The Guided Lilly Traveller The New Era:

Science Fiction, New Space Opera, and Neoliberal Globalism Jerome Winter, 2016-11-15 One of the few points critics and readers can agree upon when discussing the fiction popularly known as New Space Opera a recent subgenre movement of science fiction is its canny engagement with contemporary cultural politics in the age of globalisation This book avers that the complex political allegories of New Space Opera respond to the recent cultural phenomenon known as neoliberalism which entails the championing of the deregulation and privatisation of social services and programmes in the service of global free market expansion Providing close readings of the evolving New Space Opera canon and cultural histories and theoretical contexts of neoliberalism as a regnant ideology of our times this book conceptualises a means to appreciate this thriving movement of popular literature

A Quest for Remembrance Madeleine Scherer, Rachel Falconer, 2019-11-20 A Quest for Remembrance The Underworld in Classical and Modern literature brings together a range of arguments exploring connections between the descent into the underworld also known as katabasis and various forms of memory Its chapters investigate the uses of the descent topos both in antiquity and in the reception of classical literature in the nineteenth to twenty first centuries In the process the volume explores how the hero's quest into the underworld engages with the theme of recovering memories from the past At the same time we aim to foreground how the narrative format itself is concerned with forms of commemoration ranging from trans cultural memory remembering the literary and intellectual canon to commemorating important historical events that might otherwise be forgotten Through highlighting this duality this collection aims to introduce the descent narrative as its own literary genre a memorious genre related to but distinct from the quest narrative

Travel Holiday, 1992-02 Queen of the Court Madeleine Blais, 2023-08-15 From the Pulitzer Prize winning journalist Madeleine Blais the dramatic and colorful story of legendary tennis star and international celebrity Alice Marble In August

1939 Alice Marble graced the cover of Life magazine photographed by the famed Alfred Eisenstaedt. She was a glamorous worldwide celebrity having that year won singles women's doubles and mixed doubles tennis titles at both Wimbledon and the US Open, then an unprecedented feat. Yet today one of America's greatest female athletes and most charismatic characters is largely forgotten. Queen of the Court places her back on center stage. Born in 1913, Marble grew up in San Francisco; her favorite sport, baseball. Given a tennis racket at age 13, she took to the sport immediately, rising to the top with a powerful, aggressive serve and volley style unseen in women's tennis. A champion at the height of her fame in the late 1930s, she also designed a clothing line in the off season and sang as a performer in the Sert Room of the Waldorf Astoria Hotel in New York to rave reviews. World War II derailed her amateur tennis career, but her life off the court was if anything even more eventful. She wrote a series of short books about famous women. She turned professional and joined a pro tour during the War, entertaining and inspiring soldiers and civilians alike. Ever glamorous and connected, she had a part in the 1952 Tracy and Hepburn movie *Pat and Mike*, and she played tennis with the likes of Charlie Chaplin, Marlene Dietrich, and her great friends Clark Gable and Carole Lombard. However, perhaps her greatest legacy lies in her successful efforts working largely alone to persuade the all-white US Lawn Tennis Association to change its policy and allow African American star Althea Gibson to compete for the US championship in 1950, thereby breaking tennis's color barrier. In two memoirs, Marble also showed herself to be an at times unreliable narrator of her own life, which Madeleine Blais navigates skillfully, especially Marble's dramatic claims of having been a spy during World War II. In *Queen of the Court*, the author of the bestselling *In These Girls Hope Is a Muscle*, recaptures a glittering life story. *The New Republic*, 1940-07 [Guide to Reprints](#) Albert James Diaz, 2008 **Historical Journal of Massachusetts**, 1991 **The Encyclopedia of Hollywood Film Actors** Barry Monush, 2003-04-01 For decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource, full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor from the earliest silent screen stars, Chaplin, Pickford, Fairbanks, to the mid-1960s when the old studio and star systems came crashing down. Each listing includes a brief biography, photos from the famed Screen World archives, with many rare shots, vital statistics, a comprehensive filmography, and an informed, entertaining assessment of each actor's contributions, good or bad. In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity, and glory that was the lifeblood of its subjects. Contains over 1,000 photos.
