So Long Winter:

The Long Winter Laura Ingalls Wilder, 2022-08-16 DigiCat Publishing presents to you this special edition of The Long Winter by Laura Ingalls Wilder DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature

Long Winter Rachel Ember, 2021-02-19 It's been a long cold winter at Riverside Ranch where Robbie has lived alone since his brothers moved away Alone that is except for his three devious cats four saddle horses and the forty eight mustangs that roam the ranch Robbie is preparing for yet another snowfall when he gets the last call he expected a plea to pick up Lance Taylor from the county jail Lance wasn't just his little brother's best friend he was a part of the family Then one night after Lance asked Robbie for something Robbie couldn't give he ran away and never came back Lance was sixteen and heartbroken when he left his middle of nowhere hometown Six years later he's at rock bottom with nowhere else to go and no one to turn to but Robbie the man Lance has been inconveniently in love with for most of his life When Robbie offers Lance a place to stay Lance expects a guest bedroom and awkward silences Instead he finds himself sharing Robbie's one room hayloft apartment and its single bed while realizing that the old flame he carries for Robbie might not be so hopeless after all Long Winter is the first book in the Wild Ones series and has a happy for now ending Robbie and Lance's story continues in Signs of Spring Praise for Long Winter What a beautifully written story this is There is an effortless elegance to Rachel Ember's prose that I found myself sinking blissfully into like a relaxing Sunday drive or horseback ride as it were Robbie and Lucas are perfectly imperfect their past complicated and their desire a slow burn destined to ignite They breathed from the page and the setting was so real I felt like I could go to the ranch right now and see all of them I will definitely be reading more from this author L C Chase author of Pickup Men Long Winter is a gorgeously detailed realistic contemporary drama full of angst and longing and set in the backdrop of a rural Nebraskan town in winter A self-styled city boy Lance returns to his home town after the fallout from an abusive relationship with no one else to turn to other than his childhood crush modern day cowboy rancher Robbie Hot enough to warm your cold winter's night and threaded through with tender and sometimes painful childhood memories Recommended for people who like realistic character driven stories with a heavy emotional current running throughout KP Maxwell author of The Problem Client An enchanting and heartwarming novel with strong themes of family love and a long overdue second chance for two flawed but utterly lovable men The setting was beautifully evocative from the winter scenes to life on the ranch to the wild horses that watch over it all I sank totally into the read and can't wait for the next book from this author Stella Shaw author of Dante

After a Long Winter's Sleep Dr. Michael Bunch, 2025-03-26 Over the course of our walk with the Lord we inevitably experience many ups and downs Eventually there will come a time when we feel remote from the Lord and even at times as if we have been abandoned by Him This is far from the truth As we struggle walk run stumble and fall He is right there at our side Even when the darkness surrounds us so completely that we can see nothing except the impending doom within the darkness He is there In those times He carries us when we feel that we cannot endure anymore He wraps us in His loving arms showers us with His Shekinah glory and bathes us in His compassion This gives us renewed strength to continue to struggle on to the ultimate victory These dark moments are not pleasant but they are essential to our growth into what the Lord has planned for us to become I as the author of this book hope that at least one or more of these short stories will touch you during one of the inevitable dark moments and remind you that you are a precious child of the Lord and He has you firmly by the hand as He

guides you forward to the fulfillment of your walk in Christ **Long Winter Gone** Terry C. Johnston,2010-09-01 In the first volume of this saga of George Custer the infamous general takes a lover among the Indians captured in his long winter campaign against the Cheyenne risking marriage reputation and career for her *Tales for a Long Winter's Night* Judith Simpson,2003-12 *Tales for a Long Winter's Night* is a delightful collection of stories well suited for snuggling into a cozy armchair in front of a roaring fire on a long winter's night The stories take you from sunlit winter wonderlands to the darkest corners of the human heart You can sail tropical waters ford a creek in the Appalachian Mountains or ride a dark and dangerous canyon with a headless ghost There is love lost and love found action and adventure and heart pounding fear awaiting you Sit by your fire and enjoy the magic of *Tales for a Long Winter's Night* **The Long Winter** Paul L. Owen,2010-07-15 Paul Owen began his life with a lot of disadvantages His single mother did the best she could to raise him on food stamps and welfare But when he was only thirteen she died tragically of cancer leaving him at the mercies of relatives and foster care This is the story of his journey through seven foster homes across three states during his high school years Eventually he found a settled life and a career as a college professor in North Carolina How did he get there This book explains how ordinary people can overcome difficult challenges Among many poignant themes in these pages one will read of teenage angst the despair of poverty the solace of nature the power of romance a boy's love for his dog and the challenges which face many thousands of children who live in foster care in our country *At Winter's End* Robert Silverberg,2013-05-14 After seven hundred thousand years underground a tribe emerges to a frozen Earth in this novel from the Hugo and Nebula Award winning author The time of falling death stars ushered in the Long Winter eons of cold that caused plants and animals to vanish from Earth and drove people to take refuge in underground cocoons Human ingenuity had never faced a greater challenge For seven hundred thousand years generation after generation was born and died below the Earth's surface But now one small tribe is sensing change Chieftain Koshmar is sure that the New Springtime is near so she leads her people above ground to explore the new world that awaits The unfamiliar Earth still a frozen shell of its former self will test their mettle in every way leading the people of the tribe to the brink of their destiny or to their doom *At Winter's End* is the first book of the New Springtime series which continues with *The Queen of Springtime* This ebook features an illustrated biography of Robert Silverberg including rare images and never before seen documents from the author's personal collection *Winter's Tales* Lari Don,2014-02-27 Folk stories about winter from around the world **Geology for Students and General Readers. Physical Geology** Alexander Henry Green,2024-06-11 Reprint of the original first published in 1876 *The Family friend [ed. by R.K. Philp]*. Robert Kemp Philp, *Crave for light* Aimar Rollan,2019-10-25 For the Sufis there is no greater punishment than to feel nostalgic for being separated from the source nor greater reward than to feel attached to it Thus the emotion that predominates in this work is nostalgia and its consequent yearning to break free from it and merge into Unity This is the story of a fall a loss a recovery and an ascension It is the story of a search for

