Sloops & Shallops William A. Baker, 1966 **Sloops & Shallops** William A. Baker, 1987 **Sloops and Shallops** William Avery Baker, 1962 **Colonial Trade of Maryland, 1689-1715** Margaret Shove Morriss, 1914 The Johns Hopkins University Studies in Historical and Political Science, 1914 The Sloop of War, 1650-1763 Ian McLaughlan, 2020-01-31 A delight fulfills a long felt need to do justice to the smaller ships of war that did such sterling service for the sailing Royal Navy Ships in Scale This is the first study in depth of the Royal Navy s vital but largely ignored small craft In the age of sail they were built in huge numbers and in far greater variety than the more regulated major warships so they present a particular challenge to any historian attempting a coherent design history However for the first time this book charts the development of the ancillary types variously described in the 17th century as sloops ketches brigantines advice boats and even yachts as they coalesce into the single 18th century category of Sloop of War In this era they were generally two masted although they set a bewildering variety of sail plans from them The author traces their origins to open boats like those carried by Basque whalers shows how developments in Europe influenced English craft and homes in on the relationship between rigs hull form and the duties they were designed to undertake Visual documentation is scanty but this book draws together a unique collection of rare and unseen images coupled with the author s own reconstructions in line drawings and watercolor sketches to provide the most convincing depictions of the appearance of these vessels By tackling some of the most obscure questions about the early history of small boat rigs the book adds a dimension that will be of interest to historians of coastal sail and practical yachtsmen as well as warship enthusiasts Fascinating It combines a truly scholarly delivery with a lovely presentation History brought to life tomcunliffe com **The Laws of the Island of Antigua**, 1805 **Reports from Committees of the House of Commons which Have Been Printed by Order of the House** Great Britain. Parliament. House of Commons, 1803 **General Statutes of New Jersey** New Jersey, Garret Dorset Wall Vroom, William Mershon Lanning, 2005 This compilation succeeded the previous edition of 1877 Two and a half times the size of its predecessor it records the greatest increase in public general legislation between any two consecutive compilations in New Jersey s history Its bulk pays witness to the state s rapid growth during the nineteenth century and its engagement with the forces of modernity Such topics as Usury and Militia in 1877 are redefined as Interest and National Guard new additions include laws dealing with labor arbitration civil rights and occupational safety Luce s Table of Statutes an invaluable tool originally published separately in 1900 is included in Volume I Our reprint also has a detailed table of contents a feature that was not included in the original work **Jurisdiction in American Building-trades Unions** Nathaniel Ruggles Whitney, 1914 Wallops Flight Facility Shoreline Restoration and Infrastructure Protection Program, 2010 **Jurisdiction in American Building-trades Unions** Harrison Anthony Trexler, Margaret Shove Morriss, Nathaniel Ruggles Whitney, 1914 **The Statutes at Large of Pennsylvania from 1682**
