The queens of England: a series of portraits of distinguished female sovereigns, by eminent artists. With biogr. and historical sketches, from A. [and E.] Strickland Agnes Strickland,1861 **Working Girls in the West** Lindsey

McMaster,2008-07-01 As the twentieth century got under way in Canada young women who entered the paid workforce became the focus of intense public debate Young wage earning women working girls embodied all that was unnerving and unnatural about modern times the disintegration of the family the independence of women and the unwholesomeness of city life These anxieties were amplified in the West Long after eastern Canada was considered settled and urbanized the West continued to be represented as a frontier where the idea of the region as a society in the making added resonance to the idea of the working girl as social pioneer Using an innovative interpretive approach that centres on literary representation Lindsey McMaster takes a fresh look at the working heroine of western Canadian literature alongside social documents and newspaper accounts of her real life counterparts *Working Girls in the West* heightens our understanding of a figure that fired the imagination of writers and observers at the turn of the last century *Ciris* ,2020-12-31 *The Ciris* is a small scale epic poem which relates the myth of Scylla daughter of king Nisus of Megara who betrayed her homeland for love and was transformed into a sea bird It is one of the poems in the Appendix Vergiliana a collection that has been ascribed to Virgil as his carmina minora Earlier scholarship has mostly been concerned to prove that the *Ciris* is not by Virgil and then to demonstrate that it is a late and derivative composition of little intrinsic merit The present book argues that *Ciris* was

composed by a contemporary of Virgil a product of the golden age of Latin poetry It aims to bring the poem to the attention of modern readers and to rescue it from ill deserved neglect The introduction presents detailed linguistic literary and historical arguments in support of this early composition date and offers a state of the art account of the textual witnesses and the manuscript tradition The critical text and apparatus are based on a systematic first hand analysis of manuscript evidence as well as the rigorous application of text critical methods The new text as close to the original Ciris as can be achieved includes over one hundred and fifty changes from previous editions By engaging with textual scholarship on the poem from the fifteenth to the twenty first century the line by line commentary provides a comprehensive guide to the numerous textual problems and is an important contribution to the stylistic and linguistic analysis of golden age Latin poetry

The Maroon's Daughter: Or, The Bloodhounds of Jamaica MAROON.,1867 *Tau* ,1929 The Saturday Review of Politics, Literature, Science and Art ,1902 I'm the Heroic Knight of an Intergalactic Empire! (Light Novel) Vol. 1 Yomu Mishima,Nadare Takamine,2024-08-01 Emma has just taken her first step as a knight Emma s new job Commander of a squad of useless layabouts Just as her efforts start to change minds a pirate base is discovered on Alias What will happen when an elite force is sent in from the home planet to eliminate them An epic new tale of a failure s rise to glory in the Intergalactic Empire begins *Justin Davis* Howard Resnick,2023-12-19 What if an ancient Sanskrit text holds the key to solving today s deepest problems That s the question Justin Davis is faced with as he embarks on a hero s journey to save the world in this thrilling spiritual fantasy Justin Davis is a brilliant but greatly troubled West Virginia teen struggling with his father s brutal murder and his once wealthy family s loss of money status dignity and hope Broken angry and bitter Justin has all but given up on life But then on his fifteenth birthday his mother presents him with a mysterious gift a copy of *The First Avatara* a lush beautifully illustrated book relating the immemorial legend of Krsna When evil Asura forces attacked the idyllic planet of Bhu loka and threatened to enslave its inhabitants Krsna the first Avatara descended to that world in its darkest hour and fought to save its people and preserve its way of life Enthralled by the tale Justin enters the story as much more than just a reader and is challenged to undertake a hero s journey of his own not just through time but also into the depths of his own soul In the process he will experience love loss courage and sacrifice that compel him to cast aside a life of self pity and indulgence and heroically confront a startling evil that threatens his family and the world **Memoirs of the Polynesian Society** ,1924 **Movie-Struck Girls** Shelley Stamp,2018-06-05 *Movie Struck Girls* examines women s films and filmgoing in the 1910s a period when female patronage was energetically courted by the industry for the first time By looking closely at how women were invited to participate in movie culture the films they were offered and the visual pleasures they enjoyed Shelley Stamp demonstrates that women significantly complicated cinemagoing throughout this formative transitional era Growing female patronage and increased emphasis on women s subject matter did not necessarily bolster cinema s cultural legitimacy as many in the industry had hoped for women were not always enticed to the cinema by

dignified uplifting material and once there they were not always seamlessly integrated in the social space of theaters nor the new optical pleasures of film viewing In fact Stamp argues that much about women s films and filmgoing in the postnickelodeon years challenged rather than served the industry s drive for greater respectability White slave films action adventure serial dramas and women s suffrage photoplays all drew female audiences to the cinema with stories aimed directly at women s interests and with advertising campaigns that specifically targeted female moviegoers Yet these examples suggest that women s patronage was built with stories focused on sexuality sensational thrill seeking and feminist agitation topics not normally associated with ladylike gentility And in each case concerns were raised about women s conduct at cinemas and the viewing habits they enjoyed demonstrating that women s integration into motion picture culture was not as smooth as many have thought
