The Harding Era Warren G Harding And His Administration

Robert K. Murray

The Harding Era Warren G Harding And His Administration:

The Harding Era Robert K. Murray, 2000 The 1920s challenge the historian and the general reader with the controversial and misunderstood figure of Warren G Harding president from 1921 until his death in 1923 Professor Murray re-examines and re-evaluates Harding's nomination, election, and presidency in the light of newly available materials especially the Harding Papers. He demonstrates that Harding was not a bumbling nonentity as heretofore pictured and that his administration was surprisingly successful in solving its immediate problems. Inheriting domestic and international chaos, the administration engineered an efficient transition from the postwar turmoil of the late Wilson years to a time of prosperity under Coolidge. Significantly, also, it established the basic outlines of Republican party policy for the rest of the decade. As Professor Murray makes clear, Harding was more than a bystander in these accomplishments; he was a catalytic influence succeeding where a different personality might have failed. Harding's failure, the author concludes, was not in the nature of his administration but in himself and his friends. His own flaws coupled with the corrupt activity of such associates as Forbes, Miller, and Fall tipped the scales in the public's eyes against his administration's achievements. In the process, many persistent myths were created. Now, in this book, the myths are analyzed and wherever necessary dispelled. *The Harding*

Era Robert K. Murray, 1969 **The Harding Era** Robert K. Murray, 1967 **The Harding Era** Robert K. Murray, 1977

Warren G. Harding Heidi M.D. Elston, 2024-08-01 This biography introduces readers to Warren G. Harding including his early political career and key events from Harding's administration including the Teapot Dome scandal. Information about his childhood, family, and personal life is included. A timeline, fast facts, and sidebars provide additional information. Aligned to Common Core Standards and correlated to state standards. Big Buddy Books is an imprint of Abdo Publishing, a division of ABDO. **Warren G. Harding** Elaine Landau, 2004-09-01 Examines the life of Warren G. Harding from his birth in Ohio to his time as twenty-ninth president of the United States and death in office.

Warren G. Harding, 1992-09-21 Although history has not been kind to Warren G. Harding with personal and political scandals dominating Harding historiography until the 1960s, historians have reexamined and reappraised his presidency in the past twenty years. This volume, the first full-length bibliography on Harding, provides full access to the Harding literature. Including over 3,000 entries, the work provides wide coverage of foreign policy and domestic policies that were formative for the entire decade of the 1920s. In addition to political and administration coverage, the book includes Harding's personal life and times. Entries include books, scholarly articles, contemporary writings, newspapers, manuscripts, photographs, and films relating to Harding and his administration. Chapters are devoted to early and mature stages of his life, Harding iconography, and figures important to his administration. The section on Harding's presidency includes foreign policies and domestic areas such as business and economics, labor, agriculture, and topics of particular importance for the early 1920s such as the Soldiers' Bonus, the tariff, and the Bureau of the Budget. The bibliography will be useful to all scholars doing research on the Harding era and the 1920s. **The Strange**

Deaths of President Harding Robert H. Ferrell,1998-09-16 Rumors circulated of the president's death by poison either by his own hand or by that of his wife. Allegations of an illegitimate daughter were made and questions were raised concerning the extent of Harding's knowledge of the Teapot Dome scandal and of irregularities in the Veterans Bureau as well as his tolerance of a corrupt attorney general who was an Ohio political fixer. Journalists and historians of the time added to his tarnished reputation by using sources that were easily available but inaccurate. In *The Strange Deaths of President Harding* Ferrell lays out the facts behind these allegations for the reader to ponder.

A Companion to Warren G. Harding, Calvin Coolidge, and Herbert Hoover Katherine A.S. Sibley,2014-07-22 With the analysis of the best scholars on this era 29 essays demonstrate how academics then and now have addressed the political economic diplomatic cultural ethnic and social history of the presidents of the Republican Era of 1921-1933: Harding, Coolidge, and Hoover. This is the first historiographical treatment of a long neglected period ranging from early treatments to the most recent scholarship. Features review essays on the era including the legacy of progressivism in an age of normalcy, the history of American foreign relations after World War I and race relations in the 1920s as well as coverage of the three presidential elections and a thorough treatment of the causes and consequences of the Great Depression. An introduction by the editor provides an overview of the issues, background and historical problems of the time and the personalities at play.

