Sir George Arthur Bart 1784 1854:

Sir George Arthur, Bart., 1784-1854 Alan George Lewers Shaw, 1980 Biography of Sir George Arthur administrator of the colonies of the British Empire Relations between colonists and Aboriginal people discussed pp 123 134 Reference to Batman's treaty p 143 *Convicts* Clare Anderson, 2022-01-13 A new global history perspective on the relationship between convict mobility and governance nation building imperial expansion and knowledge formation A Concise History of Australia Stuart Macintyre, 2015-10-09 Australia is the last continent to be settled by Europeans but it also sustains a people and a culture tens of thousands years old For much of the past 225 years the newcomers have sought to replace the old with the new This book tells how they imposed themselves on the land and describes how they brought technology institutions and ideas to make it their own The fourth edition incorporates the far reaching effects of an export and investment boom in the early years of the twenty first century that lifted Australia to unprecedented prosperity The sale of minerals and energy enabled the economy to withstand the global financial crisis of 2007 08 but there was no agreement on how the wealth was to be managed and its benefits distributed The book describes a continuing search for solutions to climate change the unauthorised arrival of refugees Indigenous disadvantage and generational change **Aboriginal Protection and Its Intermediaries in Britain's Antipodean Colonies** Samuel Furphy, Amanda Nettelbeck, 2019-06-12 This collection brings together world leading and emerging scholars to explore how the concept of protection was applied to Indigenous peoples of Britain's antipodean colonies Tracing evolutions in protection from the 1830s until the end of the nineteenth century the contributors map the changes and continuities that marked it as an inherently ambivalent mode of colonial practice In doing so they consider the place of different historical actors who were involved in the implementation of protective policy who served as its intermediaries on the ground or who responded as its intended beneficiaries These included metropolitan and colonial administrators Protectors or similar agents government interpreters and church affiliated missionaries settlers with economic investments in the politics of conciliation and the Indigenous peoples who were themselves subjected to colonial policies Drawing out some of the interventions and encounters lived out in the name of protection the book examines some of the critical roles it played in the making of colonial relations **Colonial connections, 1815-45** Zoë Laidlaw, 2013-07-19 This groundbreaking book challenges standard interpretations of metropolitan strategies of rule in the early nineteenth century After the Napoleonic wars the British government ruled a more diverse empire than ever before and the Colonial Office responded by cultivating strong personal links with governors and colonial officials through which influence patronage and information could flow By the 1830s the conviction that personal connections were the best way of exerting influence within the imperial sphere went well beyond the metropolitan government as lobbyists settlers and missionaries also developed personal connections to advance their causes However the successive crises in the 1830s exposed these complicated networks of connection to hostile metropolitan scrutiny This book challenges traditional notions of a radical

revolution in government identifying a more profound and general transition from a metropolitan reliance on gossip and personal information to the embrace of new statistical forms of knowledge The analysis moves between London New South Wales and the Cape Colony encompassing both government insiders and those who struggled against colonial and imperial governments

Government and Expertise Roy MacLeod, 2003-02-13 This book offers selected perspectives on an important facet of new research into the administrative revolution the idea of expertise the role of experts and of administrators and professionals in creating the technique of Victorian government

History Of The Port Phillip District Shaw A.G.L, 2013-05-31 This major new history is an account of the establishment of European settlement in what is now the State of Victoria The period from the first temporary convict camp of 1803 to the formal separation of Victoria from New South Wales in 1851 encompassed years of struggle adversity and uncertainty These are the years which Professor Shaw examines in his detailed narrative mdash years which saw the future of the territory shaped by diverse figures Aborigines whalers adventurers squatters speculators and immigrants This is the first general history of pre goldrush Victoria in more than ninety years It incorporates the advances in documentation and scholarship that have taken place since that time In particular it draws upon the correspondence between officials in Melbourne Sydney and London and on the Batman Swanston Port Phillip Association and La Trobe papers The story begins with the British government s decision to make a settlement on the shores of Bass Strait and with a study of the Aboriginal inhabitants of Port Phillip as they were at the dawn of the nineteenth century An account of the beginnings of Melbourne marked by the arrival of John Batman and John Pascoe Fawkner leads on to the topics of squatting speculation immigration economic depression and recovery and ends with an examination of the issues which led to the separation of the district from New South Wales The book is illustrated in colour with contemporary paintings many of which will be unfamiliar to most readers

Civilisation of Port Phillip Thomas James Rogers, 2018-02-23 Port Phillip s free settlers often said that they were civilising a wilderness The truth was that the occupied country already had people laws politics and economies What did civilisation mean to the free settlers And what was the relationship between civilising and violence The Civilisation of Port Phillip tracks the violent history of the first years of British settlement in the Port Phillip District now the state of Victoria It illuminates the underlying free settler rhetoric that advocated and abetted violence on the frontier For the first time we hear the settlers tell us in their own words what the civilisation of Port Phillip really involved Frontier violence in Port Phillip involved Aboriginal peoples convicts free settlers and colonial officials This history shows how the lives of these different people interconnected in early Port Phillip in unlikely friendships dire misunderstandings and fatal clashes It paints a vivid picture of the period drawn from archival records a thorough re reading of older histories and new ideas in the scholarship of violence As well as sheep and firearms free settlers brought Enlightenment ideas about civilisation to Port Phillip When these European ideas were coupled with Australian frontier experience they manifested in an exterminatory attitude towards people deemed undesirable in the coming colony

