The Herald Years:

The Herald's History of Los Angeles City Charles Dwight Willard, 2015-12-08 The career of a city contains as much good material out of which an entertaining history may be constructed as does the life of an individual or the development of a nation but for some reason it has come to pass in America that the preparation of city or local history has usually fallen into the hands of schemers who exploit the prominent citizen for his biography and throw in something of a narrative merely as an apology for the book's existence The present book is an attempt to supply in convenient and portable shape the material facts in the history of Los Angeles city It contains nothing in the form of paid or biographical matter strange that such a statement should be needed and it is offered for sale at the bookshops on its merits as a book Struggles and Triumphs: or, Forty Years' Recollections of P. T. Barnum P. T. Barnum, 2023-11-10 In Struggles and Triumphs or Forty Years Recollections of P. T. Barnum the legendary showman offers a captivating autobiographical narrative that interweaves personal anecdotes with reflections on his remarkable career Written in a conversational yet eloquent prose style characteristic of 19th century American literature Barnum's memoir delves into the complexities of entrepreneurship fame and the art of entertainment His unique insights into the burgeoning world of spectacle and amusement during the Gilded Age serve as both a historical document and a fascinating exploration of the human spirit's resilience against adversity P. T. Barnum often hailed as the father of modern marketing was not only an astute promoter but also a visionary who understood the pulse of public interest His rich experiences ranging from humble beginnings to the heights of success with the Barnum Bailey Circus reflect his deep understanding of the entertainment industry This book emerges from a life defined by struggle and triumph heavily influenced by Barnum's commitment to innovation and his relentless pursuit of the extraordinary I highly recommend Struggles and Triumphs to readers interested in the intersection of art commerce and biography It is a compelling account that not only entertains but also inspires by exemplifying how creativity and determination can forge a path through life's challenges *The Gentleman's Magazine, and Historical Chronicle, for the Year ...*, 1863 **THE HAPPY YEARS** Larry B. Fullen, 2023-08-22 Ashville enjoyed prosperity after the harsh and lean years of the Depression and WWII Predominately low middle income there were no social or economic divisions all were rich in mutual respect and pride of community As youth the homogenic culture and ethnicity of our small town was not recognized The focus was on the Thursday night dances in the park the Fourth of July celebration and winning county sports championships Teachers were neighbors compassionate and dedicated to their profession There was a sense of freedom but is something was wrong or not to expectations parents would know about it immediately An attitude of optimism prevailed unaware that Ashville like many rural communities was not realizing the growth of the metropolitan and industrial areas and that for the younger generation the future was not likely to be in Ashville Later in life we understood the blessings and meaning of small town values the unique shared experiences and lasting friendships from growing up in Ashville Eighty Years' Progress of the United
