

A black and white photograph of the Barbershop Harmony Society building. The building features a prominent dark horizontal band across the top with the text "BARBERSHOP HARMONY SOCIETY" in white, serif, all-caps letters. Two white circular accents are positioned on either side of the text. Below this band is a large window with a complex grid pattern of vertical and horizontal bars. Four vertical, cylindrical decorative elements are mounted on the facade, each with a small dark rectangular base. The overall architectural style is modern and geometric.

Our Racist Heart? Geoffrey Beattie, 2013-05-07 Few people today would admit to being a racist or to making assumptions about individuals based on their skin colour or on their gender or social class In this book leading psychologist Geoffrey Beattie asks if prejudice more subtle than before is still a major part of our everyday lives Beattie suggests that implicit biases based around race are not just found in small sections of our society but that they also exist in the psyches of even the most liberal educated and fair minded of us More importantly the book outlines how these hidden attitudes and prejudices can be revealed and measured and how they in turn predict behaviours in a number of important social situations *Our Racist Heart* takes a fresh look at our racial attitudes using new technology and experimental approaches to show how unconscious biases influence our everyday actions and thinking These groundbreaking results are brought to life using the author's own experiences of class and religious prejudice in Northern Ireland and are also discussed in relation to the history of race racism and social psychological theory

Creativity, Wisdom, and Trusteeship Anna Craft, Howard Gardner, Guy Claxton, 2007-12-13 In today's teach to the test climate do we ever need a book about wisdom and creativity Our focus as educators is enriched by this book Robert Di Giulio Professor Johnson State College Creativity wisdom and trusteeship may each sound good enough in itself but the contributors to this volume make a compelling case for how much they need one another David Perkins Professor Harvard University How do creativity wisdom and trusteeship translate into excellent and ethical educational practices This important new volume from Anna Craft Howard Gardner and Guy Claxton focuses on the need to educate for wise creativity so that students will learn to expand their perspectives and exercise their talents responsibly within their school community and in the real world The editors theories plus contributions from noted scholars Dean Keith Simonton David Henry Feldman Jonathan Rowson Helen Haste Patrick Dillon Hans Henrik Knoop Christopher Bannerman Robert J Sternberg and Dave Trotman develop a concept of teachers as trustees or respected nonpartisan role models who can exercise wise creativity in their classrooms and cultivate this quality in their students The book explores a wide range of questions such as What is the nature of creativity and wisdom and what does it mean to exercise a balance between the two What do creativity wisdom and trusteeship look like in society and in the school community How can schools

educate for creativity tempered by wisdom What does it take to nurture trustee leadership in the classroom and schoolwide Thought provoking and incisive Creativity Wisdom and Trusteeship is essential reading for all members of the educational community *Transcend* Scott Barry Kaufman, PhD,2020-04-07 A bold reimagining of Maslow s famous hierarchy of needs and new insights for realizing your full potential and living your most creative fulfilled and connected life When psychologist Scott Barry Kaufman first discovered Maslow s unfinished theory of transcendence sprinkled throughout a cache of unpublished journals lectures and essays he felt a deep resonance with his own work and life In this groundbreaking book Kaufman picks up where Maslow left off unraveling the mysteries of his unfinished theory and integrating these ideas with the latest research on attachment connection creativity love purpose and other building blocks of a life well lived Kaufman s new hierarchy of needs provides a roadmap for finding purpose and fulfillment not by striving for money success or happiness but by becoming the best version of ourselves or what Maslow called self actualization While self actualization is often thought of as a purely individual pursuit Maslow believed that the full realization of potential requires a merging between self and the world We don t have to choose either self development or self sacrifice but at the highest level of human potential we show a deep integration of both *Transcend* reveals this level of human potential that connects us not only to our highest creative potential but also to one another With never before published insights and new research findings along with exercises and opportunities to gain insight into your own unique personality this empowering book is a manual for self analysis and nurturing a deeper connection not only with our highest potential but also with the rest of humanity **The Rise, Spread, and Decline of Brazil's Participatory Budgeting** Brian Wampler,Benjamin Goldfrank,2022-01-03 This book examines the rise spread and decline of participatory budgeting in Brazil In the last decade of the twentieth century Brazil became a model of participatory democracy for activists practitioners and scholars However some thirty years later participatory budgeting is in steep decline and on the verge of disappearing from Brazil Drawing from institutional political choice civil society and public administration literature this book generates theory that accounts for the rise and fall of an innovative democratic institution It examines what the arc of the creation spread and decline of participatory budgeting tells us about the long term viability and potential democratic impact of this innovative democratic institution as it spreads globally Will the same inverted trajectory plague other countries in the future or will they be able to sustain participatory budgeting for greater periods of time **Socio-Legal Integration** Agnieszka Kubal,2016-04-01 This book examines how contemporary migrants form and transform their involvement with the law in their host countries and which factors influence this relationship It suggests a more comprehensive insight into the socio legal integration of migrants by analysing the interplay between the new legal environment and migrants existing culturally derived values attitudes behaviour and social expectations towards law and law enforcement Acknowledging the superdiversity of migration as a global issue the book uses the case study of Polish post 2004 EU Enlargement migrants to examine values and attitudes to the rules that govern their

work and residence in the UK and to the legal system in general With wider international relevance than just Poland and the UK this book makes a case for the meaningful employment of legal culture in socio legal integration research and suggests far reaching consequences for host countries and their immigrant communities Citizen Spies Joshua Reeves,2017-03-28

The history of recruiting citizens to spy on each other in the United States Ever since the revelations of whistleblower Edward Snowden we think about surveillance as the data tracking digital technologies used by the likes of Google the National Security Administration and the military But in reality the state and allied institutions have a much longer history of using everyday citizens to spy and inform on their peers Citizen Spies shows how If You See Something Say Something is more than just a new homeland security program it has been an essential civic responsibility throughout the history of the United States From the town crier of Colonial America to the recruitment of youth through junior police to the rise of Neighborhood Watch AMBER Alerts and Emergency 9 1 1 Joshua Reeves explores how ordinary citizens have been taught to carry out surveillance on their peers Emphasizing the role humans play as seeing and saying subjects he demonstrates how American society has continuously fostered cultures of vigilance suspicion meddling snooping and snitching Tracing the evolution of police crowd sourcing from Hue and Cry posters and America s Most Wanted to police affiliated social media as well as the U S s recurrent anxieties about political dissidents and ethnic minorities from the Red Scare to the War on Terror Reeves teases outhow vigilance toward neighbors has long been aligned with American ideals of patriotic and moral duty Taking the long view of the history of the citizen spy this book offers a much needed perspective for those interested in how we arrived at our current moment in surveillance culture and contextualizes contemporary trends in policing