Who Killed Warren G. Harding? Timothy Wright,2011-06-08

The Presidency of Warren G. Harding Eugene P. Trani,David L. Wilson,1977 In this volume Eugene P. Trani and David L. Wilson evaluate the presidency of Warren G. Harding by surveying scholarship on the Harding years. Harding generally considered one of the weakest American presidents, was elected chief executive in 1920 during a time of uncertainty and frustration for many of the American people. The authors assess the critics and defenders of Harding in light of the administration's accomplishments and failures. Both the strengths and weaknesses of the Harding administration came from the people. President Harding selected for high office Charles G. Dawes accomplished much by implementing sound budgetary practices in the federal government for the first time in history. Herbert Hoover became the dominant figure in the Harding administration using his influence to advance both domestic and foreign policies. And Charles Evans Hughes proved to be an able if conservative secretary of state. Yet the accomplishments of these and other capable men tended to be short term in nature. Trani and Wilson describe the widespread corruption and malfeasance in the Harding administration, pointing out the Harding's erratic judgment of character caused many of his problems as president. His personal habits, philandering, playing poker and drinking liquor during national prohibition tainted his reputation and appeared to connect him to the activities of his associates. Tragically, Harding sought to avoid controversy even if it meant ignoring real problems or evading justice and thus failed to provide moral leadership for the nation. Harding and his advisers demonstrated little understanding of the social and economic forces at work in the country and abroad. In the early 1920s the United States continued the transition from a rural society to an urbanized and industrialized society. Rather than adjusting

the government to meet the needs of all segments of an industrialized society Harding instituted normalcy an attempt to maintain the values of a rural society rapidly disintegrating under the impact of social and economic change The few real accomplishments of the Harding administration were buried under scandal and in the end Harding must be rated as an ineffective leader at a time when the nation would have been better served by a different more imaginative approach to government

The American Presidency Sidney M. Milkis, Michael Nelson, 2019-02-12 The American Presidency examines the constitutional foundation of the executive office and the social economic political and international forces that have reshaped it Authors Sidney M Milkis and Michael Nelson broadly examine the influence of each president focusing on how these leaders have sought to navigate the complex and ever changing terrain of the executive office and revealing the major developments that launched the modern presidency at the dawn of the twentieth century By connecting presidential conduct to the defining eras of American history and the larger context of politics and government in the United States this award winning book offers vital perspective and insight on the limitations and possibilities of presidential power The Eighth Edition examines recent events and developments including the latter part of the Obama presidency the 2016 election the first twenty months of the Trump presidency and updated coverage of issues involving race and the presidency

Incredible Era Samuel Hopkins Adams, 1939 **Harding, His Presidency and Love Life Reappraised** S. Joseph Krause, 2013-12-11 The general opinion of Warren Harding is that he has been justly ranked as the Worst of our Presidents based largely on the corruption that was brought to light after his death The truth is however that he had no personal involvement in any of the scandals perpetrated by members of his Administration some of whom like Jess Smith an unofficial aid to the Attorney General engaged in notorious grafting that often netted six figure rewards Harding by contrast died a debtor Neither a lawyer or general Harding head of a rural Ohio newspaper was not considered an appropriate candidate for high office no less the Presidency But an awareness of shortcomings lead to his making a studious effort to overcome them successfully as recorded by leading reporters like William Allen White As spelled out in this book there is much to be said on the positive side of Hardings Presidency Due recognition is given to his accomplishments In his first year in office for example he convened a Disarmament Conference and got Congress to ratify the Four Nation Treaty to reduce naval armament He also created the Bureau of the Budget Early on a New York Times story was headlined Harding Assumes Real Leadership as Congress lags In contrast to his performance as President handsome Warren was beset by a sex addiction that lead to numerous infidelities the principal ones being with Carrie Phillips wife of a friend and Nan Britton a hometown admiring young lady 31 years his junior Nans memoir of an affair which blossomed into love covered the last six years of Hardings life Though generally mentioned and equally suppressed its intimate content is herewith for the first time set forth in detail that reveals a crucial aspect of Hardings oft mentioned love life [Presidents and Presidencies in American History](#) Jolyon P. Girard, 2019-10-07 This innovative encyclopedia explores the life and times of America s forty five presidents from

the first administration to that of Donald Trump Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City Some have proved exceptional leaders and others have not Some have faced serious crises both foreign and domestic Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month Each however played a key role in the evolution of United States history Each of their histories therefore remains a critical civics lesson to consider This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump Each chapter includes a timeline a biographical sketch a historical overview and an analytical essay concerning the president and his presidency Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence A suggested reading list for further study of each president rounds out each entry

The Social History of Crime and Punishment in America Wilbur R. Miller, 2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice

