Reading Genesis in Lent Constantin Oancea, 2025-11-17 While much has been written about how the Church Fathers used the Bible, there are considerably fewer studies on interpreting Scripture in Byzantine liturgical hymns. With its innovative approach from the perspective of a biblical scholar, this book aims to shed new light on how the first three chapters of the book of Genesis are interpreted in the hymns of Great Lent. Each chapter starts by presenting the verses from Genesis and the hymns that refer to them. Hymnographers' allusions and references to other Old and New Testament passages are highlighted. A short commentary introduces readers to the broader biblical context of the verses and the Church Fathers' interpretations. This is followed by a comprehensive examination of the hymns' text focusing on how their authors interpret the verses of Genesis. The hymnographers' techniques of biblical interpretation, including intertextuality, the augmentative interpretation of Scripture, and the extensive use of metaphors, are also discussed. The proportion of quotations, references, allusions, or biblical expressions and images that Lenten hymns contain is impressive. Liturgical poetry is a complex, elevated, and exquisite form of biblical interpretation.

Lenten Lent Donna Schaper, 2015-01-06 In *Lenten Lent: A Way to Refresh, Renew Your Spirit*, Donna Schaper, author of more than 30 books, engages the sometimes gritty, often chaotic and challenging realities of our lives. With great honesty and humanity, openness, and hope, she offers readers a way through Lent inspired by the ecological metaphors of renewable and sustainable energy: a truly healing ecology for the spirit. Each of the 41 daily devotions, including one for Easter, features a scripture reference, meditation, prayer, and action step. *Lenten Lent* also includes guidelines for study groups, making this a perfect resource for both individual and group use.

Journey of Faith for Lent Mary Shrader, 2005-08 In *Journey of Faith for Lent*, readers take a closer look at this time of sacrifice, reconciliation, and of fasting beyond themselves to see the good in every person. The student workbook includes Scripture readings, reflection questions, and topics to discuss with friends and family members. Open spaces allow for writing thoughts or for drawing images during each season. The leader's guide has several faith sessions as well as a retreat experience to help young people enter fully into the expectation and the joy of the season, as well as strategies for encouraging participation in parish liturgical and community life.
