The Happiness Flywheel Krishnan C.A., 2025-01-07
Why pick up this book on Happiness? Good question. I've asked myself the same every time I opened one. Most books either oversimplify happiness or drown you in theories, leaving you more puzzled than content. Even as a student of the Bhagavad Gita, I realized that while spiritual texts offer profound wisdom, they're often too complex for everyday readers. Similarly, academic research, while insightful, can feel overwhelming. As a corporate leader mentoring countless individuals, I've noticed a recurring theme: people seek happiness, often calling it success, yet it remains

elusive After years of being everyone's unofficial Chief Happiness Officer I figured it was time to pen down a book that's different Enter The Happiness Flywheel a blend of corporate wisdom distilled research I've done the heavy lifting so you don't have to and spiritual insights presented in a way that's easy to grasp This 7 part framework will help you Discover your Purpose Instill lasting happiness Habits Avoid Derailers Foster meaningful Relationships Build Resilience for life's curveballs Find Balance Live a life of Values This is your guide to lasting meaningful Happiness and Success and your path to becoming a Happy Champion **Art of Well-Being** Nalaka Hewamadduma,2013-01-14 For more than a decade Nalaka
