Southern Californias Best Ghost Towns A Practical Guide:

Southern California's Best Ghost Towns Philip Varney,1994 *Southern California's Best Ghost Towns* Philip Varney,1994-03-01 The ghost towns of Southern California some dramatic and nearly intact others devastated are well worth visiting Most are remnants of once colorful mining towns though there are also railroad towns a World War II relocation center a promoter s swindle and a failed socialist colony Some excellent attractions remain One of the best preserved stamp mills in the West is in Skidoo Smelters homes stores and the remarkable wooden American Hotel can be found in Cerro Gordo which the author calls California s best true ghost town Seasoned back roads traveler Philip Varney who has visited nearly a hundred ghost towns in the area provides a down to earth and helpful guide to more than sixty of the best in Southern California and nearby Inyo and Kern counties He defines a ghost town as a town with a population markedly decreased from its peak one whose initial reason for settlement no longer keeps people there It can be completely deserted have a resident or two or retain genuine signs of vitality but Varney has eliminated those towns he considers either too populated or too empty of significant remains The sites are grouped in four chapters in Inyo County Death Valley the Mojave Desert and Kern River and the regions surrounding Los Angeles and San Diego Each chapter provides a map of the region a ranking of sites as major secondary and minor information on road conditions trip suggestions and tips on the use of particular topographic maps for readers interested in more detailed exploration Each entry includes directions to a town a brief history of that town and notes on its special points of interest Current photographs provide a valuable record of the sometimes fragile sites *Southern California s Best Ghost Towns* will be welcomed both by those who enjoy traveling off the beaten path and by those who enjoy the history of the American West **The World of the American West** Gordon Morris Bakken,2016-12-12 Addressing everything from the details of everyday life to recreation and warfare this two volume work examines the social political intellectual and material culture of the American Old West from the California Gold Rush of 1849 to the end of the 19th century What was life really like for ordinary people in the Old West What did they eat wear and think How did they raise their children How did they interact with government What did they do for fun This encyclopedia provides readers with an engaging and detailed portrayal of the Old West through the examination of social cultural and material history Supported by the most current research the multivolume set explores various aspects of social history family politics religion economics and recreation to illuminate aspects of a society s emotional life interactions opinions views beliefs intimate relationships and connections between the individual and the greater world Readers will be exposed to both objective reality and subjective views of a particular culture as a result they can create a cohesive accurate impression of life in the Old West during the second half of the 1800s **New Mexico's Best Ghost Towns** Philip Varney,1987-11 This useful guidebook surveys more than eighty ghost towns grouped by geographic area *Tourism and Earthquakes* C. Michael Hall,Girish Prayag,2020-10-08 This book offers a comprehensive overview of the relationship between tourism and

earthquakes through all stages of a disaster It discusses the measures available to manage tourism after earthquakes and examines the means to mitigate the potential impacts of earthquakes on tourism The chapters address important questions such as are tourists who come to earthquake regions immediately after an earthquake a benefit or a burden for recovery and should priority be given to evacuate tourists after an earthquake hits The volume provides insights into the ethical commercial and socioeconomic issues facing tourism after a major earthquake It will be useful to students and researchers in tourism studies tourism planning and marketing natural hazards and destination and disaster management **Southern California Quarterly** ,1991 Mining Heritage and Tourism Michael Conlin, Lee Jolliffe, 2010-10-04 Many former mining areas have now lost their industrial function and are now turning to tourism for regional revitalization and community economic development The transformation process of these industrial and in some cases derelict mining sites and landscapes into an area of interest for tourists is a major challenge both for planners and for tourism managers It involves complex consideration to both the preservation of the physical site and community mining heritages as well as the health safety and environmental factors inherent in opening these vast sites to the public Mining Heritage and Tourism includes contributions from internationally recognized authorities and is the first book to focus on the issues challenges and potentials in redeveloping mines as cultural heritage attractions which are explored thematically throughout the book It draws on multidisciplinary research to consider the dichotomy between heritage preservation and tourist development goals for mining heritage sites as well as to explore the practical challenges of developing these sites These themes are illustrated by case studies from a vast range of geographical locations around the globe to offer operational insights into the planning and management of these sites for both heritage and tourism purposes as well as innovative site management techniques There has never before been a more comprehensive book on mining heritage tourism representing the latest developments in strategy policy and practices This book serves as an invaluable guide for students researchers academics and practitioners in the areas of Tourism and Heritage Management **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **California History** ,1991 **The Journal of Arizona History** ,1980
