Merchants: The Sound Creators of Jamaican Popular Music Ray Hitchins, 2016-03-03 Vibe Merchants offers an insider's perspective on the development of Jamaican Popular Music researched and analysed by a thirty year veteran with a wide range of experience in performance production and academic study This rare perspective derived from interviews and ethnographic methodologies focuses on the actual details of music making practice rationalized in the context of the economic and creative forces that locally drive music production By focusing on the work of audio engineers and musicians recording studios and recording models Ray Hitchins highlights a music creation methodology that has been acknowledged as being different to that of Europe and North America The book leads to a broadening of our understanding of how Jamaican Popular Music emerged developed and functions thus providing an engaging example of the important relationship between music technology and culture that will appeal to a wide range of scholars **Sounds from the Other Side** Elliott H.

Powell, 2020-11-03 A sixty year history of Afro South Asian musical collaborations From Beyoncé's South Asian music inspired Super Bowl Halftime performance to jazz artists like John and Alice Coltrane's use of Indian song structures and spirituality in their work to Jay Z and Missy Elliott's high profile collaborations with diasporic South Asian artists such as the Panjabi MC and MIA African American musicians have frequently engaged South Asian cultural productions in the development of Black music culture Sounds from the Other Side traces such engagements through an interdisciplinary analysis of the political implications of African American musicians South Asian influence since the 1960s Elliott H Powell asks what happens when we consider Black musicians South Asian sonic explorations as distinct from those of their white counterparts He looks to Black musical genres of jazz funk and hip hop and examines the work of Miles Davis John Coltrane Rick James OutKast Timbaland Beyoncé and others showing how Afro South Asian music in the United States is a dynamic complex and contradictory cultural site where comparative racialization transformative gender and queer politics and coalition politics intertwine Powell situates this cultural history within larger global and domestic sociohistorical junctures that link African

American and South Asian diasporic communities in the United States The long historical arc of Afro South Asian music in *Sounds from the Other Side* interprets such music making activities as highly political endeavors offering an essential conversation about cross cultural musical exchanges between racially marginalized musicians *The Music of Sounds and the Music of Things* Leigh Landy, John Richards, 2024-09-30 This book investigates two areas in which the appreciation of sonic creativity can be easily acquired across diverse cultures ages and interests the music of sounds making music with any sounds part of today s sampling culture and the music of things and the creation of instruments using existent materials another type of sampling involving the notion of instrument as composition as part of today s DIY or DIT do it together culture The book offers broad discussions regarding the music of things written by John Richards followed by the music of sounds written by Leigh Landy These chapters are followed by a focus on the workshop demonstrating the collaborative and inclusive potential in both areas and a spotlight on eight artists with a broad diversity of backgrounds and approaches to sound and music who discuss their perceptions The book s conclusion focuses on similarities and differences between the music of sounds and the music of things suggesting finally that both might form part of the 21st century s folk music landscape The book is primarily aimed towards students interested in current forms of sonic creativity but will be of interest to those interested in broader issues of sampling culture hacking and sound studies *Sound* Kathryn Kalinak, 2015-05 Sound has always been an integral component of the moviegoing experience Even during the so called silent era motion pictures were regularly accompanied by live music lectures and sound effects Today whether we listen to movies in booming Dolby theaters or on tiny laptop speakers sonic elements hold our attention and guide our emotional responses Yet few of us are fully aware of the tremendous collaborative work involving both artistry and technical wizardry required to create that cinematic soundscape *Sound* the latest book in the *Behind the Silver Screen* series introduces key concepts seminal moments and pivotal figures in the development of cinematic sound Each of the book s six chapters cover a different era in the history of Hollywood from silent films to the digital age and each is written by an expert in that period Together the book s contributors are able to explore a remarkable range of past and present film industry practices from the hiring of elocution coaches to the marketing of soundtrack records Not only does the collection highlight the achievements of renowned sound designers and film composers like Ben Burtt and John Williams it also honors the unsung workers whose inventions artistry and performances have shaped the soundscapes of many notable movies After you read *Sound* you ll never see or hear movies in quite the same way *Sound* is a volume in the *Behind the Silver Screen* series other titles in the series include *Acting Animation Art Direction and Production Design Cinematography Costume Makeup and Hair Directing Editing and Special Visual Effects Producing and Screenwriting* ***The Sounds of Early Cinema*** Richard Abel, Rick Altman, 2001-10-03 *The Sounds of Early Cinema* is devoted exclusively to a little known yet absolutely crucial phenomenon the ubiquitous presence of sound in early cinema Silent cinema may rarely have been silent but the sheer diversity of sound s and sound

image relations characterizing the first 20 years of moving picture exhibition can still astonish us Whether instrumental vocal or mechanical sound ranged from the improvised to the pre arranged as in scripts scores and cue sheets The practice of mixing sounds with images differed widely depending on the venue the nickelodeon in Chicago versus the summer Chautauqua in rural Iowa the music hall in London or Paris versus the newest palace cinema in New York City as well as on the historical moment a single venue might change radically and many times from 1906 to 1910 Contributors include Richard Abel Rick Altman Edouard Arnoldy Mats Bj rkin Stephen Bottomore Marta Braun Jean Ch teauvert Ian Christie Richard Crangle Helen Day Mayer John Fullerton Jane Gaines Andr Gaudreault Tom Gunning Fran ois Jost Charlie Keil Jeff Klenotic Germain Lacasse Neil Lerner Patrick Loughney David Mayer Domi nique Nasta Bernard Perron Jacques Polet Lauren Rabinovitz Isabelle Raynauld Herbert Reynolds Gregory A Waller and Rashit M Yangirov

Sound Commitments Robert Adlington, 2009-02-19 The role of popular music is widely recognized in giving voice to radical political views the plight of the oppressed and the desire for social change Avant garde music by contrast is often thought to prioritize the pursuit of new technical or conceptual territory over issues of human and social concern Yet throughout the activist 1960s many avant garde musicians were convinced that aesthetic experiment and social progressiveness made natural bedfellows Intensely involved in the era s social and political upheavals they often sought to reflect this engagement in their music Yet how could avant garde musicians make a meaningful contribution to social change if their music remained the preserve of a tiny initiated clique In answer Sound Commitments examines the encounter of avant garde music and the Sixties across a range of genres aesthetic positions and geographical locations Through music for the concert hall tape and electronic music jazz and improvisation participatory events performance art and experimental popular music the essays in this volume explore developments in the United States France West Germany Italy the Netherlands the Soviet Union Japan and parts of the Third World delving into the deep richness of avant garde musicians response to the decade s defining cultural shifts Featuring new archival research and or interviews with significant figures of the period in each chapter Sound Commitments will appeal to researchers and advanced students in the fields of post war music cultures of the 1960s and the avant garde as well as to an informed general readership
