## **Social Case Work In Great Britain:**

Psychiatric Social Work in Great Britain Noel Timms, 2018-12-07 Originally published in 1964 Psychiatric Social Work looks at psychiatric social work as an established form of professional social work in Great Britain as well as the mental health policy introduced at the time of the book's publication. The book looks at how social workers in the 1960s were striving for professional status and the interest that grew around their professional status during this period. The book examines changes and issues in their training and a general picture of those who qualified. It looks at the careers of a group of social workers and follows the developments in child guidance mental hospitals and the care of the mentally ill in the community. The contribution of social workers is discussed and their activities of the professional associations in training and professional development is examined. This book will act as an important historical look at the changes to social work.

**Authority in Social Casework** Robert Foren, Royston Bailey, 2016-06-06 Authority in Social Casework reviews the various settings in which social work is practiced. This book describes the presence of some component of authority in all casework situations while distinguishing the modes suitable to each setting and to the various needs of clients. Organized into three parts encompassing 10 chapters, this book begins with an overview of the practice of social casework in an authority setting. This text then examines the different concepts of authority as they affect the casework process. Other chapters consider the ways in which authority inheres in the role and function of workers in various casework settings. This book discusses as well the ways in which the nature of the setting determines the types of authority its workers possess. The final chapter deals with the use of a more assertive casework method of support which depends on the accurate assessment of the degree of maturity indicated by the client. Caseworkers will find this book useful. **Social Casework IIs 189** Noel

Timms, 2013-10-28 First published in 1998. This volume is IX in the international library of sociology collection and focuses on social casework principles and practice. The text attempts to describe some of the main problems facing caseworkers as they both try to help their clients and to theorize about their methods and objectives to discern the knowledge they use and apply and to appraise the significance of the social agencies in which they work. Social Work and Human Problems: Casework, Consultation and Other Topics Elizabeth E. Irvine, 2016-06-06 Social Work and Human Problems Casework Consultation and

Other Topics is a five part book that first discusses the aspects of casework in social work. Part II details the consultation and mental health education. Parts III and IV elucidate the needs of client groups with special problems as well as the values and knowledge for social work. The last part explains the psycho social aspects of adolescence and anxiety. The significant contributions of Donald Winnicott are also shown. **History of Social Work in the United Kingdom: Oxford**

**Bibliographies Online Research Guide** Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters and journal articles to online archives, electronic data

sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com)

**The Social Services of Modern England** M. Penelope Hall, 2013-11-05 First Published in 1998 This is Volume XIII of eighteen of a series on the Sociology of Public Policy Welfare and Social Work Written in 1952 this book looks at the social services after the closing years of the Second World War and the period of reconstruction which followed when they embraced social insurance and assistance health housing education the care of old people and of deprived children which had been expanding and developing during the previous half century During this they were examined evaluated and reconstituted Their scope was widened to include the whole population and the benefits provided were made more far reaching and comprehensive

**Social casework in Great Britain** Lou Ann Rhodes, 1954

**A History of the Roles and Responsibilities of Social Workers** Mike Burt, 2020-07-22 Tracing the origin of work with the impotent poor under the Poor Laws to social workers current responsibilities towards vulnerable people this book introduces the reader to the way in which the identification of particular social problems at the end of the nineteenth century led to the emergence of a wide range of separate occupational groups and voluntary workers which were sometimes but increasingly referred to as social workers Using an extended single chronological historical narrative and analysis which draws heavily on original archival sources and contemporary literature it addresses the changes which took place as part of the welfare state and the identification of common roles and responsibilities by social workers which led to the formation of the British Association of Social Workers in 1970 The expansion of roles and responsibilities in social services departments and voluntary societies is analysed and their significance for the development of social work is evaluated By highlighting the changes and continuities in these roles and responsibilities this book will be of interest to all academics students and practitioners working within social work who wish to know more about the origins of their discipline and the current state of the profession today

