The Harafish:

The Harafish Naguib Mahfouz, 2016-06-15 Winner of the Nobel Prize for Literature in 1988 Naguib Mahfouz is perhaps the best known living Arab writer His books have had great success in this country particularly The Cairo Trilogy Fans of the famed trilogy will be delighted with The Harafish an epic novel that chronicles the dramatic history of the al Nagi family a family that moves over many generations from the height of power and glory to the depths of decadence and decay The Harafish begins with the tale of Ashur al Nagi a man who grows from humble beginnings to become a great leader a legend among his people Generation after generation however Ashur's descendants grow further from his legendary example They lose touch with their origins as they amass and then squander large fortunes marry prostitutes when they marry at all and develop rivalries that end in death The community's upper class keeps a watchful eye on the descendants of al Nagi for fear of losing their privileges but they find no threat of another such as Ashur Not that is until the al Nagi who like his noble ancestor finds his power once again from among The Harafish or the common people Through the strength of their numbers and their passion the glory of the name of al Nagi is restored Of all Mahfouz's experiments in recent decades this is the one which owes least to western inspiration and is probably the most successful The Harafish fluently translated by Catherine Cobham makes accessible and engrossing reading The Washington Post Book World **the harafish** naguib mahfouz, 1994 In The Harafish Naguib Mahfouz returns to the style of sweeping narrative at which he has proven himself a master He chronicles the dramatic history of the Nagi family a family that descends over many generations from the heights of power and prestige to the depths of decadence and decay The epic story begins with the tale of Ashur al Nagi a man who grows from humble roots to become a great leader and a legend among his people The name of Ashur epitomizes a time of glory for the harafish or the common people when they were led by one of their own Generation after generation however Ashur's descendants stray further from his legendary example They lose touch with their origins as they amass and then lose large fortunes marry prostitutes when they marry at all and develop rivalries that end in death Finally a Nagi appears who restores the family name to its former distinction The Harafish is a mythic tale a compelling portrait of human weaknesses pride dishonesty lust and greed and of the greatness of which we are capable when we overcome them **Power and**
