The Hawaiian Quilt Block Project:

Creating Hawaiian-Inspired Quilts Judith Sandstrom, 2015 Early 19th century Hawaiian women created quilts using bright solid colored fabric. They would fold a large piece of fabric into quarters or eighths and cut flowing motifs symbolic of their lush environment. The practice of using a single piece of solid color fabric hand appliquéd onto a white background became their tradition, a tradition that both inspired and stimulated the author when creating her own designs. With 26 patterns to get you started and easy to follow directions, learn to cut and stitch both hand and machine appliquéd blocks. Projects include Hawaiian Seas wall quilts, Hawaiian Christmas with four blocks and various flowers and sea creatures. The designs begin with single color appliquéd blocks and progress to blocks adorned with additional colors and motifs. Quilters of all skill levels will discover a beautiful Hawaiian quilt to inspire them.

Hawaiian Quilt Masterpieces Robert Shaw, 1996 Bringing elements of their Polynesian heritage to the American quilt, 19th century Hawaiian women created a distinctive and beautiful art form that is still actively practiced throughout the Hawaiian Islands. Robert Shaw, author of *America's Traditional Crafts and Quilts: A Living Tradition*, is widely recognized as one of the country's leading experts on American folk arts and traditional crafts. 48 full color plates.