**A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge

range of topics is covered There is a comprehensive index *Social Service and Mental Health* M. Ashdown, S. Clement Brown, 2013-07-04 First published in 1998 This is Volume VII the final of seven in the Sociology of Mental Health series Written in 1953 this book is about individuals who choose and are chosen for psychiatric social work the use that they make of training and the shaping of their careers when they enter employment **New Developments in Casework** Eileen Younghusband, 2021-11-07 Originally published in 1966 this book gives examples of the most advanced thought about casework by well known writers in England and the United States at the time The ground covered includes the use of some current sociological theory in casework analysis of the interpersonal relationships in casework new thought about the appropriate use of authority with people whose own internal controls are weak and unreliable and recent advances in understanding and working with people who respond to action more easily than to words These articles by well known authorities illustrate the increased range of insight and skill required of modern caseworkers and at the same time are highly readable conveying complex ideas in language refreshingly free from jargon *Social and Moral Theory in Casework (Routledge Revivals)* Raymond Plant, 2009-07-15 First published in 1970 the aim of the book is to map the logical geography of an important set of concepts which enter into the theory of social casework those concerning the individual and society Concepts examined include the individually orientated values of self direction and acceptance and those of role adjustment and integration which express the individual's relation to society The author's main concern is to see whether a coherent theory of the relationship between individual and society can be given in terms of these concepts and to argue that such a theory is fundamental to casework discussion Mr Plant also discusses what if any social or political commitments the activity of casework presupposes and evaluates the view that casework is apolitical *Social Casework*, 1974 The Social Worker Speaks David Burnham, 2016-02-24 The Social Worker Speaks charts the motivations work activities and attitudes of social workers across the country from 1904 to 1989 The book is about workers in the public sector from Poor Law to Social Services Departments probation and workers in the voluntary field including early century philanthropic visiting societies as well as specialist societies such as the Children's Society and the NSPCC Where possible accounts by and the words and thoughts of social workers themselves are used Since the war histories of social work have concentrated on practice theory and methods developments instigated by legislation university training and professional status but there has been little attention paid to who social workers were what they believed what they actually did and what they thought of what they did Also individual social workers appearing in nearly all histories have been leaders managers teachers or academics with people who did the job on the front line accorded barely a mention If part of the aim of this book is to remedy this partial coverage another aim is to offer a more human history of social workers There is too little celebration or humour in what has been published about the history of social workers The Social Worker Speaks deliberately includes stories of how social workers behaved their frustrations and triumphs passions and occasional sins So this is deliberately not a history of social

work but a history of social workers the first of its kind      *Library of Congress Subject Headings* Library of Congress,2009

**Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2009      **Children who Need Protection** ,1966      **The Origins of Social Work** Malcolm Payne,2020-01-22 This book traces the origins and

development of social work as we now know it Providing an ambitious synthesis of historical and international material it explores the different faces of social work whether defined by social policy developments professionalization changes in client group or shifts in practice orientation This is a unique book undertaken by an author with a strong international reputation and as such it promises to be a landmark for years to come in the social work literature      *The Expansion of Social Work in Britain* Philip Seed,2022-03-29 First published in 1973 The Expansion of Social Work in Britain presents an overview of the history of social work to develop an understanding of what modern social work is and of what the rapid expansion of social work means as a social phenomenon Divided into three parts Part I examines the traditions and the forms of social action in the nineteenth century from which social work originated Part II presents the period following the Second World War and concentrate particularly on the development of family casework in relation to what was sometimes called the problem of the problem family Part III examines the context of the expansion of social work in Britain into the field of community work This book is an essential read for students of social work and social work professionals      **Casework in**

**Context** D. E. F. Tilbury,2014-05-18 Casework in Context A Basis for Practice discusses the methodologies and techniques utilized in social case studies The book also covers the specific applications of caseworks along with some issues that can be encountered while in the practice The text first details the social work and society as well as the development of social work conceptualization Next the book tackles topics related to interviewing such as client needs and worker response treatment goals methods and plans and case work process The next part of the text deals with the differential uses of casework The last part covers topics about the activities of a social worker outside an interview The book will be of great use to researchers and practitioners in disciplines that involve research studies in a social setting such as psychology sociology and anthropology
