Grand Lodge of North Dakota,1893      **The ^ASage and the People** Sebastien Billioud,Joel Thoraval,2015-08-03 After a century during which Confucianism was viewed by academics as a relic of the imperial past or at best a philosophical resource its striking comeback in Chinese society today raises a number of questions about the role that this ancient tradition re appropriated reinvented and sometimes instrumentalized might play in a contemporary context The Sage and the People is the first comprehensive enquiry into the Confucian revival that began in China during the 2000s

God, Just Tell Me What to Do Michael Youssef,2014-08-01 The epistle of James is unusual in tone and content among the New Testament letters containing many moral precepts and challenging readers to seek godly wisdom on such topics as poverty and riches trials and temptation hearing and obeying the Word of God faith versus works taming the tongue friendship with the world versus friendship with God patience in suffering The wisdom of this letter speaks to us across the ages as every issue James addresses is as urgent and timely today as when he first wrote it For the person who wants to be wise time spent soaking up the wisdom of James the half brother of Jesus is time wisely spent      *Federation Bulletin* ,1927      Get a Grip Douglas Weiss,2006 In this no nonsense relevant book Weiss helps readers identify and discern the sources of their worst behaviors Using stories case studies personal experience Scripture and anecdotes he makes strong points about emotional and psychological roots and the need for change      **Elements of African Traditional Religion** Elia Shabani

Mligo,2013-08-02 African Traditional religion ATR is one of the world religions with a great people and a great past It is embraced by Africans within and outside the continent despite the various ethnic religious practices and beliefs This book highlights and discusses the common elements which introduce African Traditional Religion as one unified religion and not a collection of religions The major focus of the book is discussing the need for studying ATR in twenty first century Africa whereby globalization and multi culture are prominent phenomena Why should we study the religion of the African natives in this age In response to this question the book argues that since ATR is part of the African people s culture there is a need to understand this cultural background in order to contextualize Christian theology Using some illustrations from Nyumbanitu worship shrine located at Njombe in Tanzania the book purports that there is a need to understand African people s worldview their understanding of God their religious values symbols and rituals in order to enhance meaningful dialogue between Christianity and African people s current worldview In this case the book is important for students of comparative religion in universities and colleges who strive to understand the various religions and their practices Daily Bread of Life
