The Heart of the Buddha's Teaching Thich Nhat Hanh, 2015-07-22 With poetry and clarity Thich Nhat Hanh imparts comforting wisdom about the nature of suffering and its role in creating compassion love and joy all qualities of enlightenment Thich Nhat Hanh shows us the connection between personal inner peace and peace on earth His Holiness the Dalai Lama In The Heart of the Buddha's Teaching now revised with added material and new insights Nhat Hanh introduces us to the core teachings of Buddhism and shows us that the Buddha's teachings are accessible and applicable to our daily lives Covering such significant teachings as the Four Noble Truths the Noble Eightfold Path the Three Doors of Liberation the Three Dharma Seals and the Seven Factors of Awakening The Heart of the Buddha's Teaching is a radiant beacon on Buddhist thought for the initiated and uninitiated alike

The Heart of the Buddha's Teaching Thich Nhat Hanh, 2021-10-06

The Cosmic Common Good Daniel P. Scheid, 2016 In this book Daniel Scheid draws on Catholic social thought as a foundation for a new type of interreligious ecological ethics which he calls the cosmic common good By placing this concept in dialogue with tenets from other spiritual traditions such as Hindu dharmic ecology Buddhist interdependence and American Indian balance Scheid constructs a theologically authentic moral framework that re envisions humanity's role in the universe

Buddhism and Transgression Adrian Konik, 2009 If Buddhism is to remain relevant to the contemporary era through providing effective solutions to the proliferating and protean discursive problems encountered by its present day practitioners it cannot continue to ignore the role of discourse in the formation of subjectivity In the interest of problematizing such ignorance this book explores the potential interface between Foucaultian discourse analysis and the development of an indigenous rationale for the practice of contemporary Western Buddhism along with the growing significance of such a rationale for traditional Buddhism in an era dominated by disciplinary bio power Through doing so this book radically re conceptualizes the role of Buddhism in the world today by linking Buddhist practice with acts of discursive transgression

The Intersubjective Turn Olen Gunnlaugson, Charles Scott, Heesoon Bai, Edward W. Sarath, 2017-10-11 A first of its kind this book maps out current academic approaches in higher education to second person contemplative education which addresses contemplative experience from an intersubjective perspective Until recently contemplative studies has emphasized a predominantly first person standpoint but the expansion and embrace of second person methods provides a distinctive learning context in which collective wisdom and shared learning can begin to emerge from dialogue among students and groups in the classroom The contributors to this volume leading researchers and practitioners from a variety of institutions and departments examine the theoretical and philosophical foundations of second person contemplative approaches to instruction pedagogy and curricula across various scholarly disciplines

Leading Spiritually J.

Marques,S. Dhiman,2014-12-04 Leading Spiritually reviews workplace spirituality from revered streams such as Buddhism Hinduism and Judaism but also from a stance of personal reflection self leadership and powerful interpersonal relationships

Business and Buddhism Joan Marques,2015-03-12 Business and Buddhism explores alternative ways of leading in the aftermath of the Great Recession and the many stories of fraud and greed that emerged The book explores shifts in business perspectives as more value is placed on soft skills like emotional intelligence and listening and introduces the reader to the principles in Buddhist philosophy that can be applied in the workplace Buddhist practices are increasingly understood as spiritual rather than religious per se In fact Buddhism is alternately referred to as a philosophy or psychology In this book Marques explores the value of applying the positive psychology of Buddhism to work settings She outlines the ways in which it offers highly effective solutions to addressing important management and organizational behavior related issues but also flags up critical areas for caution For example Buddhism is non confrontational and promotes detachment How can business leaders negotiate these principles in light of the demands of modern day pressures The book includes end of chapter questions to promote reflection and critical thinking and examples of Buddhist leaders in action It will prove a captivating read for students of organizational behavior management leadership diversity and ethics as well as business consultants

The Blooming of a Lotus Thich Nhat Hanh,2022-02-15 One of the world s great meditation teachers offers thirty four guided exercises that will bring both beginning and experienced practitioners into closer touch with their bodies their inner selves their families and the world Compassionate and wise Thich Nhat Hanh s healing words help us acknowledge and dissolve anger and separation by illuminating the way toward the miracle of mindfulness *Accommodation and Acceptance* Ambrose Mong,2015-12-31 As Hans Kung said No peace among the nations without peace among the religions No peace among the religions without dialogue between the religions No dialogue between the religions without investigation of the foundations of the religions Accommodation and Acceptance is a crucial work in both promoting interreligious dialogue and exploring the turbulent history of Christian faith and identity in Asia down the years From the reaction to missions often inextricably linked with the practice of colonialism to the rise of religious pluralism Ambrose Mong examines the relationships between the leading faiths of Asia up to the present day Whether practicing pluralism or exclusivism the history of Christianity in Asia is long and fascinating AmbroseMong delves into the biography of intercultural pioneers like Matteo Ricci and Timothy Richard to understand better the theology as well as the pragmatism behind cultural accommodation and the necessary mutability of an eternal church Meditating with Character Kamalamani,2012-01-27 Meditating with Character invites the reader to get really curious about what goes on in their meditation practice through understanding their embodying and disembodying habits These habits and patterns are explored through the lens of character positions a body of knowledge taken from post Reichian psychotherapy This book breaks new ground in weaving together important threads from meditation body psychotherapy and Buddhism encouraging the reader to be more present with their experience

of being an integrated body mind The tone is warm immediate and accessible reflecting the enthusiasm of the author for meditation and life Reflection exercises are included supporting the reader to make sense of their unique approach to being a body with their particular history and life strategies These reflections can help both new and seasoned meditators to either deepen or revive their connection with their practice Meditating with Character is highly recommended for anyone who is interested in meditation or being more at home in their own skin both on and off the meditation cushion **A-Z of**

Spirituality Steve Nolan, Margaret Holloway, 2013-11-28 Spirituality is a multifaceted speciality anyone who wants to understand it must look across a range of disciplines which can often make it seem overwhelming and incomplete This book will act as a reference resource for readers looking to develop their study of spirituality and its relevance to health and social care Creating a Shared Morality Heather Salazar, 2021-10-18 In Creating a Shared Morality Heather Salazar develops a consistent and plausible account of ethical constructivism that rivals the traditional metaethical theories of realism and subjectivism without lapsing into subjectivism as do previous constructivist attempts Salazar's Enlightenment argues that all people have moral obligations and that if they reflect well they will naturally come to care about others as extensions of themselves Enlightenment resolves difficulties within constructivism builds bridges between the two traditional Western views of metaethics and employs concepts from Eastern Buddhist philosophy It embraces universal morality while elevating the importance of autonomy diversity and connectedness Constructivist enlightenment entails understanding the interdependence of people on others such that we are all co responsible for the world in which we live
