Sisters Of Justice:

Sisters of Justice Karen Jamison, 2004-06-29 Almost everyday on the news there is a report of a child getting abducted or abused With so many offenders of these crimes there doesn't seem to be a harsh enough form of punishment that sends out a message to the next person who commits these crimes Sisters of Justice is about a group of highly skilled and educated women who are fed up with the justice system and take matters into their own hands and serve true justice They help when there is nowhere else to turn They bring justice when the court system fails They protect those who can't protect themselves Caleah is a successful business woman by day and an enforcer for the Sisters of Justice by night Her life has been good and uncomplicated That's until she breaks her own rule and gets involved in a relationship She tries her best to keep what she does with the Sisters of Justice a secret from the man in her life But that gets hard because he's one of the best homicide detectives for the city of New Orleans Things become intense when the Sisters of Justice becomes the city's most wanted and the cops are out to get them

Race, Justice and American Intellectual Traditions Stuart Rosenbaum, 2018-02-17 Some American intellectual traditions although pristine in appearance are racist at their core This book reveals the racism inherent in those Platonist and Enlightenment moral traditions that motivate much contemporary rhetoric Part One contains five chapters of substantial critique while Part Two contains four chapters of constructive suggestion explaining how indigenous American traditions of thought about morality avoid the racism of conventional Western moral thought that dominates political rhetoric This book because of its focus thesis and brevity will be useful in a number of academic contexts including political science American studies philosophy sociology and also to the larger educated public

Two Sisters for Social Justice Lela B. Costin, 1983 The Abbott sisters forsook the comforts and confinements of the status quo to join the struggle for social justice From the Progressive Era through the New Deal they

Habits of Compassion Maureen Fitzgerald, 2023-12-11 The Irish Catholic Sisters accomplished tremendously successful work in founding charitable organizations in New York City from the Irish famine through the early twentieth century Maureen Fitzgerald argues that their championing of the rights of the poor especially poor women resulted in an explosion of state supported services and programs Parting from Protestant belief in meager and means tested aid Irish Catholic nuns argued for an approach based on compassion for the poor Fitzgerald positions the nuns activism as resistance to Protestantism s cultural hegemony As she shows Roman Catholic nuns offered strong and unequivocal moral leadership in condemning those who punished the poor for their poverty and unmarried women for sexual transgression Fitzgerald also delves into the nuns own communities from the class based hierarchies within the convents to the political power they wielded within the city That power amplified by an alliance with the local Irish Catholic political machine allowed the women to expand public charities in the city on an unprecedented scale
