

# CLAIMS + PROOF

- Both speakers of the Helen poems view their Helens as objects.
- Prove each one:**
  - Poe: calls her “statuelike” / her beauty is a ship that brings her home / “thy hyacinth hair, thy classic face” / he views her as a goddess, untouchable
  - HD: the “the still eyes in the white face” (explain the use of “the” instead of “her” white face) / her “cool feet”

**The Poems of W.B. Yeats** Peter McDonald, 2023-05-31 In this multi-volume edition the poetry of W.B. Yeats 1865-1939 is presented in full with newly established texts and detailed wide-ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats's poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats's poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet In this third volume Yeats's poetry of the first decade of the twentieth century is brought into sharp focus revealing the extent of his efforts to refashion a style that had already made him a well-known poet All of the major modes in Yeats's earlier work are subject to radical reimagining in these years from poetic narrative founded in Irish myth in poems such as *Baile and Ailinn* and *The Old Age of Queen Maeve* to the symbolist drama poetry of *The Shadowy Waters* here edited in its two completely different versions of 1900 and 1906 In a decade when the theatre was one of Yeats's principal concerns his lyric poems which were becoming increasingly explicit in personal terms began to discover new intensities of conversational pitch and mythic resonance Poems such as *The Folly of Being Comforted* *Adam's Curse* *No Second Troy* and *The Fascination of What's Difficult* are given close attention in this new edition alongside topical and epigrammatic pieces that are often passed over in accounts of Yeats's development The evolving complexities of Yeats's personal and political lives are crucial to his artistic growth in these years and the commentary gives these generous attention showing how the poetry both feeds upon and often transcends the circumstances of its composition The volume offers strong evidence for this decade as a crucial one in Yeats's poetic life in which the poet created wholly new registers for his verse as well as new dimensions for his imaginative vision

Manetho Virgil and Tibullus literary and inscribed epigrams and unattributed fragments Poems without Poets will be of interest to students and scholars working on any anonymous ancient texts but also to readers seeking an introduction to classical poetry beyond the limits of the established canon
