straightforward empowering guide to homegrown herbal remedies for illness injuries and preventative health Most of us
understand the value of eating and buying local Taking back our food goods and services from multinational corporations and
sourcing them from small growers producers artisans and entrepreneurs benefits our families our environment and our
communities Heal Local argues that 100 mile healthcare can be equally valuable in terms of how we treat illness and injury
and maintain wellness This innovative guide demonstrates that by harnessing multifaceted whole plants we can rely on
homegrown or regionally produced herbs rather than importing exotics and non natives Based on the small apothecary model
author Dawn Combs explains how to Maximize the benefits of homegrown first aid from increased freshness potency and
effectiveness to community resilience and local economic growth Make home herbal healthcare less intimidating and more
attainable by focusing on twenty herbs to effectively treat most common injuries and ailments Implement a local medicine
culture safely and sustainably while protecting and respecting wild plant populations Many herbals overwhelm their readers
presenting a list of hundreds of herbs each with a different purpose Heal Local empowers readers by showing that you don t
need to know everything about every herb on the planet to create a complete home apothecary Anyone can be self sufficient
