book is the essential pastoral resource to help you prepare the liturgy each day of the liturgical year If you are a priest or
deacon liturgist music director worship team member religious educator or simply interested in more information about
Catholic liturgy this publication will be an invaluable tool **The Encyclopedic Sourcebook of New Age Religions** James
R. Lewis,2004-08-30 In the late 1980s the New Age movement became the focus of both media attention and widespread
ridicule as some of the more outlandish aspects of the movement such as channeling and the use of crystals for healing
briefly piqued the public s curiosity While the movement was at its height scholars of religion generally sneered at what was
perceived to be a daffy shallow craze and ignored it as a subject of serious study Professor James R Lewis was among the
first to examine this growing religious phenomenon scientifically In previous books he has investigated the New Age as the
most visible manifestation of a significant spiritual subculture the roots of which reach back to Theosophy Spiritualism and
New Thought The present collection pursues this theme bringing together some of the best recent scholarship on new
religions Since the height of its popular influence the New Age has declined in strength but has given rise to a plethora of
new denominations all shaped by New Age ideas and spirituality Reflecting the emergence of this new denominational
structure the core chapters of this book focus on specific groups Other chapters examine the movement s historical roots A
unique feature of Dr Lewis s work is his inclusion of extensive selections from New Age literature thus allowing readers to
experience firsthand the unusual perspectives of the various groups This is a fascinating examination of a significant and
persistent religious and social phenomenon **Sourcebook for Sundays, Seasons, and Weekdays 2017: The Almanac**