The Civilisation of Port Phillip shows how free settler rhetoric law and systems of classification reinforced and sought to justify the violence of the frontier

The Europeans in Australia Alan Atkinson, 2016-07-01 It is the duty of historians to be wherever they can accurate precise humane imaginative using moral imagination above all and even handed Alan Atkinson The second of three volumes of the landmark award winning series *The Europeans in Australia* gives an account of early settlement by Britain It tells of the political and intellectual origins of this extraordinary undertaking that began during the 1780s a decade of extraordinary creativity and the climax of the European Enlightenment Volume Two Democracy takes the story from around 1815 to the early 1870s By exploring the nineteenth century communications revolution Atkinson casts new light on the way Australia first found its place in a global world This volume is more than a story of geography and politics It describes the way people thought and felt Throughout the trilogy Atkinson traces subtle and sudden shifts of common imagination by analysing the lives of both powerful and ordinary Australians He sets out the ideas and the imagery that moved and marked the people This book like all his work is grounded in thorough and rigorous scholarship yet imbued with compassion and insight Written from the inside it is as he says history caught up with the flesh and memory it describes The culmination of an extraordinary career in the writing and teaching of Australian history *The Europeans in Australia* grapples with the Australian historical experience as a whole from the point of view of the settlers from Europe Ambitious and unique it is the first such large single author account since Manning Clark's *A History of Australia*

1835 James Boyce, 2011 In 1835 an illegal squatter camp was established on the banks of the Yarra River In defiance of authorities in London and Sydney Tasmanian speculators began sending men and sheep across Bass Strait and so changed the shape of Australian history Before the founding of Melbourne British settlement on the mainland amounted to a few pinpoints on a map Ten years later it had become a sea of red In 1835 James Boyce brings this pivotal moment to life He traces the power plays in Hobart Sydney and London the key personalities of Melbourne's early days and the haunting questions raised by what happened when the land was opened up He conjures up the Australian frontier its complexity its rawness and the way its legacy is still with us today

Possession Bain Attwood, 2015-02-04 It contemplates why these agreements were forged how the Aboriginal people understood their terms why government repudiated them and how settlers claimed to be the rightful owners of the land Bain Attwood also reveals the ways in which the settler society has endeavoured to make good its act of possession by repeatedly creating histories that have recalled or repressed the memory of Batman the treaties and the Aborigines destruction and dispossession and charts how Aboriginal people have unsettled this matter of history through their remembering

Home Cooking in the Global Village Richard Wilk, 2006-05-06 Belize a tiny corner of the Caribbean wedged into Central America has been a fast food nation since buccaneers and pirates first stole ashore As early as the 1600s it was already caught in the great paradox of globalization how can you stay local and relish your own home cooking while tasting the delights of the global marketplace Menus recipes and bad colonial poetry combine with Wilk's sharp

anthropological insight to give an important new perspective on the perils and problems of globalization **Converting Britannia** Gareth Atkins, 2019 A compelling study of Anglican Evangelicalism in the Age of Wilberforce revealing its potency as a political machine whose reach extended into every area of the British establishment and its nascent Empire

Australian Frontier Wars, 1788-1838 John Connor, 2002 From the Swan River to the Hawkesbury and from the sticky Arnhem Land mangrove to the soft green hills of Tasmania this book describes the major conflicts fought on the Australian frontier to 1838 Based on extensive research and using overseas frontier wars to add perspective to the Australian experience *The Australian Frontier Wars 1788 1838* will change our view of Australian history forever **Human Remains** Helen Patricia MacDonald, 2006-01-01 Until 1832 when an Act of Parliament began to regulate the use of bodies for anatomy in Britain public dissection was regularly and legally carried out on the bodies of murderers and a shortage of cadavers gave rise to the infamous murders committed by Burke and Hare to supply dissection subjects to Dr Robert Knox the anatomist This book tells the scandalous story of how medical men obtained the corpses upon which they worked before the use of human remains was regulated Helen MacDonald looks particularly at the activities of British surgeons in nineteenth century Van Diemens Land a penal colony in which a ready supply of bodies was available Not only convicted murderers but also Aborigines and the unfortunate poor who died in hospitals were routinely turned over to the surgeons This sensitive but searing account shows how abuses happen even within the conventions adopted by civilized societies It reveals how from Burke and Hare to today's televised dissections by German anatomist Dr Gunther von Hagens some people's bodies become other people's entertainment **Colonization and the Origins of Humanitarian Governance** Alan Lester, Fae Dussart, 2014-04-17 This book reveals the ways in which those responsible for creating Britain's nineteenth century empire sought to make colonization compatible with humanitarianism **Slave Populations of the British Caribbean, 1807-1834**

B. W. Higman, 1995 Reprint of work that originally appeared in 1984 Excellent and thorough treatment of major demographic aspects of British Caribbean slavery from abolition of slave trade to slave emancipation Draws heavily on extensive data available from slave registration returns for various islands to provide comparative perspective of nature of slave life Excellent tables and figures Essential for serious scholars of the region *Handbook of Latin American Studies* v 58
