her to mine correspondence photographs sketchbooks and memorabilia all of which add fresh insight into the American art scene in the early 1900s Of particular interest is the correspondence of Couse s wife Virginia Walker an art student in Paris when the couple first met Her letters home to her family in Washington State offer a vivid picture of her husband s student life in Paris where Couse studied under the famous painter William Bouguereau at the Acad mie Julian Whereas many artists of the early twentieth century pursued a radically modern style Couse held true to his formal academic training throughout his career He gained renown for his paintings of southwestern landscapes and his respectful portraits of Native peoples Through his depictions of the domestic and spiritual lives of Pueblo Indians Couse helped mitigate the prejudices toward Native Americans that persisted during this era
