**Isolation And Other Stories** S.A. Barton, Isolation is a collection of stories two novellas a novelette and two short stories that relate to the isolation that we all feel from our fellow beings on occasion and the belonging that we all seek The stories Isolation When Richard s groceries don t arrive by mail as usual he s a little concerned but it s no big deal He makes the calls you re supposed to make to clear up little misunderstandings But then his car won t take him to work and he discovers that his home no longer exists online even though he s living in it Today that might not be a big problem But in Richard s near future world it soon renders him homeless and that s when he discovers something that makes all of his previous troubles seem very small indeed Anticipation When aliens land on the eastern tip of Siberia people do what they ve been planning to do for as long as people have

dreamed of first contact they go to investigate and to try to talk to their new neighbors But what happens when the aliens aren't interested in talking The Flowers Of Dawn When Associate Ambassador Elaina Hirschbaum's wife dies she takes a leave of absence from her duties negotiating with the alien Helf Wanas and she thinks that now she'll have some time to be alone with her grief But then one of the Helf Wanas shows up at her door curious about human burial customs What happens next will lead to the discovery of a new species and an attempt to exterminate it Turn Me On In Turn Me On a soldier wounded in war receives one of the first whole body prostheses Adapting to life without flesh and blood turns out to be very difficult indeed but he has the guidance of someone who came before him to help him relearn what it means to be human Down On The Farm In the not so far future one of the few middle class professions left is organ farming growing human organs for transplant in your own body Unfortunately these extra organs make a person a prime target for organleggers And if you manage to escape an organlegger some of them can be terribly vengeful and persistent

**The King's Stratagem, and Other Stories** Stanley John Weyman, 2019-12-03 In The King's Stratagem and Other Stories Stanley John Weyman weaves a rich tapestry of historical fiction juxtaposing the intricacies of courtly life with the cunning strategies of politics and war This collection showcases Weyman's hallmark narrative style eloquent prose interlaced with vivid characterizations and intricate plots that transport readers to a bygone era Each story not only entertains but also serves as a commentary on the human condition exploring themes of ambition loyalty and the moral quandaries faced by individuals in positions of power during tumultuous times Weyman often hailed as a master of historical romance drew inspiration from his extensive knowledge of history and his immersive experiences in literature Born in the latter half of the 19th century his literary career was marked by a fascination with the political intrigues of previous centuries particularly during the reigns of English kings This passion for both narrative and history ultimately led him to craft tales that resonate with timeless relevance highlighting the perpetual dance between duty and desire Readers seeking a deep dive into the nuances of power dynamics and human emotions will find The King's Stratagem and Other Stories an essential addition to their literary repertoire Weyman's skillful storytelling invites contemplation on the complexities of identity and ambition making this collection not just a series of entertaining tales but a profound reflection on the nature of leadership and consequence

**Enchanted Maidens** James M. Taggart, 1990-02-04 Spanish villagers tell many folktales that describe in metaphorical language the struggles of young men and women as they emerge from their parental families and join in love In this book James Taggart presents dozens of orally

transmitted tales including Snow White Cinderella Beauty and the Beast Blancaflor and dragonslayer stories collected from seven villages in the region of CNBceres and analyzes the differences in male and female approaches to telling them His study shows how men and women use the tales to grapple with some of the contradictions found in gender relations in their culture which conditions men to be sexually assertive and to marry virgins and which teaches women to fear the men who court them Taggart interprets the male female dialogue voiced through storytelling by linking the content of specific tales to the life experiences and gender of the storyteller Men and women he finds carry out an exchange of ideas by retelling the same stories and altering the plots and characters to express their respective views of courtship This indirect narrative dialogue conveys an understanding of the opposite sex and establishes a common model of marriage that permits men and women to overcome their fear of each other and bond in heterosexual love
