Making Sense of Sex Adrian Thatcher, 2012-06-21 All living creatures are sexed Human beings

belong to societies where traditions about who can have sex with whom and how and when are centuries old Making sense of sex assumes that there is a rational way of understanding our basic drives But our inevitable failure to get sex right is the beginning of a proper and theological understanding of sex The Christian tradition especially in its conservative forms is often thought to be unhelpful in making sense of sex Christian sexual ethics may seem overly demanding holistic in theory yet sexist and pessimistic in practice Adrian Thatcher argues however that instead of being pessimistic about sex Christians can be grateful realists instead Making Sense of Sex draws on the resources of Liberal Theology to promote a mature union of spirituality and sexuality Exploring topics such as desire bodies and the Body of Christ sexual difference homosexuality marriage and Paul's reflection on flesh and spirit it will help to guide readers towards a spiritual understanding of shared sexual love Sex and Love in the Home, Second Edition David M. McCarthy, 2011-01-01 This book inaugurates a completely new way of thinking about the ethics of marriage and sex I know of no book on the subject more promising than what McCarthy has achieved here Stanley Hauerwas Gilbert T Rowe Professor of Theological Ethics Duke University Much has been written in Christian theology about sex love and procreation but their social meanings and contributions are much more rarely addressed McCarthy now takes this greatly neglected task eloquently connecting the Christian household to the common good All those who want to realize the social vocation of the Christian family will find in this work a rich and challenging resource for understanding and for life Lisa Sowle Cahill J Donald Monan Professor of Theology Boston College Drawing on his own experience of learning how to be a husband and father David Matzko McCarthy offers wonderfully incisive and readable reflections on the habits of the household a neighborly space which resists consumerism and enables sexual relationships to be ordinary meaningful and passionate If you think that all that Christian theology has to say about sex and relationships is twaddle about complementarity and family values then this is the book for you Gerard Loughlin Senior Lecturer in Religious Studies University of Newcastle upon Tyne *Sexuality, Religion, and Magic* Michael A. Kőszegi, 1994 **Christian Ethics** Judith Caron, 2001-12-27 Christian Ethics focuses on understanding the relationship between one's ethical self society's rules and the consequences of one's actions It operates from a Judeo Christian perspective that also takes into account the ethical system of other major world religions Christian Ethics draws from philosophy theology and psychology It considers the roles of personality development conscience formation gender difference religious values and social structures in ethical decision making It probes the questions and dilemmas of good vs evil personal vs communal values authority vs conscience religion vs society and civil vs moral law Examples and case studies drawn from the fields of social medical sexual business political environmental and personal ethics are used throughout the book and illuminate the process for personal decision making *Body, Mind and Spirit* , **The Christian Librarian** , 1983 **The Writers Directory** , 2013