The A to Z from the Great War to the Great Depression Neil A. Wynn, 2009-07-16 This volume examines significant individuals and developments in American political economic social and cultural history between the years 1913 and 1933 It was a time of momentous change including involvement in World War I the Red Scare the Jazz Age the Crash of 1929 and the onset of the Great Depression It covers the presidencies of Woodrow Wilson Warren G Harding Calvin Coolidge and Herbert Hoover and the shift from reformism to conservatism Prohibition and gangsterism symbolized the apparent failure of politics The A to Z from the Great War to the Great Depression covers this important period in American history with a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on everything from automobiles chemicals and electrical goods to mass entertainment and the rise of Hollywood radio and sport

The Jazz Age President Ryan S. Walters, 2022-02-15 Presidents are ranked wrong In The Jazz Age President

Defending Warren G Harding Ryan Walters mounts a case that Harding deserves to move up and supplies the evidence to make that case strong Amity Shlaes bestselling author of Coolidge He s the butt of political jokes frequently subjected to ridicule and almost never absent a Worst Presidents list where he most often ends up at the bottom Historians have labeled him the Worst President Ever Dead Last Unfit and Incompetent to name but a few Many contemporaries were equally cruel H L Mencken called him a nitwit To Alice Roosevelt Longworth he was a slob Such is the current reputation of our 29th President Warren Gamaliel Harding In an interesting survey in 1982 which divided the scholarly respondents into conservative and liberal categories both groups picked Harding as the worst President But historian Ryan Walters shows that Harding a humble man from Marion Ohio has been unfairly remembered He quickly fixed an economy in depression and started the boom of the Roaring Twenties healed a nation in the throes of social disruption and reversed America s interventionist foreign policy

The Bully Pulpit and the Melting Pot Hans P. Vought, 2004 Between 1897 and 1933 the presidents of the United States joined progressive reformers in redefining the concept of the United States as a melting pot Their use of this metaphor to describe assimilation never meant that immigrants had to completely abandon their ethnic cultures Instead they argued that the melting pot blended the best of the immigrants traits and traditions to create a new American race united by patriotism and committed to liberal political and economic ideals While nativists regarded new immigrants from southern and eastern Europe as incapable of assimilation the presidents celebrated immigrant contributions to America and emphasized the need to improve immigrants lives through education resettlement away from urban ghettos and economic uplift The president s speeches letters and administrative records reveal consistent support for the melting pot model as an alternative to nativist racism While McKinley Roosevelt Taft and Wilson supported the exclusion of racial aliens and those with mental or physical illness they repeatedly praised the new immigrants for embracing American ideals while maintaining their ethnic cultures They argued that everyone should be judged by their moral character rather than their ancestry World War I raised fears of disloyal aliens that Roosevelt and Wilson heightened by denouncing hyphenated Americans Harding Coolidge and Hoover continued to use melting pot rhetoric however rather than endorsing coercive assimilation The melting pot legacy lives on and still offers a middle ground between the demands for national unity and multiculturalism

The SAGE Encyclopedia of World Poverty Mehmet Odekon, 2015-06-15 The SAGE Encyclopedia of World Poverty Second Edition addresses the persistence of poverty across the globe while updating and expanding the landmark work Encyclopedia of World Poverty originally published in 2006 prior to the economic calamities of 2008 For instance while continued high rates of income inequality might be unsurprising in developing countries such as Mexico the Organization of Economic Co operation and Development OECD reported in May 2013 even countries with historically low levels of income inequality have experienced significant increases over the past decade including Denmark Sweden and Germany The U N and the World Bank also emphasize the persistent nature of the problem It is not all bad news In March

2013 the Guardian newspaper reported Some of the poorest people in the world are becoming significantly less poor according to a groundbreaking academic study which has taken a new approach to measuring deprivation The report by Oxford University s poverty and human development initiative predicts that countries among the most impoverished in the world could see acute poverty eradicated within 20 years if they continue at present rates On the other hand the U N says environmental threats from climate change could push billions more into extreme poverty in coming decades All of these points lead to the need for a revised updated and expanded edition of the Encyclopedia of World Poverty Key Features 775 evaluated and updated and 175 entirely new entries New Reader s Guide categories Signed articles with cross references Further Readings will be accompanied by pedagogical elements Updated Chronology Resource Guide Glossary and thorough new Index The SAGE Encyclopedia of World Poverty Second Edition is a dependable source for students and researchers who are researching world poverty making it a must have reference for all academic libraries
