So You Wanna Be A Rock Roll Star:

So You Wanna Be a Rock & Roll Star Jacob Slichter, 2005-05-10 After years of working day jobs and making music in his basement Jacob Slichter wondered if his dreams of rock stardom were a vain illusion Then he was recruited by two of his successful musician friends to form a band that became Semisonic Who could forget the smash single Closing Time a runaway hit in 1998 that thrust Jake and his bandmates into the international spotlight and helped them sell over two million albums worldwide But along the road to fame and success came bewilderment and personal chaos How will we ever get a record deal Which record company is the best The worst Do I really have to wear these ridiculous boots Why isn t radio playing our song What if I have a panic attack right here on stage What should I write on this fan s CD Am I famous Why isn t the video director getting more shots of me Did I say the wrong thing during that interview Help So You Wanna Be a Rock Roll Star is a telling and witty look at what happens just before and during one s time in the spotlight Jake takes readers on a step by step journey of his evolution from fledgling drummer to globetrotting performer and proves to be the perfect guide feisty and humbled to the inner workings of the music industry and instant celebrity So You Wanna Be a Rock Roll Star speaks to all of us who dream again and again of rock superstardom and shows how one kid can go from picking up a pair of drumsticks to picking up a platinum record

So You Want To Be A Rock 'n' Roll Star Christopher Hjort, 2008-10 The most compelling and complete account of The Byrds ever published this book draws on hundreds of lost and previously undiscovered sources to create a gripping chronicle of the band s life and times So You Want To Be A Rock n Roll Star collates eye witness accounts press reports and concert Reviews set lists tour dates and gig locations record releases and reviews recording studio data and contemporary interviews and is illustrated with a rare collection of period photographs and print memorabilia All this is woven into an absorbing day by day narrative that tells the story of The Byrds in a way that will surprise and delight even their most dedicated fans **BOOK JACKET**

The Byrds' The Notorious Byrd Brothers Ric Menck, 2007-01-15 By the time Roger McGuinn David Crosby Chris Hillman and Michael Clarke entered the studio to begin work on this album they were basically falling apart at the seams Ladyfriend a song written by Crosby had just failed miserably as a chart single despite the fact that he lobbied hard to get it released This coupled with the fact that he made what the rest of the band considered an embarrassing political speech onstage during their set at the Monterey Pop Festival and then sat in with rivals the Buffalo Springfield the following day pushed McGuinn and Hillman in particular to the limits of their patience Then for the Notorious sessions Crosby presented a song called Triad written about a threesome and although McGuinn and Hillman reluctantly agreed to record it they later decided to place a less controversial Goffin King pop number called Goin Back on the album instead Crosby declared the song banal and refused to sing on it A few too many studio flare ups later McGuinn and Hillman finally screeched up into the Hollywood Hills in their Jaguars and fired Crosby on the spot Also brooding during this period was drummer Michael Clarke who had always borne the brunt of the other band members

rage while recording He was by far the least accomplished member of the band musically and when they suggested bringing in a studio drummer to embellish some tracks Jim Gordon later of Derek the Dominos fame he finally declared he d had enough and moved to Hawaii to get away from the music scene altogether So McGuinn and Hillman were left to cobble together an album with the help of producer Gary Usher known for his work with Brian Wilson the Millenium Sagittarius and many others The fact that it turned out to be one of the defining albums of the 60s psychedelic pop experience was either a sheer stroke of luck or a testament to McGuinn and Hillman s determination to prove that they didn t need Crosby s help to construct their masterpiece
