**The War of the Rebellion** United States. War Department,1887 Series I Contains the formal reports both Union and Confederate of the first seizures of United States property in the Southern States and of all military operations in the field with the correspondence orders and returns relating specially thereto and as proposed is to be accompanied by an Atlas In this series the reports will be arranged according to the campaigns and several theaters of operations in the chronological order of the events and the Union reports of any event will as a rule be immediately followed by the Confederate accounts The correspondence etc not embraced in the reports proper will follow first Union and next Confederate in chronological order Volume XIV 1885 Vol 14 Chap 26 Chapter XXVI Operations on the coasts of South Carolina Georgia and Middle and East Florida Apr 12 1862 Jun 11 1863 *Supernatural* Graham Hancock,2006-09-01 Publisher s Note A new expanded edition has replaced this book under the new title Visionary The Mysterious Origins of Human Consciousness ISBN 9781637480069 This definitive edition includes a new Introduction by Graham Hancock as well as restored chapters that were omitted from the original paperback release Less than fifty thousand years ago mankind had no art no religion no sophisticated symbolism no innovative thinking Then in a dramatic and electrifying change described by scientists as the

greatest riddle in human history all the skills and qualities that we value most highly in ourselves appeared already fully formed as though bestowed on us by hidden powers In *Supernatural* Graham Hancock sets out to investigate this mysterious beforeandafter moment and to discover the truth about the influences that gave birth to the modern human mind His quest takes him on a detective journey from the stunningly beautiful painted caves of prehistoric France Spain and Italy to rock shelters in the mountains of South Africa where he finds extraordinary Stone Age art He uncovers clues that lead him to the depths of the Amazon rainforest to drink the powerful hallucinogen Ayahuasca with shamans whose paintings contain images of supernatural beings identical to the animalhuman hybrids depicted in prehistoric caves Hallucinogens such as mescaline also produce visionary encounters with exactly the same beings Scientists at the cutting edge of consciousness research have begun to consider the possibility that such hallucinations may be real perceptions of other dimensions Could the supernaturals first depicted in the painted caves be the ancient teachers of mankind Could it be that human evolution is not just the meaningless process that Darwin identified but something more purposive and intelligent that we have barely begun to understand
