Mississippi Between them Chuck and Bo caused a revolution in Chicago blues hitherto largely unknown to white America and the mass market Both were signed to Chess Records established by Eastern European immigrants the Chess brothers who provided the shop window for Chicago bluesmen while also conforming to a now all too familiar pattern as white entrepreneurs exploiting black talent Chess Records both examines the subject of exploitation within the record business and celebrated the music of two unique and important artists and the extraordinarily fertile blues environment out of which they grew *The Guinness Book of Records* 1997 Rhonda Carrier,1996

Encyclopedia of Cryptozoology Michael Newton,2016-10-05 On every continent and in every nation animals unrecognized by modern science are reported on a daily basis People passionately pursue these creatures the name given to their field of study is cryptozoology Coined in the 1950s the term literally means the science of hidden animals When the International Society of Cryptozoology ISC was formed in 1982 the founders declared that the branch of science is also concerned with the possible existence of known animals in areas where they are not supposed to occur either now or in the past as well as the unknown persistence of presumed extinct animals to the present time or to the recent past what makes an animal of interest to cryptology is that it is unexpected This reference work presents a flesh and blood view of cryptozoology Here 2 744 entries are listed the majority of which each describe one specific creature or type of creature Other entries cover 742 places where unnamed cryptids are said to appear profiles of 77 groups and 112 individuals who have contributed to the field descriptions of objects and events important to the subject and essays on cryptotourism and hoaxes for example Appendices offer a timeline of zoological discoveries annotated lists of movies and television series with cryptozoological themes a list of crypto fiction titles and a list of Internet websites devoted to cryptozoology

The Last Deposit Natasha Dornberg,Itamar Levin,1999-10-30 The injustices committed against millions of Europe s Jews did not end with the fall of the Third Reich Long after the Nazis had seized the belongings of Holocaust victims Swiss banks concealed and appropriated their assets demanding that their survivors produce the death certificates or banking records of the depositors in order to claim their family s property demands that were usually impossible for the petitioners to meet Now the full account of the Holocaust deposits affair is revealed by the journalist who first broke the story in 1995 Relying on archival and contemporary sources Itamar Levin describes the Jewish people s decades long effort to return death camp victims assets to their rightful heirs Levin also uncovers the truth about the behavior of Swiss banking institutions their complicity with the Nazis and their formidable power over even their own neutral government From the first attempt to settle the fate of German property in neutral countries at the Potsdam Conference in 1945 through the heated negotiations following publication of Levin s investigative article in 1995 to the Swiss banks ultimate agreement to a 1 25 billion payment in 1997 the pursuit of restitution is a story of delaying tactics and legal complications of almost unimaginable dimensions Terrified that the traditional and highly marketable wall of secrecy surrounding the Swiss banks would tumble and destroy the industry the banks managements were dismissive and

uncooperative in determining the location and extent of the assets in question forcing the United States other European countries and Jewish organizations worldwide to apply tremendous pressure for a just resolution The details and the central characters involved in this struggle as well as new information about Switzerland s controversial policies during World War II are fascinating reading for anyone concerned with the Holocaust and its aftermath **The Guinness Book of World**

Records 1997 Norris McWhirter,1997-05 As the top selling copyrighted book in publishing history The Guinness Book of World Records has achieved a spectacular feat From edition to edition it has surveyed the world s most extraordinary authenticated facts and figures measuring all strata of human achievement and endurance as well as natural phenomena While it continues to entertain millions with superlatives ranging from the trivial to the sublime it s clear that this one mammoth volume may be the best superlative of them all **William Forsythe** Senta Driver,2013-11-05 First Published in 2000 Choreography and Dance An International Journal is concerned with the composition of ballet and related forms of dance performed on stage The journal covers the techniques and training of choreographers and the development of choreography together with historical social folk and other influences on dance This is Volume 5 Part 3 focusing on the life of William Forsythe his life and works in movement design and dance direction including his time at the Ballett Frankfurt

Popped Culture Andrew F. Smith,2021-11-24 The history legends and cookery of America s favorite snack food Whether in movie theaters or sports arenas at fairs or theme parks around campfires or family hearths Americans consume more popcorn by volume than any other snack To the world popcorn seems as American as baseball and apple pie Within American food lore popcorn holds a special place for it was purportedly shared by Native Americans at the first Thanksgiving In Popped Culture Andrew F Smith tests such legends against archaeological agricultural culinary and social findings While debunking many myths he discovers a flavorful story of the curious kernel s introduction and ever increasing consumption in North America Unlike other culinary fads of the nineteenth century popcorn has never lost favor with the American public Smith gauges the reasons for its unflagging popularity the invention of wire over the fire poppers commercial promotion by shrewd producers the fascination of children with the kernel s magical pop and affordability To explain popcorn s twentieth century success he examines its fortuitous association with new technology radio movies television microwaves and recounts the brand name triumphs of American manufacturers and packagers His familiarity with the history of the snack allows him to form expectations about popcorn s future in the United States and abroad Smith concludes his account with more than 160 surprising historical recipes for popcorn cookery including the intriguing use of the snack in custard hash ice cream omelets and soup **Uncaged** Frank Shamrock,Charles Fleming,2012 Before Frank Shamrock became known professionally as The Legend winning almost every mixed martial arts title in existence he endured a childhood marred with abuse neglect and molestation that led to an equally troubled young adulthood This riveting book tells his whole story his neglect as a child by his hippie mother and absentee father his salvation under the foster father who took him in when no one else would his
