## **Smith And Other Events Tales Of The Chilcotin:**

**Smith and Other Events** Paul H. St. Pierre, 1985 Paul St Pierre's witty honest writing never fails to delight and nor does his legendary character Smith Cowboys ranchers Indians tradesmen these are the spirited characters for which St Pierre has become so well known whose lives he sketches with humor and sympathy and who people the cattle ranges of Chilcotin country a spectacularly beautiful pocket of British Columbia *Smith and Other Events* Paul H. St. Pierre, 1985 Stories describe the lives of people living in an isolated British Columbia community including young and old Indians a retired trapper a would be cattle baron and a local bank manager The Archive of Place William Turkel, 2011-11-01 The Archive of Place weaves together a series of narratives about environmental history in a particular location British Columbia's Chilcotin Plateau In the mid 1990s the Chilcotin was at the centre of three territorial conflicts Opposing groups in their struggle to control the fate of the region and its resources invoked different understandings of its past and different types of evidence to justify their actions These controversies serve as case studies as William Turkel examines how people interpret material traces to reconstruct past events the conditions under which such interpretation takes place and the role that this interpretation plays in historical consciousness and social memory It is a wide ranging and original study that extends the span of conventional historical research Programming Reality Zoë Druick, Aspa Kotsopoulos, 2008-08 Programming Reality Perspectives on English Canadian Television the first anthology dedicated to analyses of Canadian television content is a collection of original interdisciplinary articles combining textual analysis and political economy of communications It explores the television that has thrived in the Canadian regulatory and cultural context namely programs that straddle the border between reality and fiction or even blur it The conceptual basis of this collection is the hybrid nature of television fare the widely theorized notion that all mediations of reality involve fiction in the form of narrative or symbolic shaping Each of the contributions here is a reminder too of the significant relationship of television to nation building in Canada to the imaginative work involved in thinking through the relations that constitute nations citizens and communities The collection focuses on English language Canadian television because the imperatives guiding its texts are markedly different from those pertaining to their French language counterparts The collection therefore develops a nuance of perspective on the cultural and political economic specificities that inform the imaginative work of television production for English Canada **The Concise Oxford Companion to Canadian Literature** William Toye, 2001 The concise version of the critically acclaimed second edition of The Oxford Companion to Canadian Literature offers all the authority of the original in a smaller more affordable format Entries have been updated and over sixty new entries have been added making it an indispensable resource **The Bloomsbury Review**, 1984 **Harper's**, 1994 Important American periodical dating back to 1850 **Forthcoming Books** Rose Arny, 2002 *Canadian Books in Print*, 2003 **Canadian Who's Who 2003** Elizabeth Lumley, 2003-03 Now in its 93rd year of publication this standard Canadian reference source contains comprehensive and

authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity memberships creative works honours and awards and full addresses Of use to researchers students media business government and schools it is a useful source of general knowledge
