The Hancock Boys:

The Hancock Boys Thomas William Simpson, 2000 A uniquely terrifying thriller that breaks all of the commandments with a vengeance Not since Cain and Abel have there been two brothers like The Hancock Boys What if two identical twin brothers decided to share a career a family a wife a life That is exactly what the Hancock boys decided to do They took turns playing the role of the perfect husband father and bestselling novelist while the other lived out his wildest fantasies It seemed the perfect setup But what if one of them pushed the game too far What if there was someone out there who knew their secret And worst of all what if one of the brothers suspected the other of teetering on the edge of sanity The Hancock boys both know their game is coming to an end And they have the perfect plan to protect their marriage their skyrocketing career and their very lives The two men must become one But which brother is willing to make the ultimate sacrifice And with so much at stake can either truly trust the other Simpson has a terrific story to tell and plenty of talent to pull it off Chicago Tribune *Hancock Boys* Thomas William Simpson, 2017-09-03 The Hancock Boys Originally Published by Bantam Books March 2000 The Hancock Boys is a wild ride a uniquely terrifying thriller that breaks all ten of the Ten Commandments with a vengeance The Hancock Boys embraces the Seven Deadly Sins with gusto Come and meet The Hancock Boys John and Will Identical twins Indistinguishable in every way Right down to the Life they lead And the Wife they share Not since Cain and Abel have there been two brothers like John and Will Hancock Thomas William Simpson the author of such diverse titles as *The Caretaker* *Full Moon Over America* *The Passage* and *The Affair* has written a captivating tale of revenge brotherly love fame fortune and marital intrigue So what would happen if two identical twin brothers decided to share a career a wife a family a life What might such a decision mean Where might it lead them And what might be the consequences Well this is precisely what the Hancock brothers of Boston Massachusetts have done And now they take turns playing the role of the perfect husband father and bestselling author while the other brother gallivants around the globe living out his wildest fantasies It seems like the perfect setup The best of all possible worlds But it can't last Can it What will happen if one of them pushes the game too far What if there is someone out there who knows their secret And perhaps most terrifying of all what if one of the brothers thinks the other brother is teetering on the brink of a breakdown on the edge of madness The Hancock brothers both begin to sense the gig is almost up their insane game very nearly over And so they both have plans to protect their marriage their skyrocketing career the perfect life they lead Any residual trust now shattered the brothers realize they must become one But which brother will make the ultimate sacrifice The Hancock Boys two brothers playing the definitive cat and mouse game One must die so the other may live *Our Boys*, 1915 *Report of the Commissioner of Education Made to the Secretary of the Interior for the Year ... with Accompanying Papers* United States.
