The Heart of Princess Osra Anthony Hope, 2021-04-26. In *The Heart of Princess Osra*, Anthony Hope crafts an enchanting tale of love, honor, and intrigue set against a backdrop of rich European aristocracy. Narrated with Hope's trademark wit and elegance, this novella explores the complexities of noble duty and personal desire through its charming protagonist, Princess Osra. The narrative is suffused with romantic tension and dramatic situations reflecting the Victorian fascination with adventure and fairy tale romances. Hope's stylistic choices, characterized by vivid descriptions and engaging dialogue, elevate the novella within the broader context of late 19th-century literature, aligning it with the works of contemporaries such as E. M. Forster and Oscar Wilde, while also pioneering modern romantic tropes. Anthony Hope, initially known for his adventure novel *The Prisoner of Zenda*, demonstrates a particular affinity for themes paralleling the struggles of the individual against societal constraints. His experiences as a playwright and novelist, coupled with his education in law, equipped him with a keen insight into human motivations, which he deftly applies in developing character dynamics in *The Heart of Princess Osra*. This novella showcases his transition from merely writing adventure tales to exploring deeper emotional landscapes. Readers seeking a fusion of romance and adventure will find *The Heart of Princess Osra* a richly satisfying experience. Hope's ability to blend humor, love, and the trials of nobility creates a narrative that can resonate across generations. This novella is an essential read for those captivated by stories of lost love and the impact of destiny, promising a delightful escape into the world of princely intrigue.

The Heart of Princess Osra Anthony Hope, 2016-03-07 1895 Hope was a barrister who gave up the law after realizing success with his novel *The Prisoner of Zenda*. The book begins with the impatient cry being heard through all the narrow gloomy streets where the old richly carved house fronts bowed to meet one another and left for the eyes only a bare glimpse of blue. It was men said the oldest street in Strelsau even as the sign of the Silver Ship was the oldest sign known to exist in the city. For when Aaron Lazarus the Jew came there seventy years before he had been the tenth man in unbroken line that took up the business and now Stephen Nados his apprentice and successor was the eleventh. Old Lazarus had made a great business of it and had spent his savings in buying up the better part of the street but since Jews then might hold no property in Strelsau pg 2 he had taken all the deeds in the name of Stephen Nados and when he came to die being unable to carry his houses or his money with him having no kindred and caring not a straw for any man or woman alive save Stephen he bade Stephen let the deeds be and with a last curse against the Christians of whom Stephen was one and a devout one he kissed the young man and turned his face to the wall and died. The heart of women is as it would seem a strange thing for the Princess Osra hearing what the smith had said and learning that he had fallen passionately in love with her on the mere sight of her beauty pg 19 suddenly felt a tenderness for him and a greater admiration than she had entertained before and although she harboured no absurd idea of listening to his madness or of doing anything in the world but laugh at it as it deserved yet there came on her a strange dislike of the project that she had herself in sport suggested namely that the smith should be married immediately to the Countess Hilda by the Lord Bishop of Modenstein. About Anthony Hope the Author Hope was born in Clapton then on the edge of London where his father the Reverend Edward Connerford Hawkins was headmaster of St John's Foundational School for the Sons of Poor Clergy which soon moved to Leatherhead in Surrey and is now St John's School. He went on a publicity tour of the United States in late 1897 during which he impressed a New York Times reporter as being somewhat like Rudolf Rassendyll a well dressed Englishman with a hearty laugh a soldierly attitude a dry sense of humour quiet easy manners and an air of shrewdness.

The Heart of Princess Osra Anthony Hope,2020-07-15 *The Heart of Princess Osra* is part of Anthony Hope s trilogy of novels set in the fictional country of Ruritania and which spawned the genre of Ruritanian romance This collection of linked

short stories is a prequel it was written immediately after the success of *The Prisoner of Zenda* and was published in 1896 but is set in the 1730s well over a century before the events of *Zenda* and its sequel *Rupert of Hentzau*. The stories deal with the love life of Princess Osra, younger sister of Rudolf III, the shared ancestor of Rudolf Rassendyll, the English gentleman who acts as political decoy in *The Prisoner of Zenda* and Rudolph V of the House of Elphberg, the absolute monarch of that Germanic kingdom. Literary scholar Shoshana Milgram Knapp has observed that Hope's stories in the volume are both analytic of and acclamatory toward the inspiration of romantic love. Osra's physical beauty is a metaphor for spiritual beauty. Her name, the feminine form of Osric, is not an invention but it is sufficiently unusual to suggest that the character is herself extraordinary, separated from life's routine. Who will best love Osra? He who best knows her and matches her. In Ruritania, love is the appreciation of the beloved's uniqueness accompanied by the commitment to rise to one's best. And because Osra is not merely a prize to be valued but a human being capable of valuing, she herself can learn what her suitors learn: that romantic love inspires extraordinary action. The nine individual stories follow a pattern: A man meets Princess Osra and immediately develops a consuming romantic passion for this extraordinary woman. In loyalty to his value, he performs an extraordinary act of courage, ingenuity, or passion. He does not act in order to win the princess's affection or to prove to her his worth. He performs his act in most cases without expecting Osra to recognize his deed, much less acknowledge or reward it. Sooner or later, Osra does in fact recognize and acknowledge the act; she does not, however, requite the love that inspired it.
