Campbell, 2024-09-04. Annually, millions of people admire the Great Smoky Mountains National Park's primeval beauty, towering peaks, sparkling cascades, virgin forests, and remarkable varieties of wildflowers and shrubs. One of the nation's most popular national parks did not just come to be a logical and natural development on federally owned land. Instead, it was the first national park to be acquired from private owners and given by the people to the federal government. The Great Smoky Mountains National Park was established only after an unprecedented crusade that is a story of almost fanatic dedication to a cause, as well as one of frustration, despair, political bias, and even physical violence.

**Appalachia**, 1929      **Homeland**, Dale Maharidge, 2004-05-04. *Homeland* is Pulitzer Prize-winning author Maharidge's biggest and most ambitious book yet, weaving together the disparate and contradictory strands of contemporary American society: common decency alongside race rage, the range of dissenting voices, and the roots of discontent that defy political affiliation. Here are American families who can no longer pay their medical bills, who've lost high-wage earning jobs to NAFTA. And here are white supremacists who claim common ground with progressives. Maharidge's approach is rigorously historical, creating a tapestry of today as it is lived in America, a self-portrait that is shockingly different from what we're used to seeing, and yet which rings of truth.