light from the deepest darkness It is written in poetic prose with brief fragments independent of each other which can be read in isolation but that have a certain cohesion since each fragment carries or craves a little more light than the previous one It is about a man who has lost his light but who harbors a faint flash of memory of her That transience tortures his mind and makes him embark on a path of ascension to recover that precious treasure It goes through all phases of depression sadness and melancholy rejoicing in its loss In the initial phases he identifies that lost light with the love of a woman with the love of many women who are one for him and the loss of that love is the germ of his melancholy As he progresses in his tribulation he recognizes that this yearned light belongs to something more subtle and deep to the realm of his soul He recognizes that emotional pain comes from feeling separated from the primordial source This work is written in a somber language but in its background aims to convey beauty hope and joy

The City and Its Uncertain Walls Haruki Murakami, 2025-09-09 NEW YORK TIMES BESTSELLER A GLOBE AND MAIL BEST BOOK OF THE YEAR A REAL SIMPLE BEST BOOK OF THE YEAR From the author of Norwegian Wood and Hard Boiled Wonderland and the End of the World comes a love story a quest an ode to books and to the libraries that house them and a parable for our peculiar times Haruki Murakami invented 21st century fiction The New York Times More than any author since Kafka Murakami appreciates the genuine strangeness of our real world San Francisco Chronicle Murakami is masterful Los Angeles Times When a young man's girlfriend mysteriously vanishes he is heartbroken and determined to find the imaginary town where he suspects she has taken up residence Thus begins a lifelong search that takes the man into middle age to a job in a remote library with mysteries of its own and on a journey between the real world and this otherworld a shadowless city where unicorns roam and willow trees grow There he finds his beloved working in a different library a dream library But she has no memory of their life together and as the seasons pass and the man grows more uncertain about the porous boundaries between these two worlds he must decide what he is willing to lose A love story a quest an ode to books and to the libraries that house them The City and Its Uncertain Walls is a parable for these strange times and singular and towering achievement by one of modern literature's most important writers Truth is not found in fixed stillness but in ceaseless change movement Isn't this the quintessential core of what stories are all about Haruki Murakami from the afterword

Everyday Life Science Mysteries Richard Konicek-Moran, 2013 How do tiny bugs get into oatmeal What makes children look like or different from their parents Where do rotten apples go after they fall off the tree By presenting everyday mysteries like these this book will motivate your students to carry out hands on science investigations and actually care about the results These 20 open ended mysteries focus exclusively on biological science including botany human physiology zoology and health The stories come with lists of science concepts to explore grade appropriate strategies for using them and explanations of how the lessons align with national standards They also relieve you of the tiring work of designing inquiry lessons from scratch What makes this book so special is the unique way science is

integrated into the story line using characters and situations children can easily identify with Page Keeley author of the NSTA Press series Uncovering Student Ideas in Science **Journal of Horticulture and Practical Gardening** ,1855

Reflections James O. Jeffers,2003-06-29 The book chronicles James Jeffers life from about age two but it purposefully falls short of being either memoirs or autobiography With this work he has attempted to simply record for his children grandchildren and others the wonderful events of his life as he experienced them The book covers thousands of miles of travel along with living and working with peoples of differing cultures on three continents and in the Caribbean five foreign countries and fifteen different states spanning the nation from coast to coast to coast **"A" True Relation of the Holy**

Introduction There are poems that seek And some that keep Troubles that we find But some are fun They bring the sun And help to heal the mind For things that are spoken Find hearts that are broken Needing words to heal But joy can be found If we let words surround Thoughts we can t conceal So it s time to look Turn the pages of this book And find where reason leads For words can say All that brightens the day To give the mind what it needs **Prologue** ,2003
