Hinther, 2018-01-01 In *Perogies and Politics* Rhonda Hinther explores the twentieth century history of the Ukrainian left in Canada from the standpoint of the women men and children who formed and fostered it For twentieth century leftist Ukrainians culture and politics were inextricably linked The interaction of Ukrainian socio cultural identity with Marxist Leninism resulted in one of the most dynamic national working class movements Canada has ever known The Ukrainian left's success lay in its ability to meet the needs of and speak in meaningful respectful and empowering ways to its supporters experiences and interests as individuals and as members of a distinct immigrant working class community This offered to Ukrainians a radical social cultural and political alternative to the fledgling Ukrainian churches and right wing Ukrainian nationalist movements Hinther's colourful and in depth work reveals how left wing Ukrainians were affected by changing social economic and political forces and how they in turn responded to and challenged these forces *The Viking Immigrants* L.K. fields of Ontario's tobacco belt to rural Jamaica Barbados and North Carolina and on to the halls of government Dunsworth demonstrates how the ultimate transformation of tobacco and Canadian agriculture writ large was fundamentally a function of the capitalist restructuring of farming Harvesting Labour brings together the fields of labour migration and business history to reinterpret the historical origins of contemporary Canadian agriculture and its workforce Next-Generation Memory and Ukrainian Canadian Children's Historical Fiction Mateusz Świetlicki, 2023-03-24 This is the first book monograph devoted to Anglophone Ukrainian Canadian children's historical fiction published between 1991 and 2021 It consists of five chapters offering cross sectional and interdisciplinary readings of 41 books novels novellas picturebooks short stories and a graphic novel The first three chapters focus on texts about the complex process of becoming Ukrainian Canadian showcasing the experiences of the first two waves of Ukrainian immigration to Canada including encounters with Indigenous Peoples and the First World War Internment The last two chapters are devoted to the significance of the cultural memory of the Holodomor the Great Famine of 1932 1933 and the Second World War for Ukrainian Canadians All the chapters demonstrate the entanglements of Ukrainian and Canadian history and point to the role Anglophone children's literature can play in preventing the symbolical seeds of memory from withering This volume argues that reading imagining and reimagining history can lead to the formation of beyond textual next generation memory Such memory created through reading is multidimensional as it involves the interpretation of both the present and the past by an individual whose reality has been directly or indirectly shaped by the past over which they have no influence Next generation memory is of anticipatory character which means that authors of historical fiction anticipate the readers both present day and future not to have direct links to any witnesses of the events they discuss and to have little knowledge of the transcultural character of the Ukrainian Canadian diaspora **Mixed Blessings** Tolly Bradford, Chelsea Horton, 2016-04-01 Mixed Blessings transforms our understanding of the relationship between Indigenous people and Christianity in what is now Canada While acknowledging the harm of colonialism including the trauma inflicted by church run residential schools this book challenges the portrayal of Indigenous people as passive victims of malevolent missionaries who experienced a uniformly dark history Instead it illuminates the diverse and multifaceted ways that Indigenous communities and individuals across Canada have interacted and continue to interact meaningfully with Christianity from the early 1600s to the present Ranging widely across time and place these insightful case studies explore how and why some Indigenous people including Louis Riel and Edward Ahenakew historically aligned themselves with Christianity while others did not It also plumbs the processes and politics involved in combining spiritual traditions and reflects on the role of Christianity in Indigenous communities today An Environmental History of Canada Laurel Sefton MacDowell, 2012-07-31 Traces how Canada's colonial and national development contributed to modern environmental problems such as urban sprawl the collapse of fisheries and climate change Includes over 200 photographs maps figures and sidebar discussions on key figures concepts and cases Offers

concise definitions of environmental concepts Ties Canadian history to issues relevant to contemporary society Introduces students to a new dynamic approach to the past Throughout history most people have associated northern North America with wilderness with abundant fish and game snow capped mountains and endless forest and prairie Canada's contemporary picture gallery however contains more disturbing images deforested mountains empty fisheries and melting ice caps Adopting both a chronological and thematic approach Laurel MacDowell examines human interactions with the land and the origins of our current environmental crisis from first peoples to the Kyoto Protocol This richly illustrated exploration of the past from an environmental perspective will change the way Canadians and others around the world think about and look at Canada

Sex and the Married Girl Heather Stanley, 2022-11-01 Sex who was having it who shouldn't have it and who was supposed to be having it but wasn't was a major concern to social authorities in the immediate postwar era Though they are often remembered with nostalgia as a sexually simpler time the 1950s and early 1960s were incredibly sexually productive years Sex and the Married Girl examines how two interrelated and dominant groups in Canada medical professionals and church leaders used married heterosexual female sexuality as a lever to rebuild the Canadian family and the state itself Using embodied historical methodologies the book examines not only discourses around sex but also how those discourses could influence the actual experience of sex for married women Heather Stanley draws upon extensive oral life histories of women who lived married and had sex during this liminal social period to demonstrate that this was a time of simultaneous sexual and gender quiescence and change
