Pyschny,Sarah Schulz,2021-09-07 Human leadership is a multifaceted topic in the Hebrew Bible from a synchronic as well as

diachronic perspective A large range of distributions emerges from the successive sharpening or modification of different aspects of leadership While some of them are combined to a complex figuration of leadership others remain reserved for certain individuals Furthermore it can be considered a consensus within scholarly debate that concepts of leadership have a certain connection to the history of ancient Israel which is though hard to ascertain Following a previous volume that focused on the Pentateuch and the Former Prophets BZAW 507 this volume deals with different concepts of leadership in selected Prophetic Hag Zech Jer and Chronic literature Ezr Neh Chr They are examined in a literary religious tradition historical and theological perspective Special emphasis is given to phenomena of transforming authority and leadership claims in exilic post exilic times Hence the volume contributes to biblical theology and sheds new light on the redaction reception history of the texts Not least it provides valuable insights into the history of religious and or political authorities in Israel and Early Judaism s Galilee in the Late Second Temple and Mishnaic Periods, Volume 2 David A Fiensy, James Riley

Anti-Judaism and the Gospel of John Mirosław Stanisław Wróbel, 2023-12-04 In the light of the research undertaken in this book the author concludes that the so called anti Jewish texts in Johannine Gospel are not directed against the Jews being an ethnic or religious community The object of the polemic and attacks is not the entire Jewish nation across the span of all the ages but a group of the Jewish leaders or opponents to Jesus in the First Century AD Looking through the prism of the aposynagoga polemic one can notice that the state of tension between the Johannine community and the rabbinic Judaism is inter Jewish not anti Jewish in character The source of the polemical language of the Fourth Gospel is the Christological discussion in the historical and sociological context the Messianic confession the excommunication from the Synagogue the presence of Samaritans in the Johannine community the struggle for the preservation of the identity The New Testament Gerd Theissen, 2011-12-01 Gerd Theissen describes the emergence of the New Testament canon out of the wide variety of early Christian literature drawing on Max Weber s discussion of the evolution of religious organizations Theissen describes a series of phases in the life of the early Christian movement the charismatic the pseudepigraphic the functional and the canonical **Exploring the New Testament World** Albert Bell, 1998-09-18 The timeless message of the

New Testament applies to people of every culture and generation Yet there is great value in understanding the world in which that message was first revealed its social manners politics religious customs and culture Exploring the New Testament World written by classics and Bible scholar Dr Albert A Bell Jr illuminates the living context of the New Testament immersing its readers in the intriguing world of Jesus and the early church An authority on ancient Greek and Roman language culture and history Dr Bell writes in a readable style that is accessible and enjoyable to any reader an uncommon accomplishment among New Testament scholars today Surveying Jewish factions of the era the social and political structure of the Roman Empire and the philosophies and religions that surrounded the early church Dr Bell helps his readers learn to think like first century Jews Greeks and Romans illuminating puzzling New Testament passages for clear understanding Comprehensive Scripture and Subject Indexes make this volume even more useful as a manners and customs Bible companion This authoritative guide receives high praise from college professors and Sunday school teachers alike proving its appeal to both popular and academic audiences A must have reference for every pastor and an indispensable resource to any Bible reader

The Cross that Spoke John Dominic Crossan, 2008-03-01 In this revolutionary work John Dominic Crossan reveals that the Passion and Resurrection Narratives in the four canonical Gospels are radical revisions of an earlier Gospel account He argues boldly that the apocryphal Gospel of Peter discovered in the grave of a Christian monk in Egypt circa 1886 contains the earliest version of the death burial and resurrection of Jesus He describes how the authors of the four Gospels revised the early account of how their revision predominated as Roman authority grew Lacking in the revision he suggests is the very heart of the earlier Passion its depiction of Jesus death as the consummation of Israel's pain and the resurrection as the vindication of Israel's faith

The Cambridge Ancient History ... John Bagnell Bury, Frank Ezra Adcock, Martin Percival Charlesworth, Norman Hepburn Baynes, 1928 *Ezra, Nehemiah, and the Construction of Early Jewish Identity* Bob Becking, 2011 The post exilic of Persian period showed a transition in the religion in ancient Israel from Yahwism's to Judaism's The events of exile and return made it impossible to completely fall back on the traditional religious identity The essays in this volume try to reconstruct the path taken in that transition The characters of Ezra and Nehemiah are generally seen as playing a formative role in this process By reading texts from the biblical books supposedly written by Ezra and Nehemiah in a religio historical context new light falls on the process of change

Adam, Satan, and the King of Tyre Hector M. Patmore, 2012-02-17 The oracle against the King of Tyre found in Ezekiel 28 12 19 is a difficult text that inspired diverse interpretations in Late Antiquity For example according to one rabbinic tradition the text spoke of the first man Adam while the Church Fathers found in the same text a description of the fall of Satan This book studies the rabbinic sources patristic literature the Targum and the ancient translations and seeks to understand the reasons for the diverse interpretation the interaction between the exegetical traditions and the communities of interpreters in particular between Jews and Christians and the effect the specific form and wording of the text had on the formation and development of each interpretation
