Herb Goldberg

The Hazards Of Being Male Surviving The Myth Of Masculine Privilege:

The Hazards of Being Male Herb Goldberg, 2000 **Hazards of Being Male** Herb Goldberg, 1977-05 *Straight White Men Can't Dance* Addie Tsai, 2025-08-21

Straight White Men Can't Dance American Masculinity in Film and Popular Culture investigates a trope proliferating throughout popular American media over the last half century that straight white men can't dance. Addie Tsai traces this reiterative moving image of vaudevillian buffoonery in film, television, and video from the mid 1980s to present day. During the height of homophobic hysteria in response to the AIDS epidemic, dance began to be used as a marker to scrutinize white men's position within homosexuality and masculinity. Therefore, white men could misperform good dancing to more securely sit within hegemonic masculinity. Tsai establishes how ethnic mimicry within American popular media, even that of white masculinity, is produced and reiterated from the 19th-century theatrical practice of blackface minstrelsy. This history resurfaces in one of the exceptions to the trope when white men use the hip currency of blackness to affirm their dancing masculinity through theft and positionality. By revealing how dance in American popular media reifies and problematizes gendered and racialized economies, *Straight White Men Can't Dance* demonstrates how the image of the buffoonish white male dancer operates as a smokescreen for the more violent manipulative forces of the reigning figure of white supremacy.

Men & Masculinities Michael S. Kimmel, Amy B. Aronson, 2003-12-11

The first encyclopedia to analyze, summarize, and explain the complexities of men's lives and the idea of modern manhood. The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work. But until now, the subject has had no authoritative reference source. *Men & Masculinities*, a pioneering two-volume work, corrects the oversight by summarizing the latest historical, biological, cross-cultural, psychological, and sociological research on the subject. It also looks at literature, art, and music from a gender

perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States Breaking the Male Code Robert Garfield,2016-04-26 For much of the past century men have operated under the rules of Male Code a rigid set of guidelines that equate masculinity with stoicism silence and strength But as men s roles have changed this lingering pressure to hide their emotions has made them more likely to suffer from depression anger and isolation Robert Garfield has worked with men struggling with emotional issues for more than 40 years In Breaking the Male Code he shows how close friendships can serve as the foundation on which men can build happier healthier lives **What Women Should Know about Men** Herb Goldberg,2003 What Every Woman Should Know About Men This stimulating and provocative book by best selling author Herb Goldberg is about the power women potentially have in their relationships with men and the way to use that power to bring out the best in men s relationship behaviors while creating for women the kind of love experience they grew up to believe was possible The way women have traditionally been socialized to relate to men to men actually brings out many men s worst personal features The end result is a woman who becomes increasingly bitter toward men who can t figure out what they are doing wrong What Every Woman Should Know About Men explains woman s amazing power over men It explains why men won t open up how to handle your man top 12 blind spots what he won t say but wants you to know and how to change him Most importantly this book explains why men need women more than women need men One of the most valuable books every written in terms of helping women understand men Simple easy to read and understand and ful of priceless tips and suggestions About The Author Dr Herb Goldberg is and internationally recognized relationship specialist and best selling author of The Hazards Of Being Male and seven other widely selling books His ground breaking work on the failure of many traditional relationships has simulated a great of work and discussion He is a Professor Emeritus at Southern California State University and lives in Los Angeles **Redeeming Men** Stephen Blake Boyd,W. Merle Longwood,Mark William Muesse,1996-01-01 Contributors to this book historians biblical specialists theologians ethicists and scholars of comparative religions examine the relationship between religious tradition and manhood The essays cover a broad range of topics from the dynamics of power in shaping masculine identity to the role religion plays in shaping masculine identity to the experience of myth ritual spiritual discipline and community in the lives of men White Masculinity in Crisis in Hollywood's Fin de Millennium Cinema Pete Deakin,2019-10-15 White Masculinity in Crisis in Hollywood's Fin de Millennium Cinema claims that Hollywood cinema had a significant relationship with the millennial crisis of masculinity From Fight Club Fincher 1999 and American Psycho Harron 2000 to Office Space Judge 1999 The Matrix Wachowski s 1999 and American

Beauty Mendes 1999 Pete Deakin attests that alongside the emergent crisis came a definitive body of some twenty five Hollywood crisis titles each film with a representational concern for the apparent masculine malaise Asking whether Hollywood helped create propel or sooth the very notion of the crisis of masculinity at this time Deakin engages with some important cultural questions how discursive or even authentic was it and more vitally whose actual crisis was this To this end scholars of film studies media studies gender studies history and sociology will find this book particularly useful Men and Masculinities Around the World E. Ruspini, 2011-10-10 This collection with contributions on seventeen countries from social scientists from Africa the Americas Asia Pacific and Europe analyzes the characteristics and potential of diverse educational political and related initiatives towards progressive changes in gender relations to show how men are reacting to contemporary social change
