Soviet Asian Ethnic Frontiers William O. McCagg, Brian D. Silver, 1979 **Asian Frontier Nationalism** James Cotton, 1989 , *Xinjiang - China's Northwest Frontier* K. Warikoo, 2016-03-02 Xinjiang is the pivot of Asia where the frontiers of China Tibet India Afghanistan Pakistan and Central Asia approach each other The growing Uyghur demand for a separate homeland and continuing violence in Xinjiang have brought this region into the focus of national and international attention With Xinjiang becoming the hub of trans Asian trade and traffic and also due to its rich energy resources Uyghur Muslims of Xinjiang are poised to assert their ethno political position thereby posing serious challenge to China's authority in the region This book offers a new perspective on the region with a focus on social economic and political developments in Xinjiang in modern and contemporary times Drawing on detailed analyses by experts on Xinjiang from India Central Asia Russia Taiwan and China this book presents a coherent concise and rich analysis of ethnic relations Uyghur resistance China's policy in Xinjiang and its economic relations with its Central Asian neighbours It is of interest to those studying in Chinese and Central Asian politics and society International Relations and Security Studies *The Russian General Staff and Asia, 1860-1917* Alex Marshall, 2006-11-22 This new book examines the role of the Tsarist General Staff in studying and administering Russia's Asian borderlands It considers the nature of the Imperial Russian state the institutional characteristics of the General Staff and Russia's relationship with Asia During the nineteenth century Russia was an important player in the so called Great Game in central Asia Between 1800 and 1917 officers of the Russian General Staff travelled extensively through Turkey central Asia and the Far East gathering intelligence that assisted in the formation of future war plans It goes on to consider tactics of imperial expansion and the role of military intelligence and war planning with respect to important regions including the Caucasus central Asia and the Far East In the light of detailed archival research it investigates objectively questions such as the possibility of Russia seizing the Bosphorus Straits and the probability of an expedition to India Overall this book provides a comprehensive account of the Russian General Staff its role in Asia and of Russian military planning with respect to a region that remains highly strategically significant today

Afghanistan Heather Bleaney, 2006-02-01 This up to date comprehensive thematically indexed bibliography devoted to Afghanistan now and yesterday will help readers to efficiently find their way in the massive secondary literature available Following the pattern established by one of its major data sources viz the acclaimed Index Islamicus both journal articles and book publications are included and expertly indexed An indispensable entry for all those taking professional or personal interest in a nation so much the focus of attention today *China's Last Nomads* Linda Benson, Ingvar Svanberg, 2016-09-16 This study based on Chinese publications and archival materials as well as on recent fieldwork provides an up to date treatment of Kazak history and culture emphasizing the Kazaks in 20th century China and in particular their status today as one of China's minority nationalities Problems of Communism , 1979 *Variations on Uzbek Identity* Peter

Finke,2014-02-01 Throughout its history the concept of Uzbekness or more generally of a Turkic speaking sedentary population has continuously attracted members of other groups to join as being Uzbek promises opportunities to enlarge ones social network Accession is comparatively easy as Uzbekness is grounded in a cultural model of territoriality rather than genealogy as the basis for social attachments It acknowledges regional variation and the possibility of membership by voluntary decision Therefore the boundaries of being Uzbek vary almost by definition incorporating elements of local languages cultural patterns and social organization This book combines an historical analysis with thorough ethnographic field research looking at differences in the conceptualization of group boundaries and the social practices they entail It does so by analysing decision making processes by Uzbeks on the individual as well as cognitive level and the political configurations that surround them **The Soviet Multinational State** Martha Brill Olcott,Lubomyr Hajda,Anthony Olcott,2019-07-26 The Soviet Union is a multinational state with about half of the country s population being ethnically Russian The advent of glasnost and moves toward democratization and decentralization has unleashed the expression of national sentiments and interests in the USSR This collection of Soviet materials surveys the many ramifications of the nationality question in the USSR in the 1980s The topics covered include ideology state organization party recruitment inter republican economic relations demographic factors education bilingualism cultural institutions religious traditions military service and disputes over republican prerogatives in the Baltic and over territory the case of Nagorno Karabakh Each topical section includes a detailed introduction by the editor This anthology provides coverage of the past decade up to and including the current unrest and the impact of the Gorbachev reforms
