit is thrilling audiences on his tour of the American West while gleefully soaking in the rugged ambiance of dusty cow towns and rough saloons But all isn't well on the lecture circuit At every stop soon after Wilde's arrival eviscerated corpses of redheaded prostitutes are turning up a grim coincidence that hasn't been lost on dour alcoholic federal marshal Bob Grigsby Apparently there's a serial killer hiding among the writer's traveling entourage a motley group of managers servants and European aristocrats that has lately included the famed gunman John Doc Holliday Between his liaisons with married admirer Elizabeth McCourt Doe and fending off potential assaults by unamused cowboys the flamboyant dandy decides it might be prudent to assist Grigsby in his investigation After all his reputation has already been savaged Unmasking a killer might help to repair it as long as the manhunt remains entertaining enough and Wilde lives to quip another day

**Wall of Glass** Walter Satterthwait, 2012-04-10 In the first book of a promising Southwestern mystery series a Santa Fe PI's search for a stolen necklace leads to drugs pornography and murder The New York Times Book Review As an associate at Santa Fe's Mondragon Detective Agency Joshua Croft has heard a lot of strange proposals But nothing stranger than when a cowboy comes in and asks him to help fence a stolen 100 000 necklace Thinking he has a deal with Croft the cowboy leaves as mysteriously as he arrived The next day he turns up dead riddled with bullets and the insurance company that already settled the claim for the necklace's wealthy owners wants Croft's beautiful wheelchair bound boss Rita Mondragon and her agency to get the missing jewelry back As Croft starts to dig into the slain cowboy's seedier more sinister associates as well as the private lives of a privileged family with enough skeletons in their closets to populate a graveyard he uncovers a lot more than some stolen jewels pornography drugs Native American grave robbing and multiple murders Now he just has to stay alive long enough to put all the pieces together

**A Flower in the Desert** Walter Satterthwait, 2012-04-10 Suspenseful plotting another satisfying Joshua Croft adventure as the Santa Fe PI trails a mother who's snatched her daughter from her TV star ex Kirkus Reviews After a particularly nasty divorce Melissa the ex wife of actor Roy Alonzo accused the handsome TV star of abusing their daughter Then she took their child and disappeared Santa Fe private investigator Joshua Croft has no real desire to get entangled in the sordid lives of Hollywood's rich and famous But a Santa Fe underworld kingpin happens to be Alonzo's uncle and has requested Croft's help an offer that's tough to refuse The closer Croft gets to the truth about the shocking Alonzo affair the more urgent finding the missing

mother and child becomes especially after Melissa's sister is killed Croft suspects this murder could have something to do with Melissa's association with the group Sanctuary and its refugees from Central American terror Or perhaps it's connected to a clandestine rescue group that protects battered wives and children Either way the situation gets bleaker by the hour with a less than trustworthy FBI agent impeding Croft's investigation and even more disappearances and deaths Apparently the adversaries in this dark affair mean serious business and time is running out for the runaways and perhaps for the private detective who's on their trail as well

*Accustomed to the Dark* Walter Satterthwait, 2004 Santa Fe private detectives Joshua Croft and Rita Mondragon have recently become much more than friends and business partners When Rita is shot and wounded perhaps mortally by the same vicious psychopath who tried to kill her once before Joshua sets out to find the man His pursuit takes him from the mountains of New Mexico to a posh Denver suburb from the bleak plains of Kansas to the sweltering depths of the Florida Everglades Along the way he meets a sleazy former prison inmate an eighty year old computer expert a brutal drug dealer a somber homicide cop and a hardened mercenary with a very peculiar hobby As Joshua races across the length of the United States toward a final confrontation with a savage killer he also travels back through his own past to the beginning of his relationship with the woman who now lies near death Often lyrical frequently funny always intelligent *Accustomed to the Dark* is an unforgettable addition to what Robin Winks of The Boston Globe has described as one of the best new series in years
